Memories

May "88"

Wagon,

Now we are finally fixing to graduate & hopefully!

We have been through alot in the past 8 years haven't we? He got in too much trouble. But you've always been there for me. And I guess we are finally happy with Billy and David out we? I hope we stay together forever. I'm going to miss all of you when I go to school. (g) But I'm coming home every week-end. And we will have some throw-down parties. Even though we can't all come to associate with each other anymore. I don't think a friendship of 8 years will die as fast as our parents would like it to. I know we got in trouble alot. But we didn't do everything wrong.

You are the best friend I've ever had and I hope that we stay close through out the years to come. Just because we are graduating doesn't mean that we can't keep in touch!

Remember what Mader said "Amile", it is the 4th best thing to do w/ your lips. And I don't see how around right now I I love you. You're a friend for life, forever

Meagan,

Hey Chic! What's up? Aren't you glad you're graduating next year? I'm not. I'm going to miss you so much! We've had so much fun in French. The classe wasn't fun but we had fun! Just think NO MORE FRANCAIS!

You are a very sweet, pretty, and bright girl! You're going to make something beautiful out of your life - (not that you already haven't) but be the best person you can and you will go very far in life.

We've all made mistakes but we can always be forgiven. You haven't made a mess out of your life. So, you made a few mistakes, just remember not to make the same ones again!

I Love you through thick and through thin! You mean a lot to me and you always have a part in my life! You are one of the bestest friends that I have! Thanks for understanding and being there when I needed someone to talk to, for being there when I needed a shoulder to cry on! You were always there and I thank you with all my heart!

Please give me your address if you move to Rome because I want you to be a part of my wedding! I want you to be a part of my life even if I'm married!!

Please keep in touch over the summer. (705-5086)
Remember, I'm always here for you! I love you so much and don't ever forget that!

Stay sweet & I'm going to miss you + all the fun we've had! I LOVE YOU! Lynn Wotham Seitz!

Quick pen change. Can you believe that our Senior year is almost over? I am so glad we have been friends through out these four years, I am really sorry we have been pulled apart this year by whatever it is. I have really missed both you and Moni this year. I hope in these few remaining days we can pull it back together before we go our separate ways forever. I know you probably think I will fuss at you for this or that, but I won't. You are one of my best friends (Moni is the other) and I will stick by you no matter what. You're my friend and I love you!

Now before I start crying let me change to a happier note. I am glad you and Travis are happy together. I wish you both the best of everything. I can't wait until this summer. We will have to throw a killer party! Good luck next year with whatever you do.

Love you,
Janica

Oconee County High School
Watkinsville, GA 30677

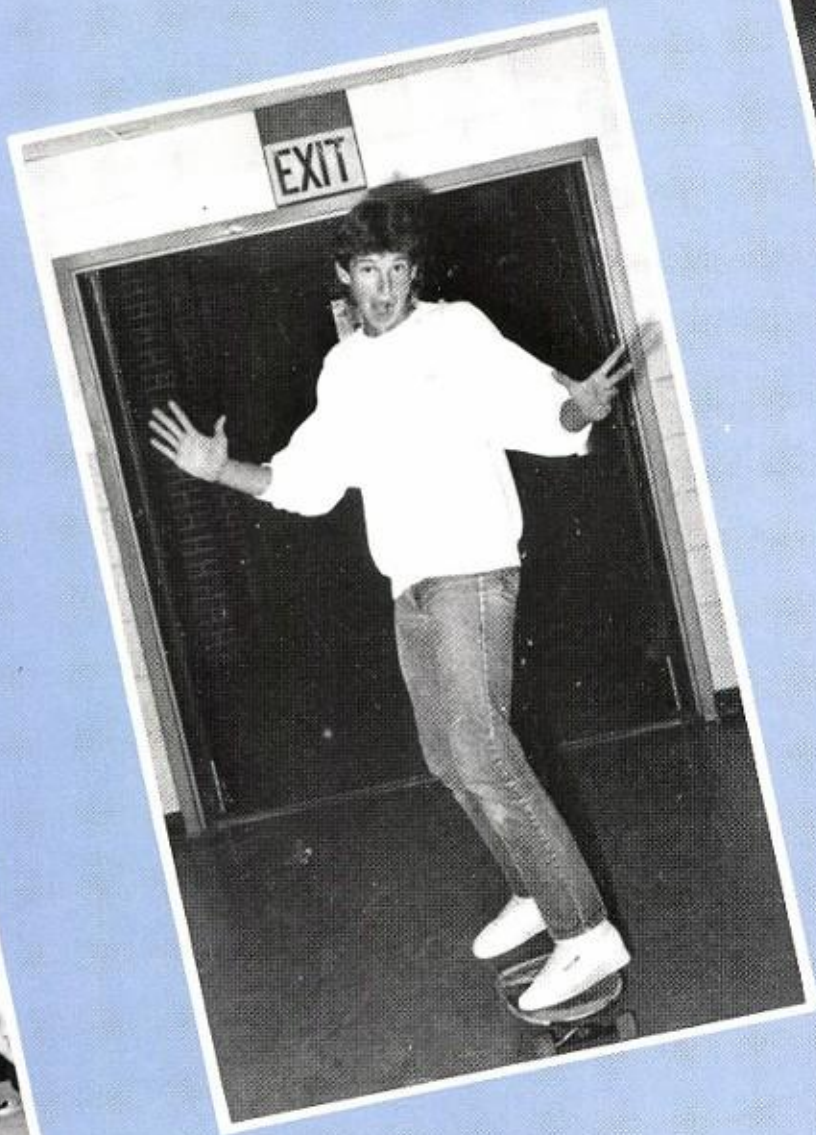

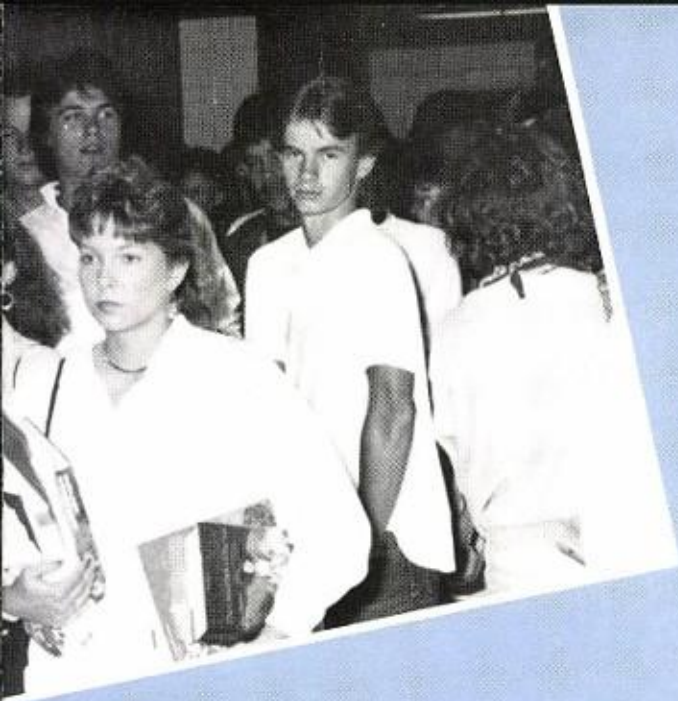

Making magic over the past year brings us closer to our friends and classmates, forming friendships that last a lifetime.

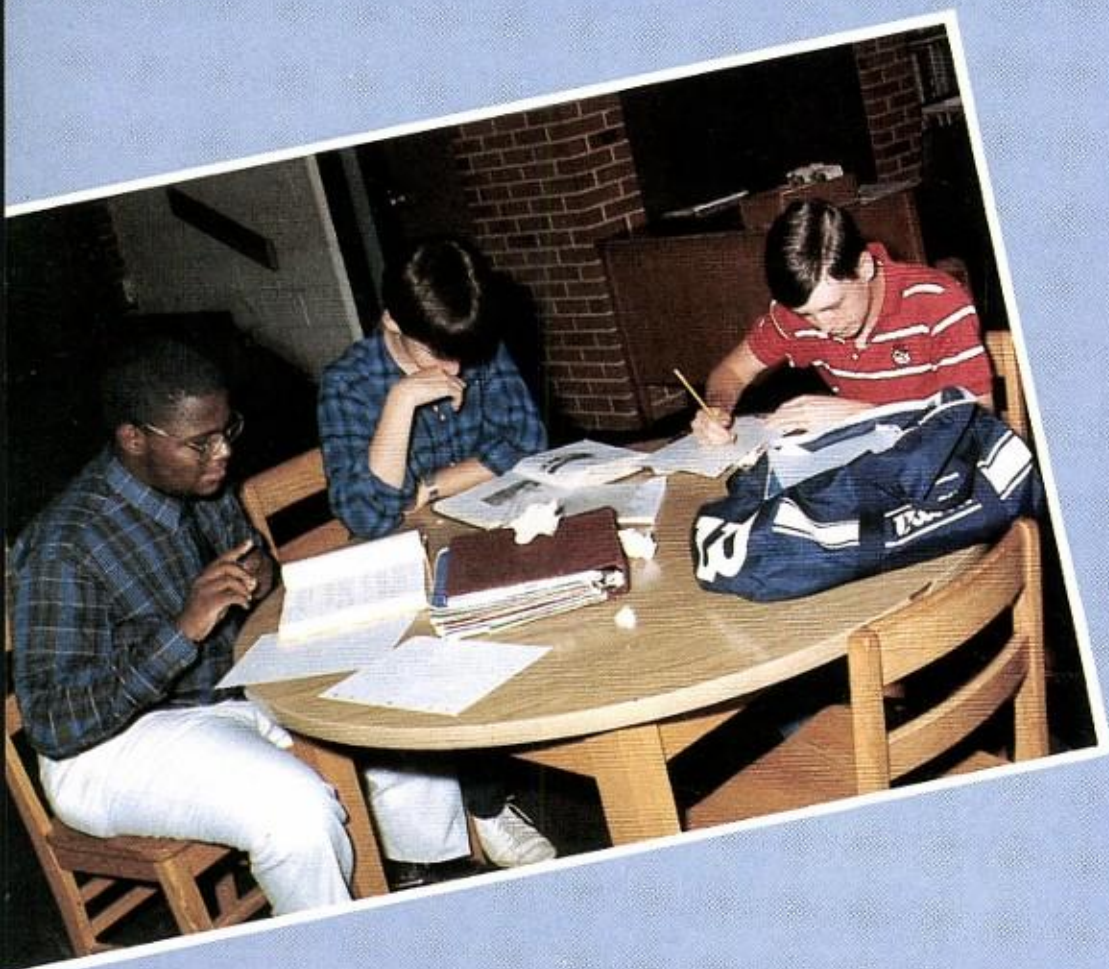

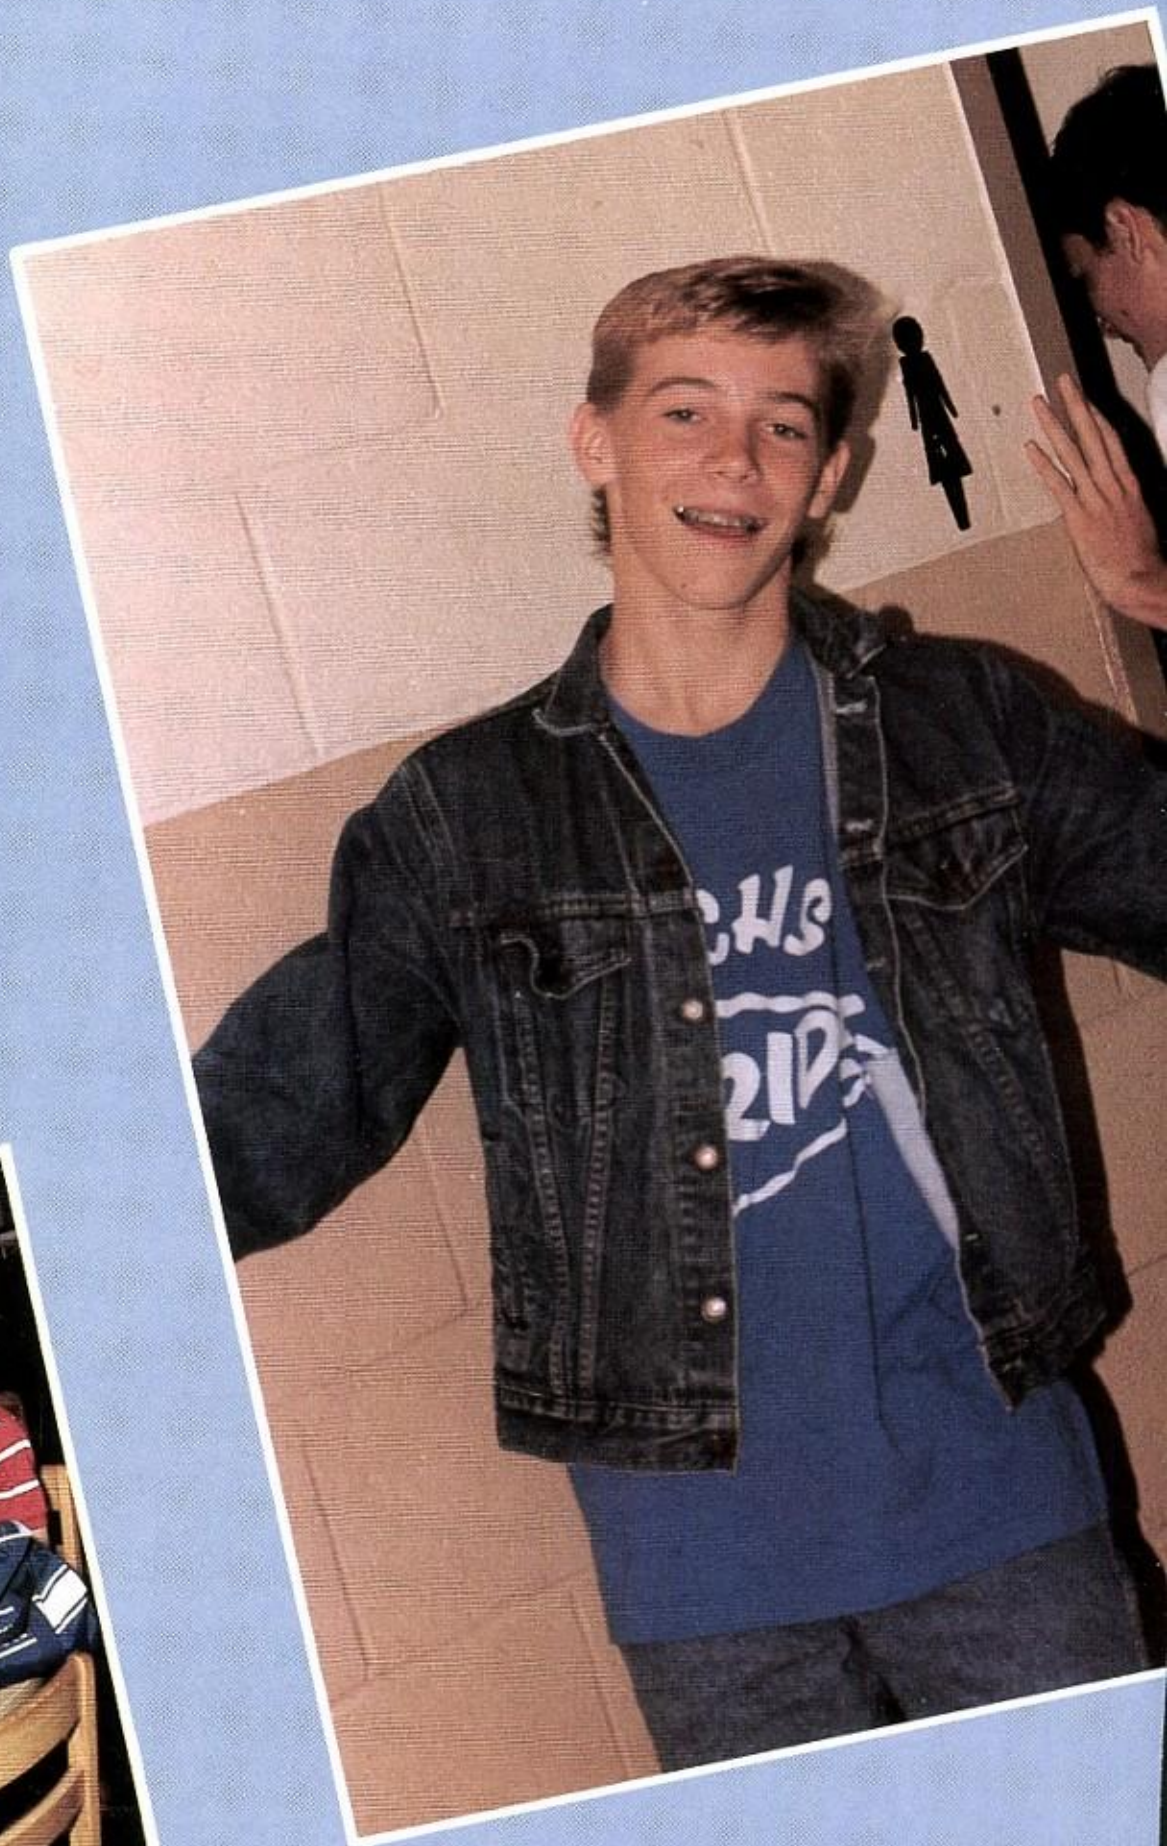

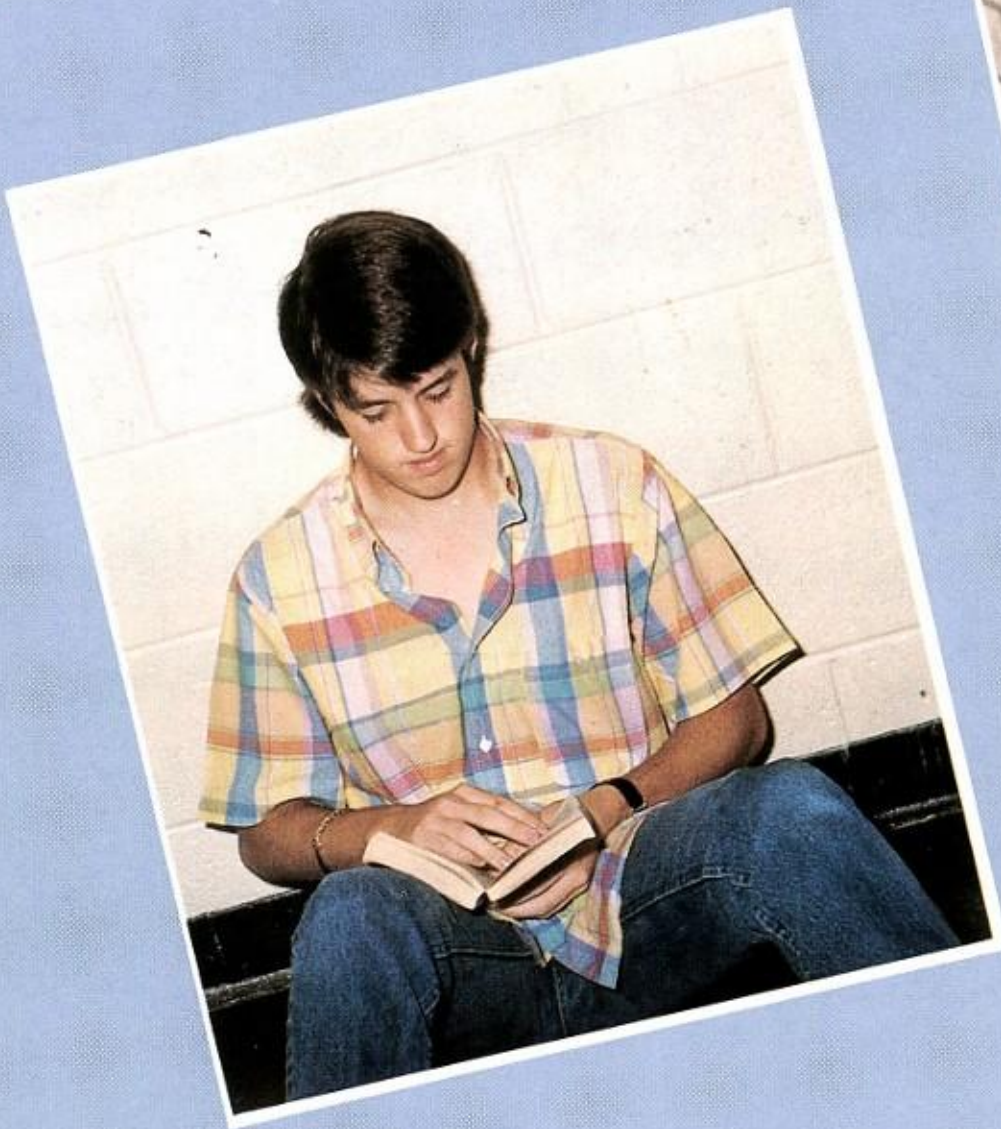

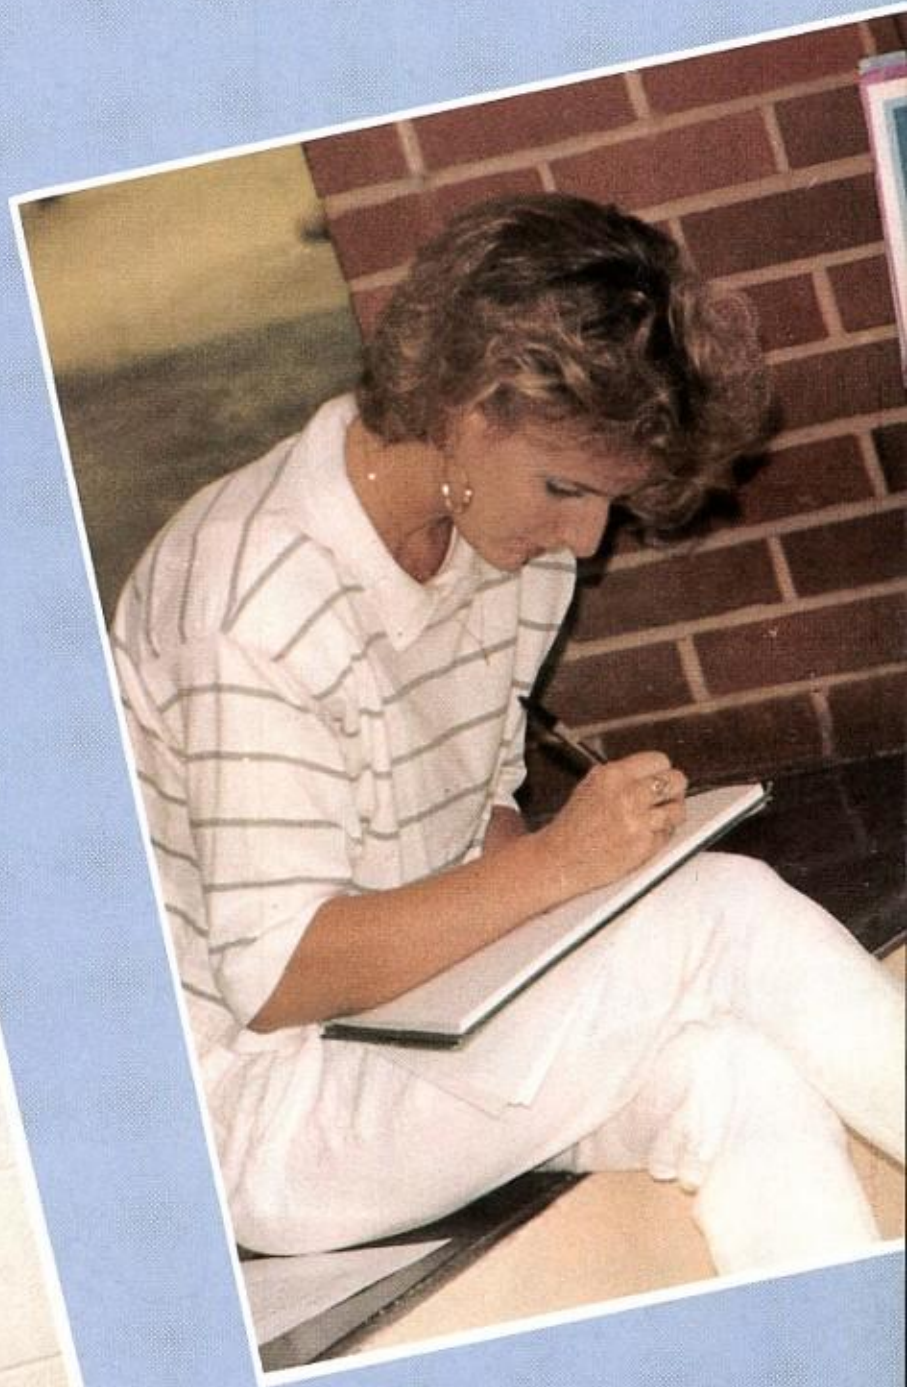

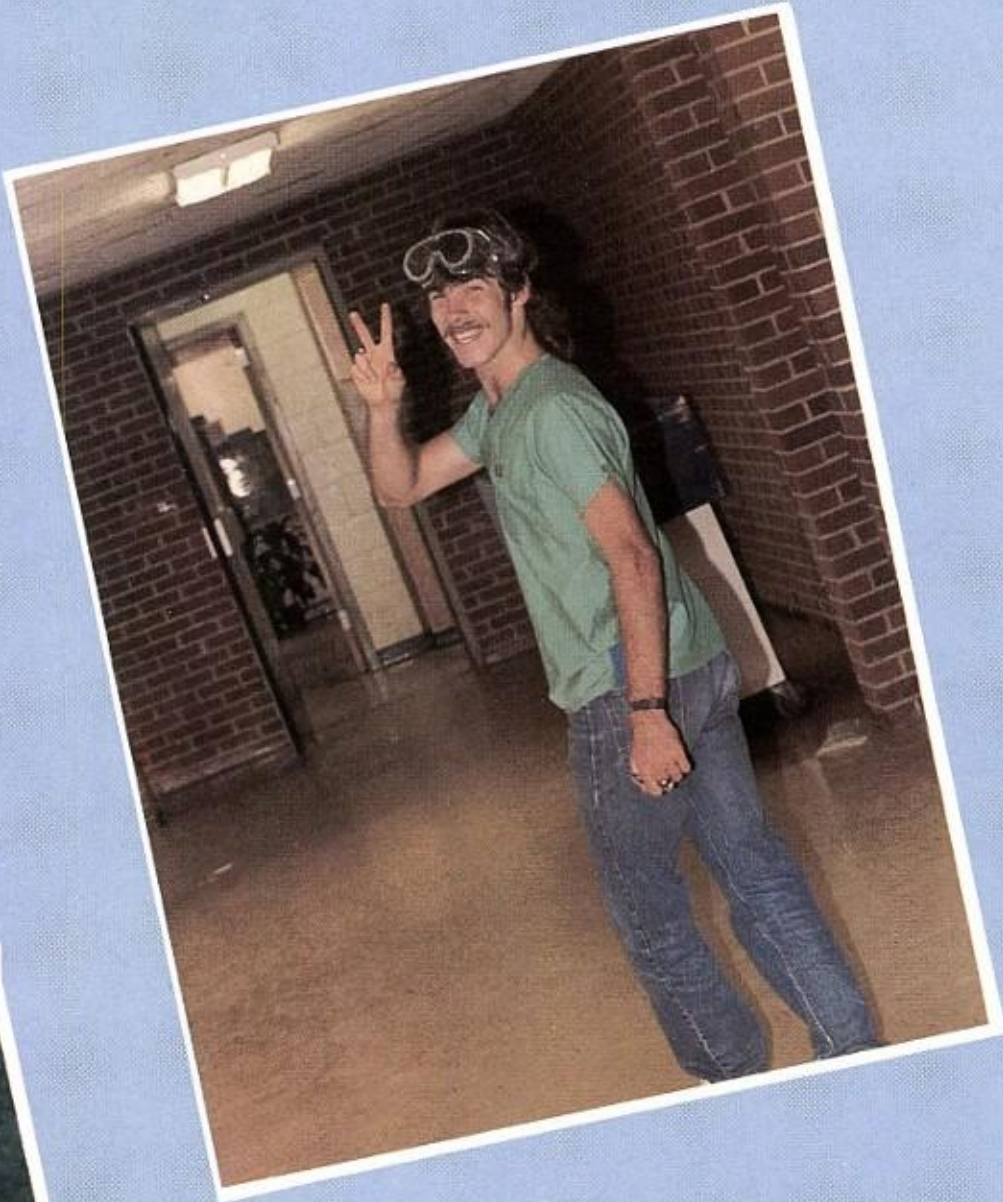

Everyone remembers special moments from their high school years ... finding the right class on the first day of school ... being able to brave the perils of the student parking lot ... the prom ... making friends ... going on a date with your first love ... those Friday night football games ...

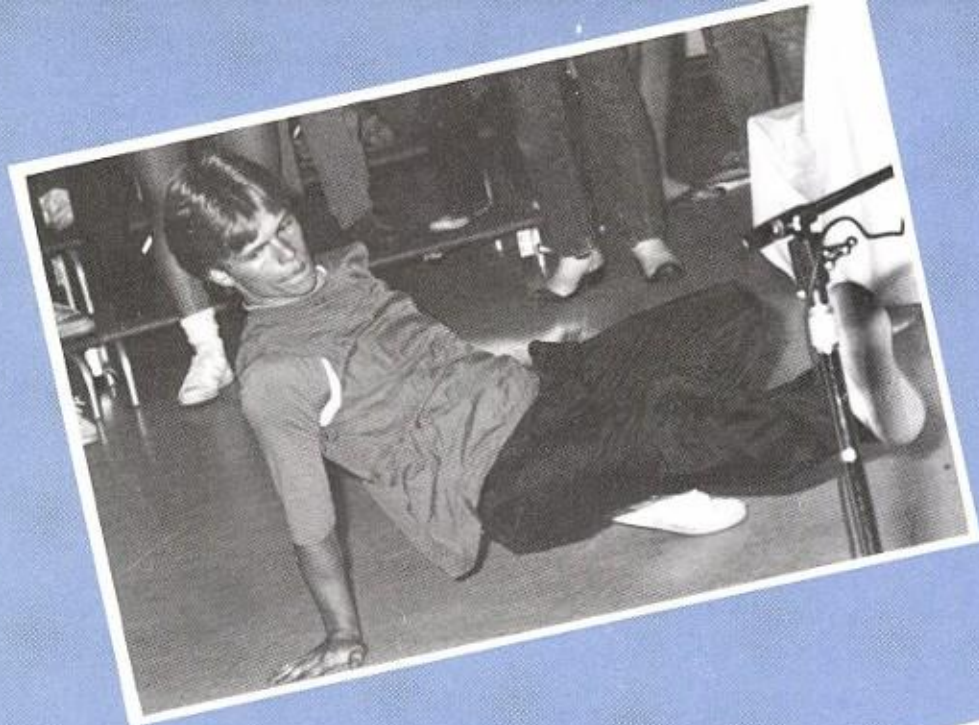

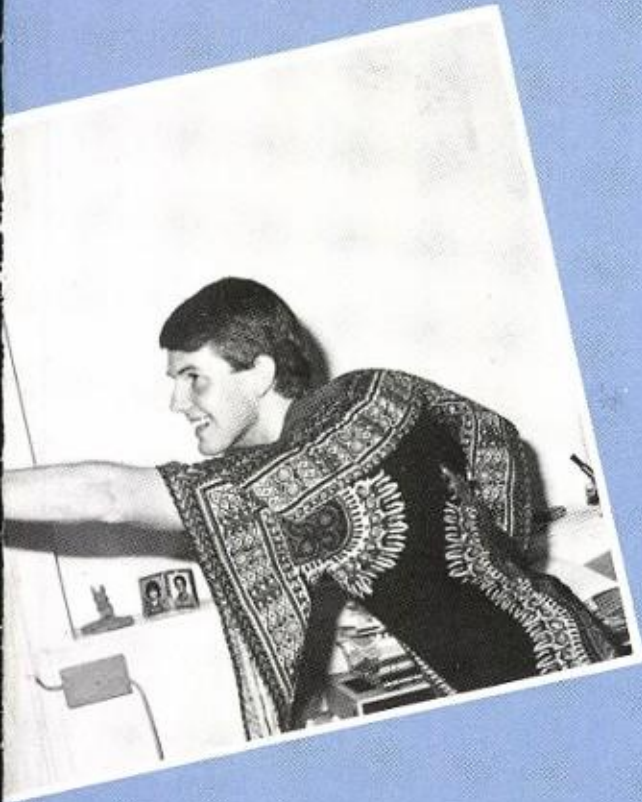

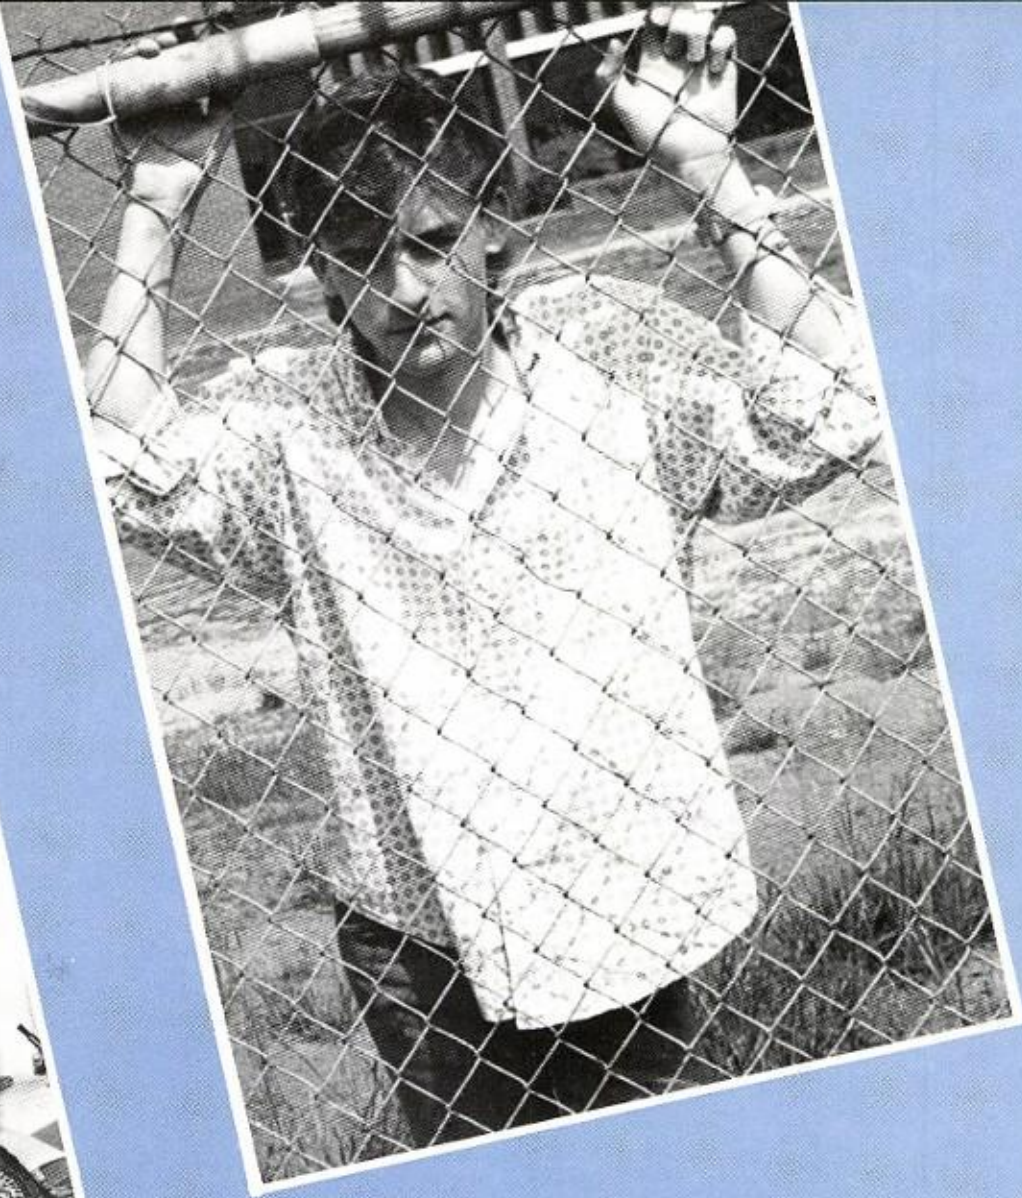

Much of high school seems to be spent over books and pushing pencils, but looking back we are surprised at how much we have accomplished.

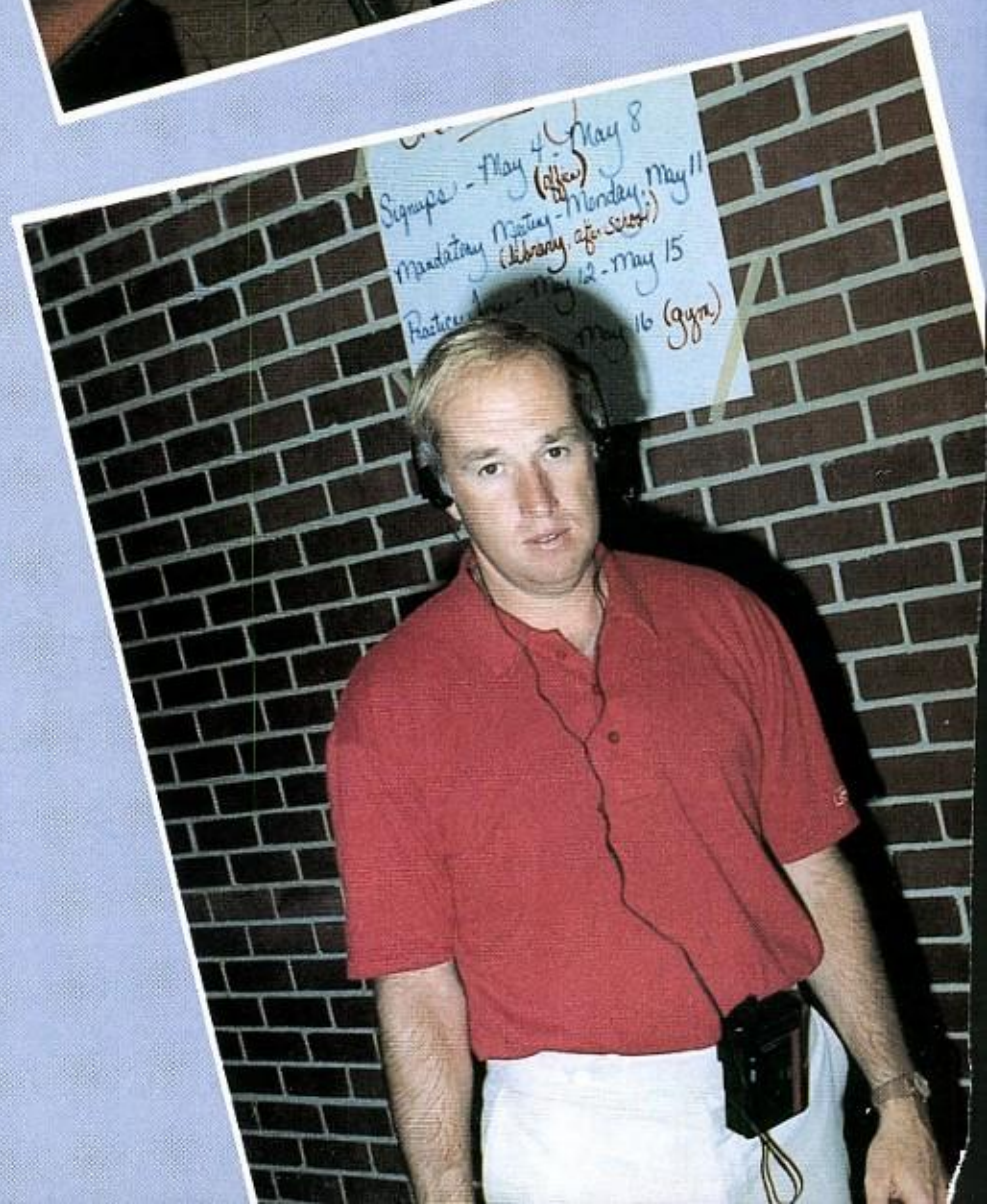

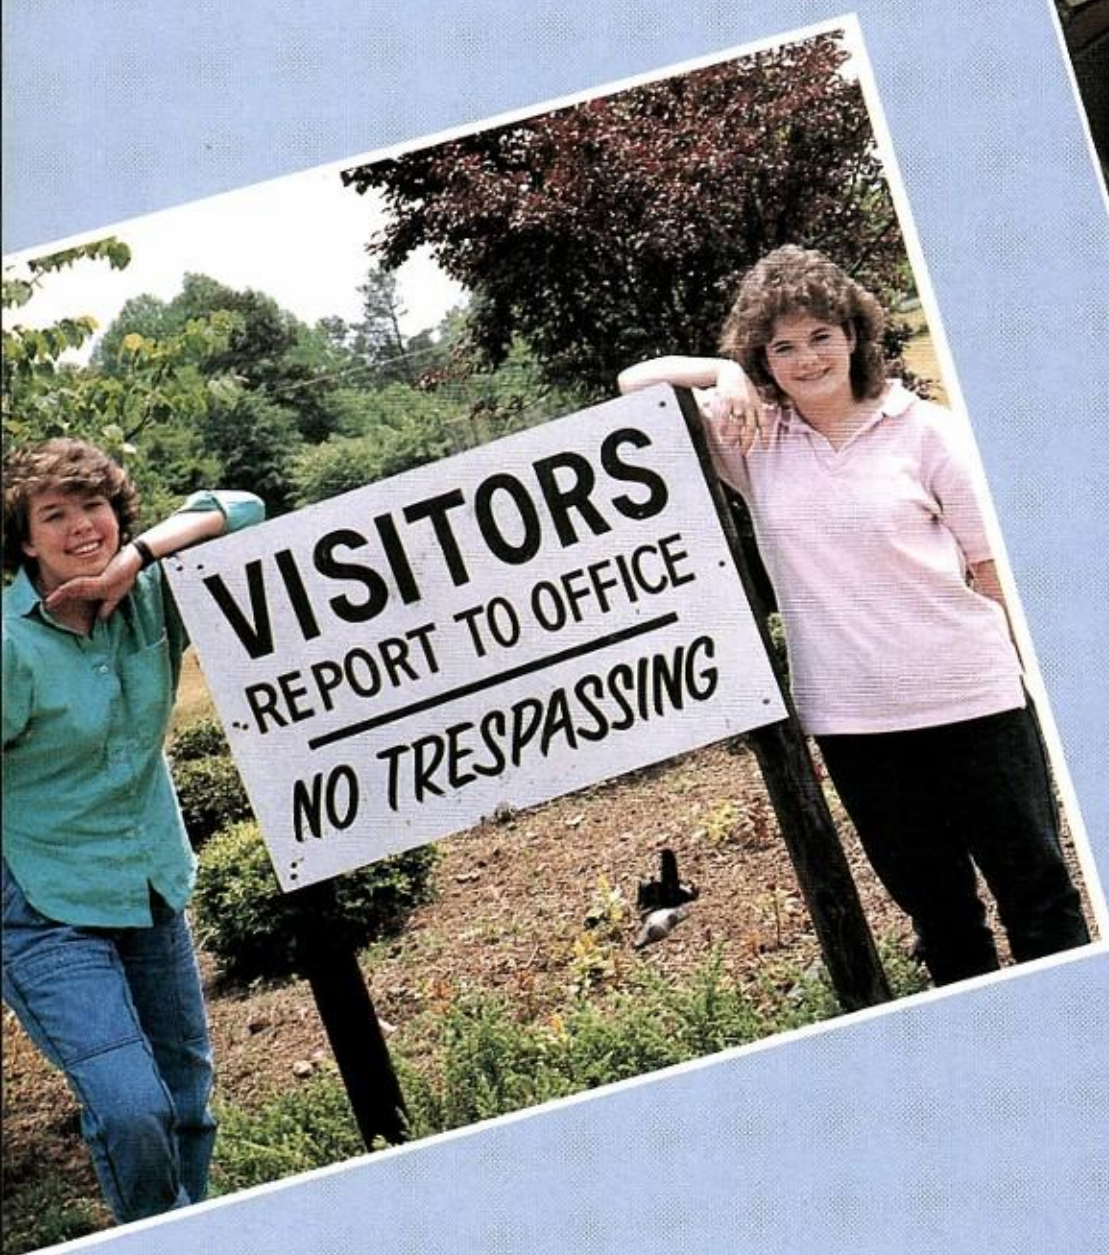

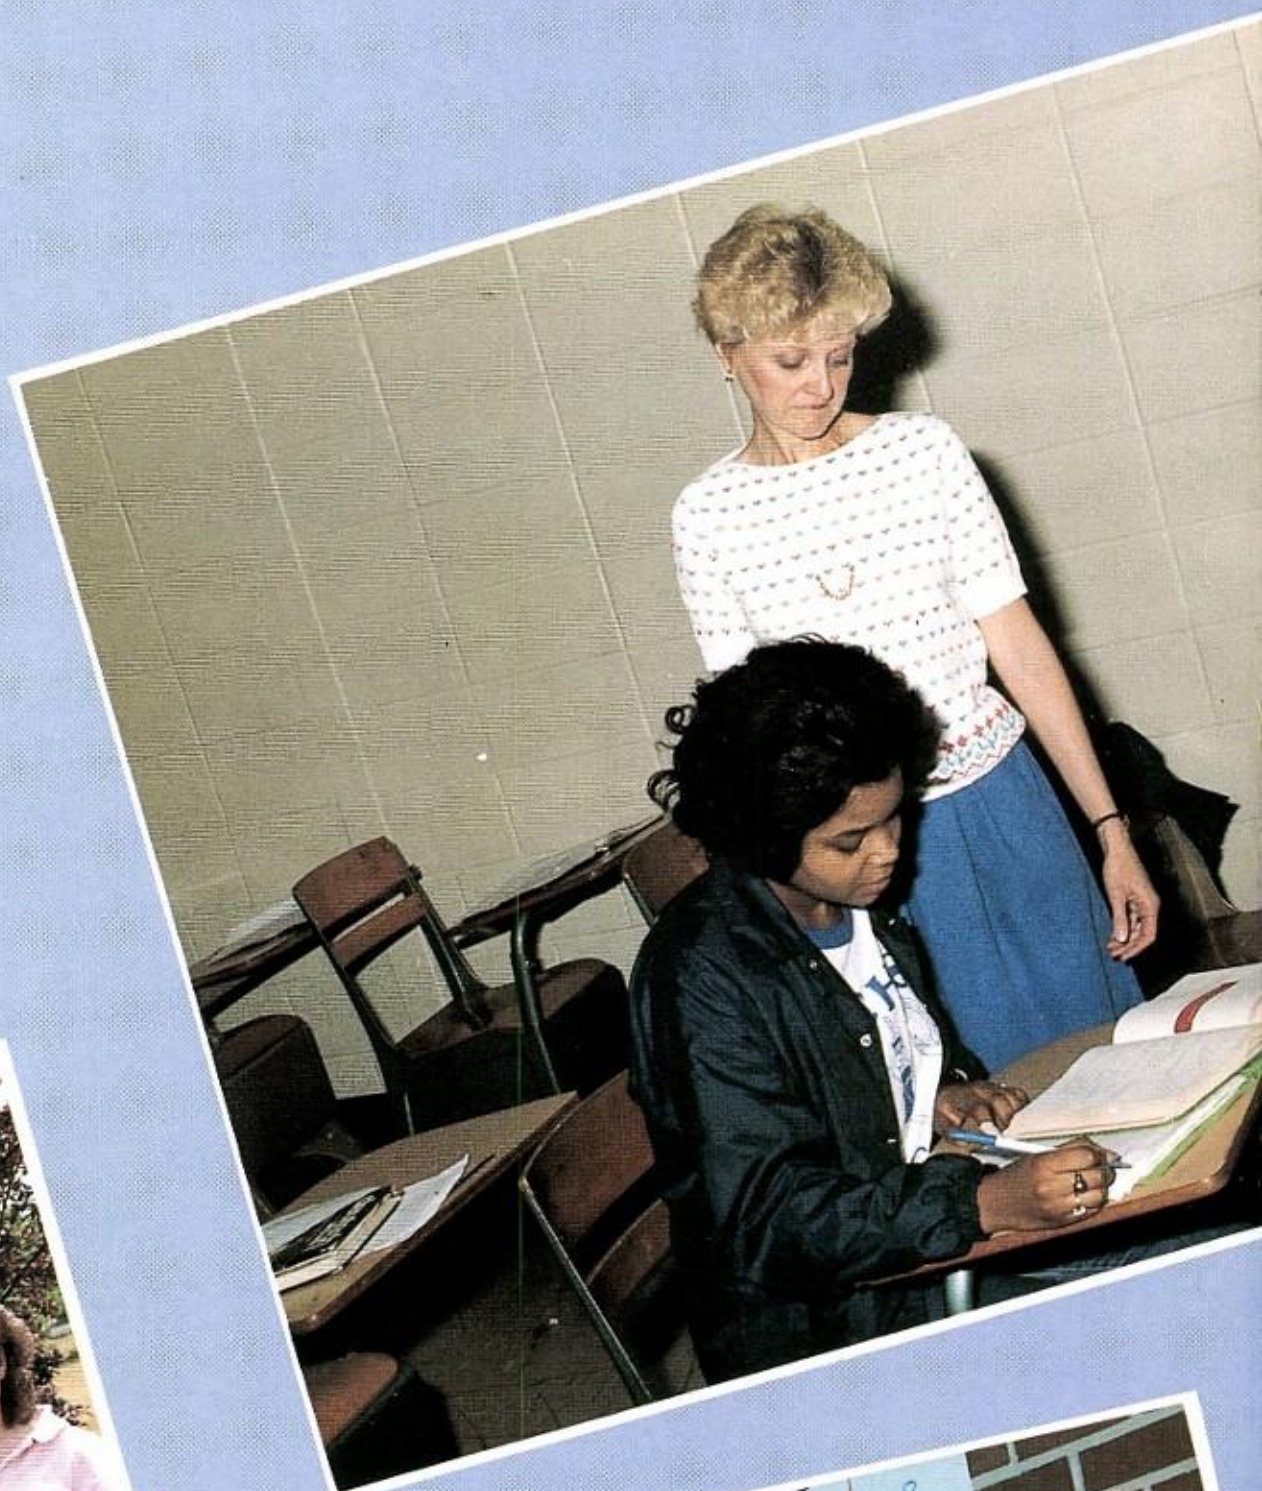

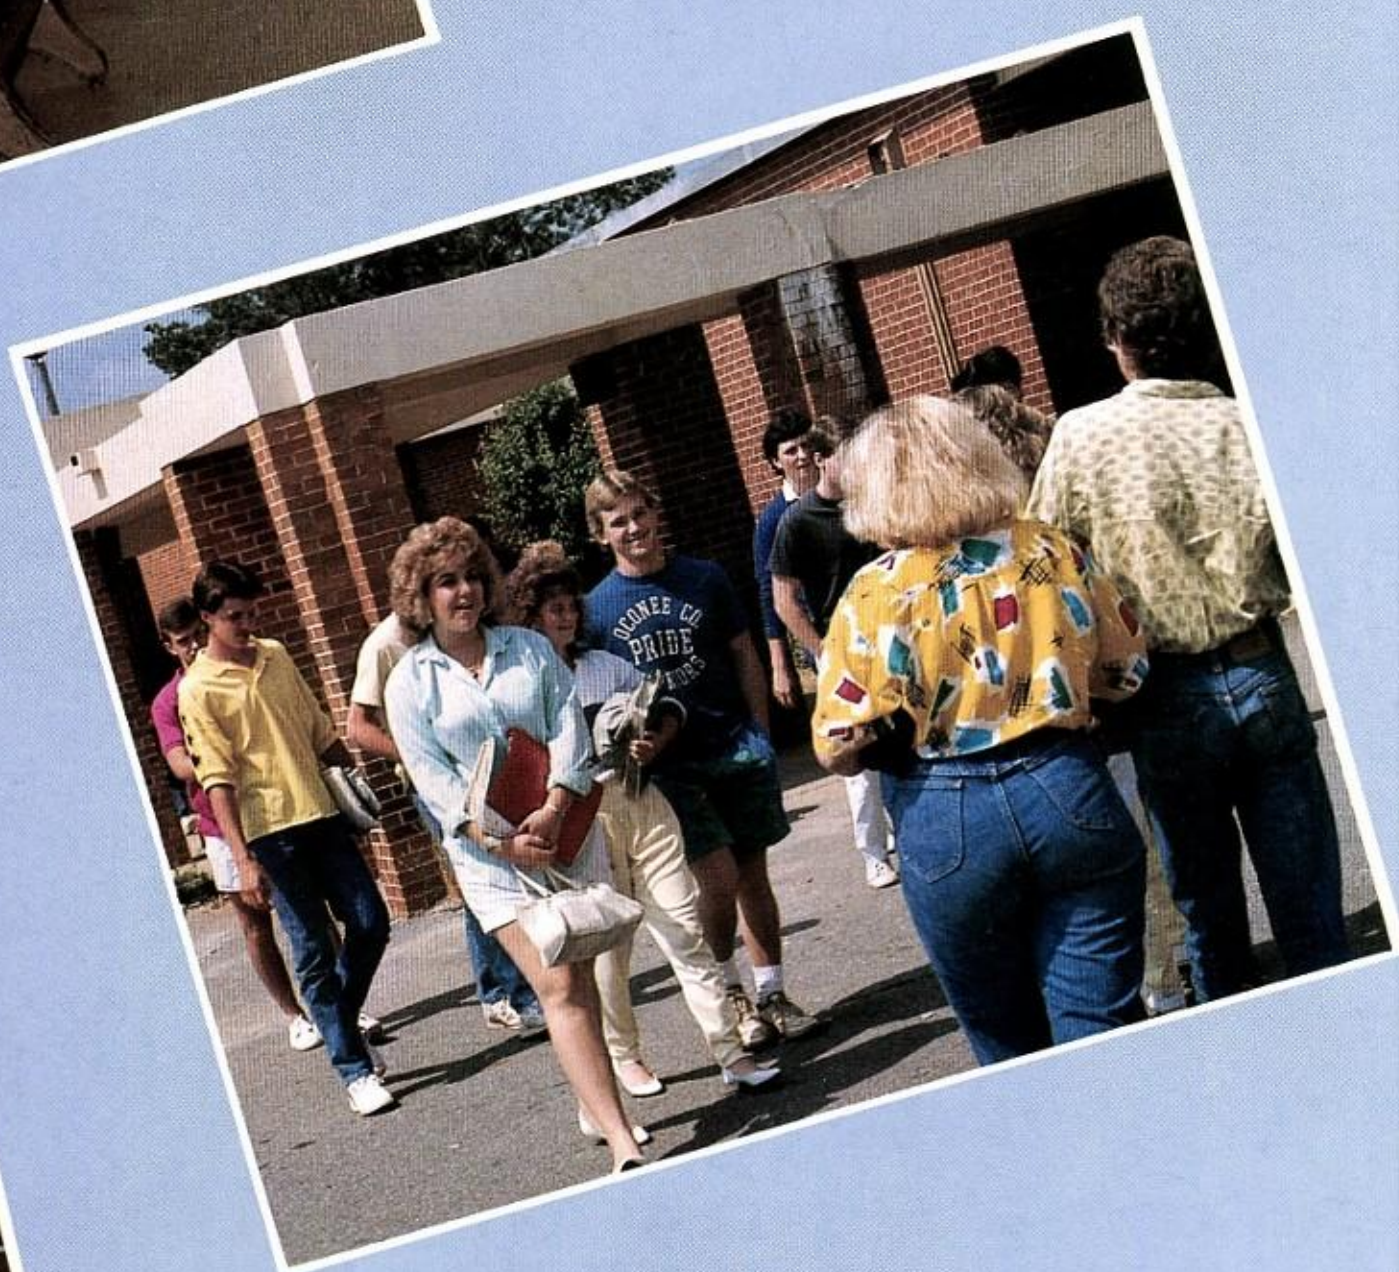

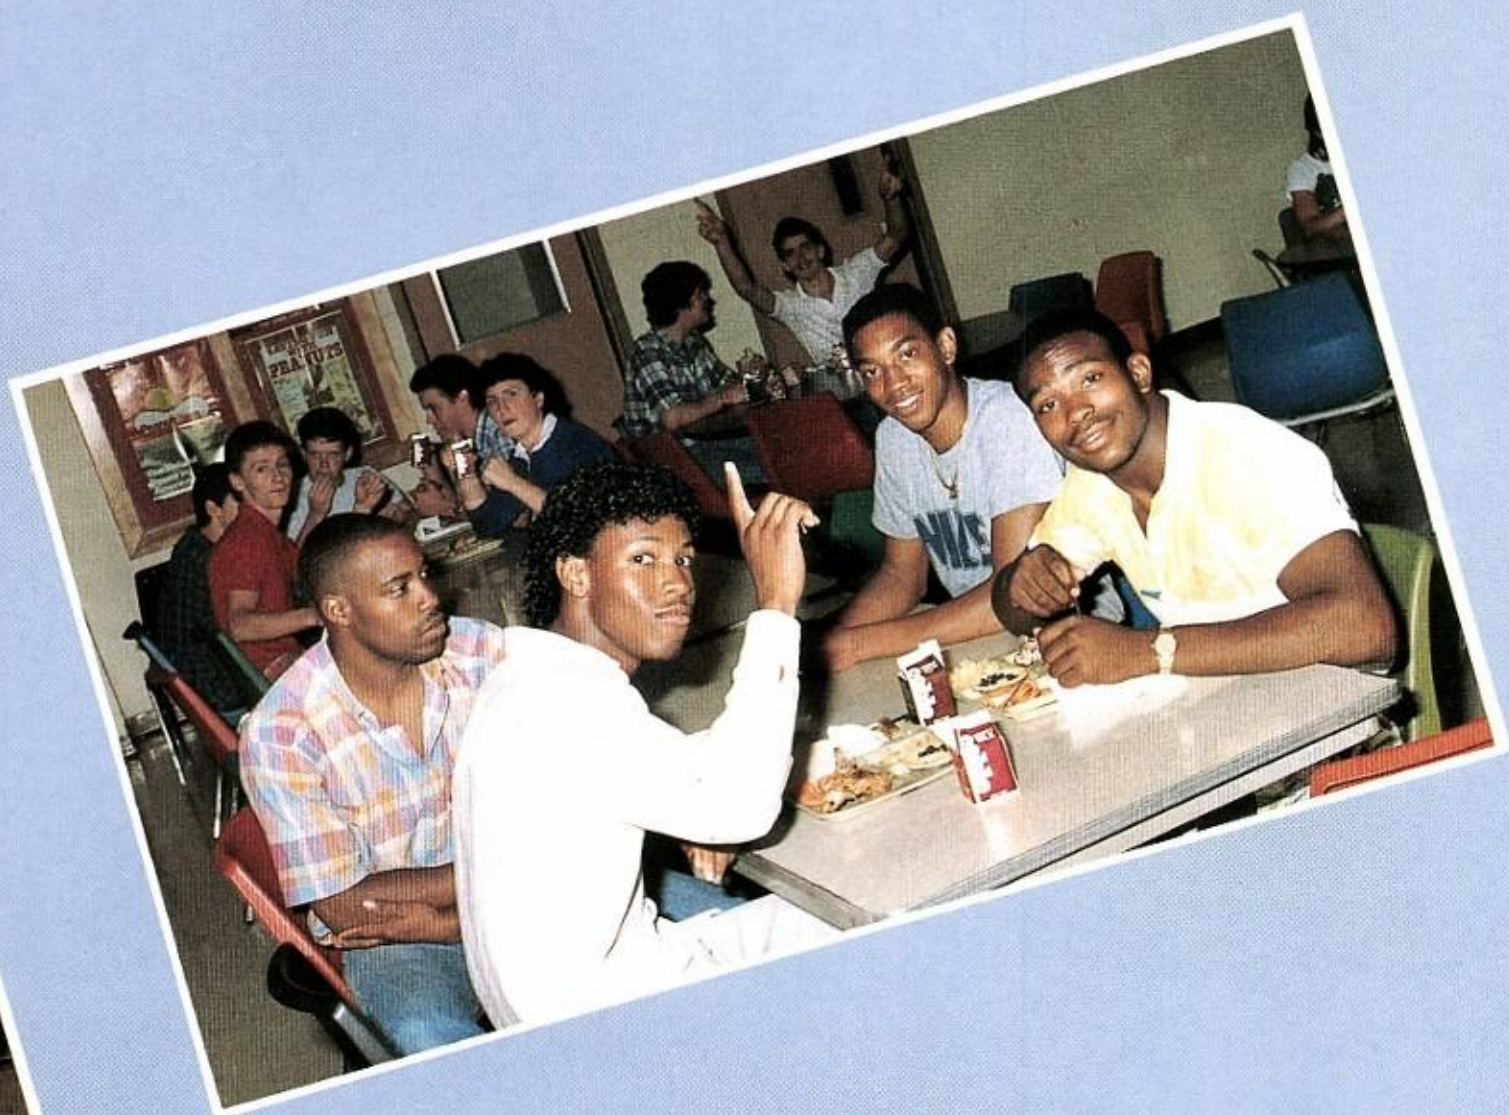

O ccasionally we get tired of the everyday routine but our friends are there to pull us through the hard-times and bring us out with a positive attitude.

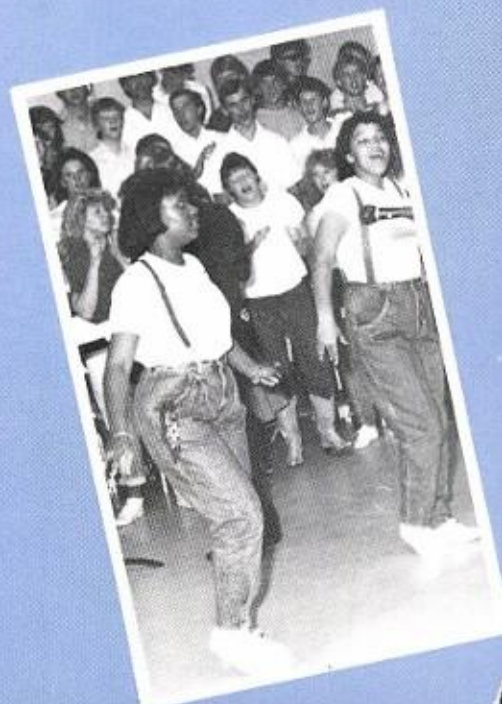

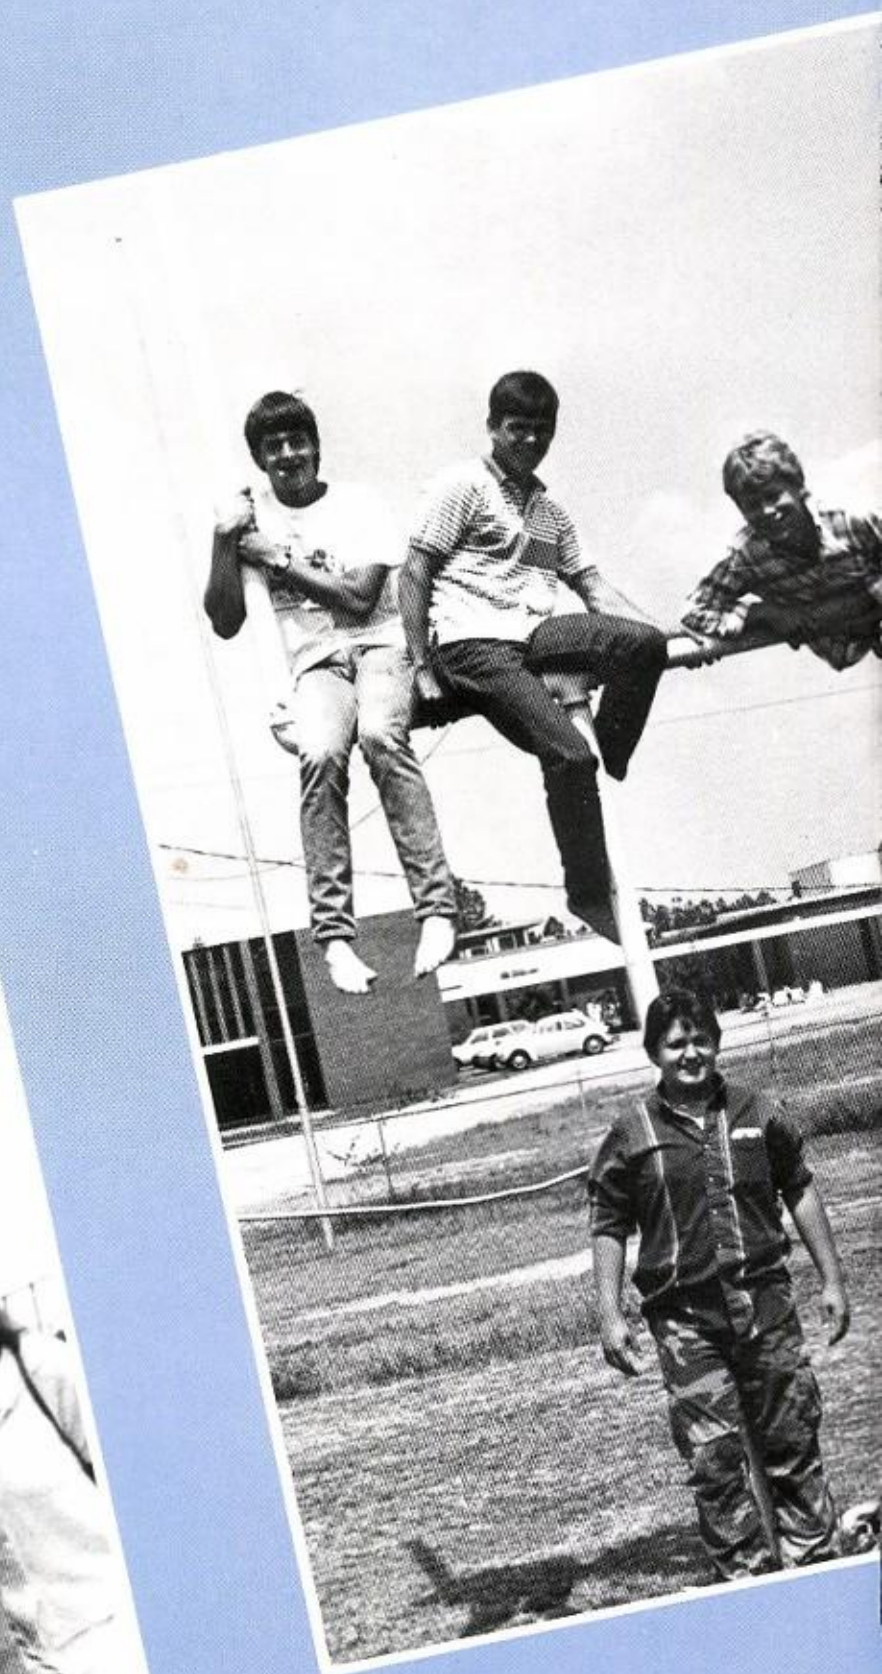

Ready to take on the world, we leave OCHS prepared because of all we have learned not only from our teachers but also from our peers.

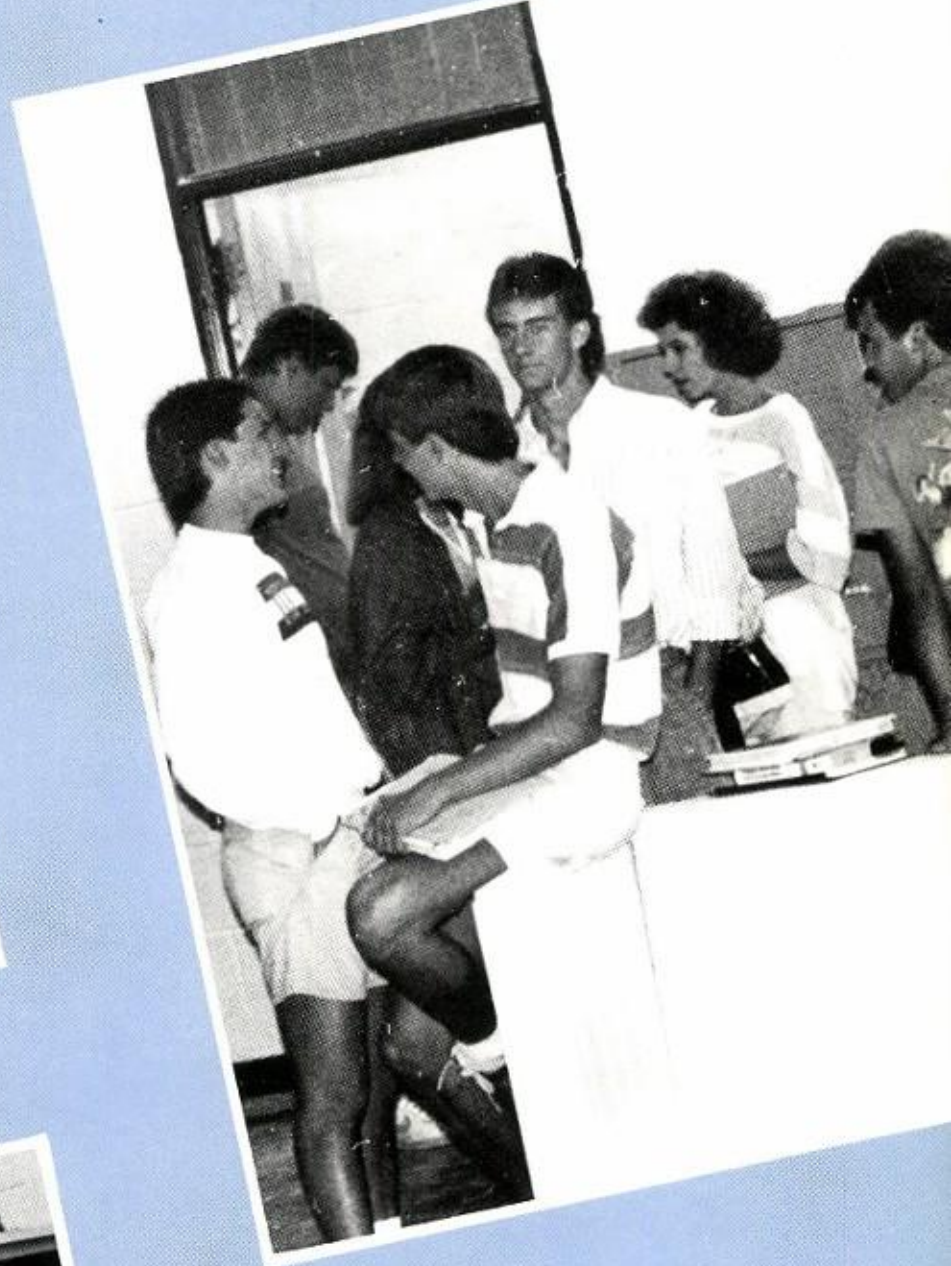

Incentive keeps us going until we reach the status of being a senior and knowing that graduation is not far off.

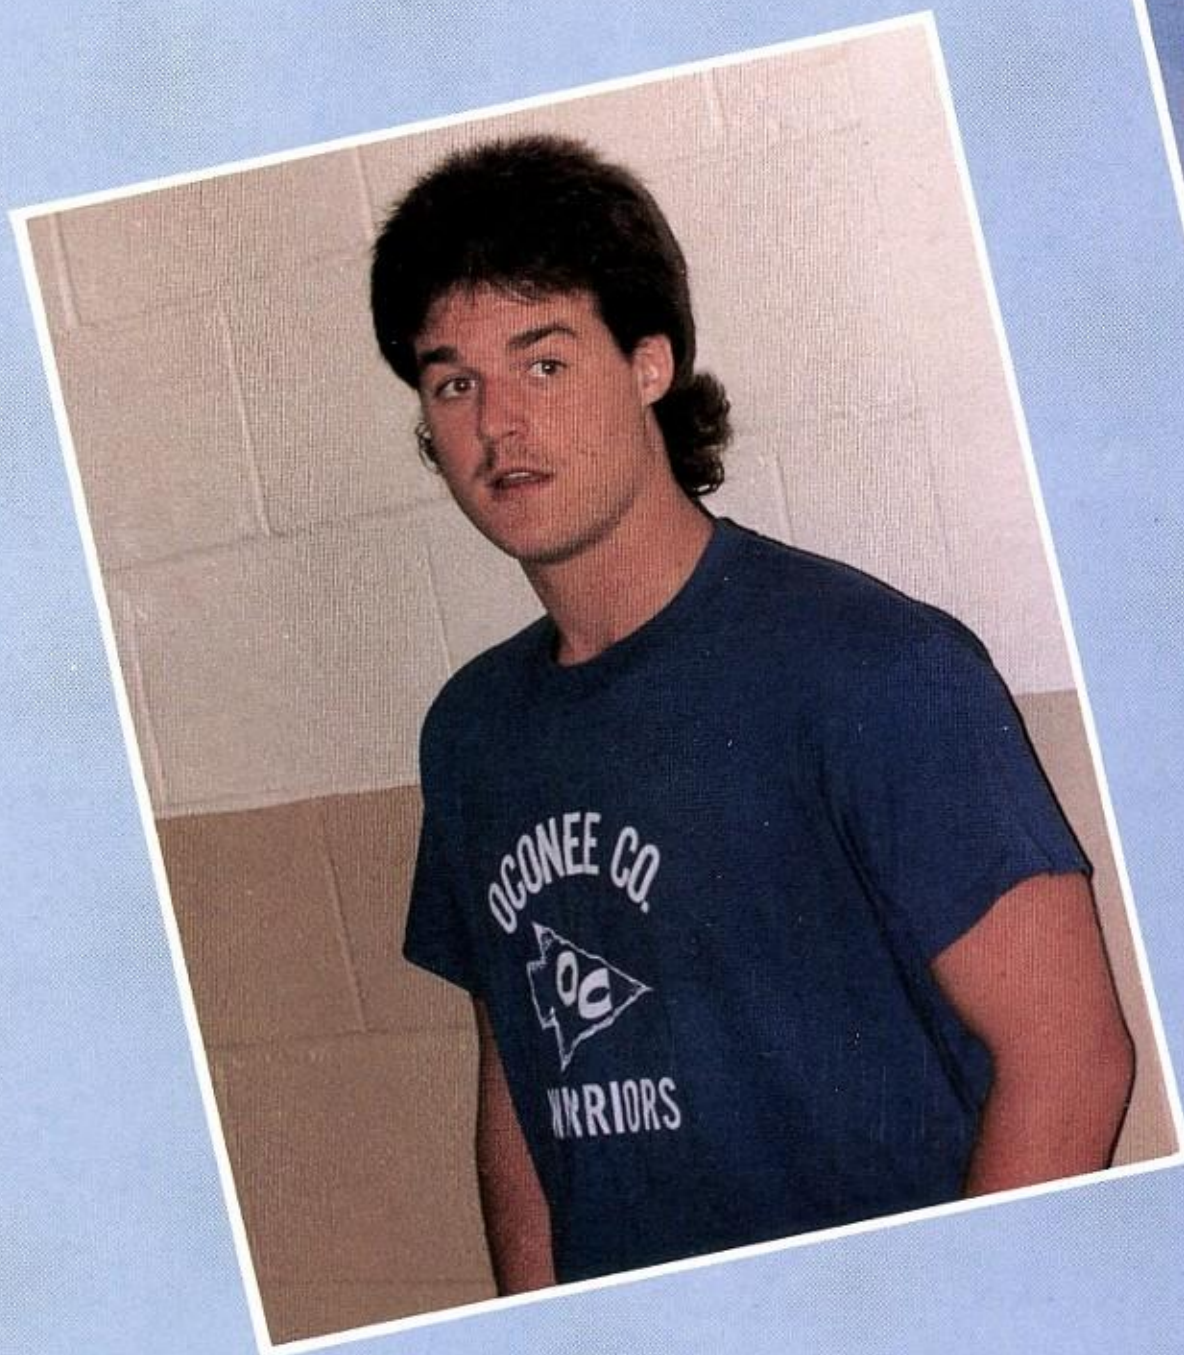

Megan,
It's been great getting to know
you this year, hope you have
fun after you get out of this
prison. Stay in touch and maybe
we can go somewhere this
Summer.

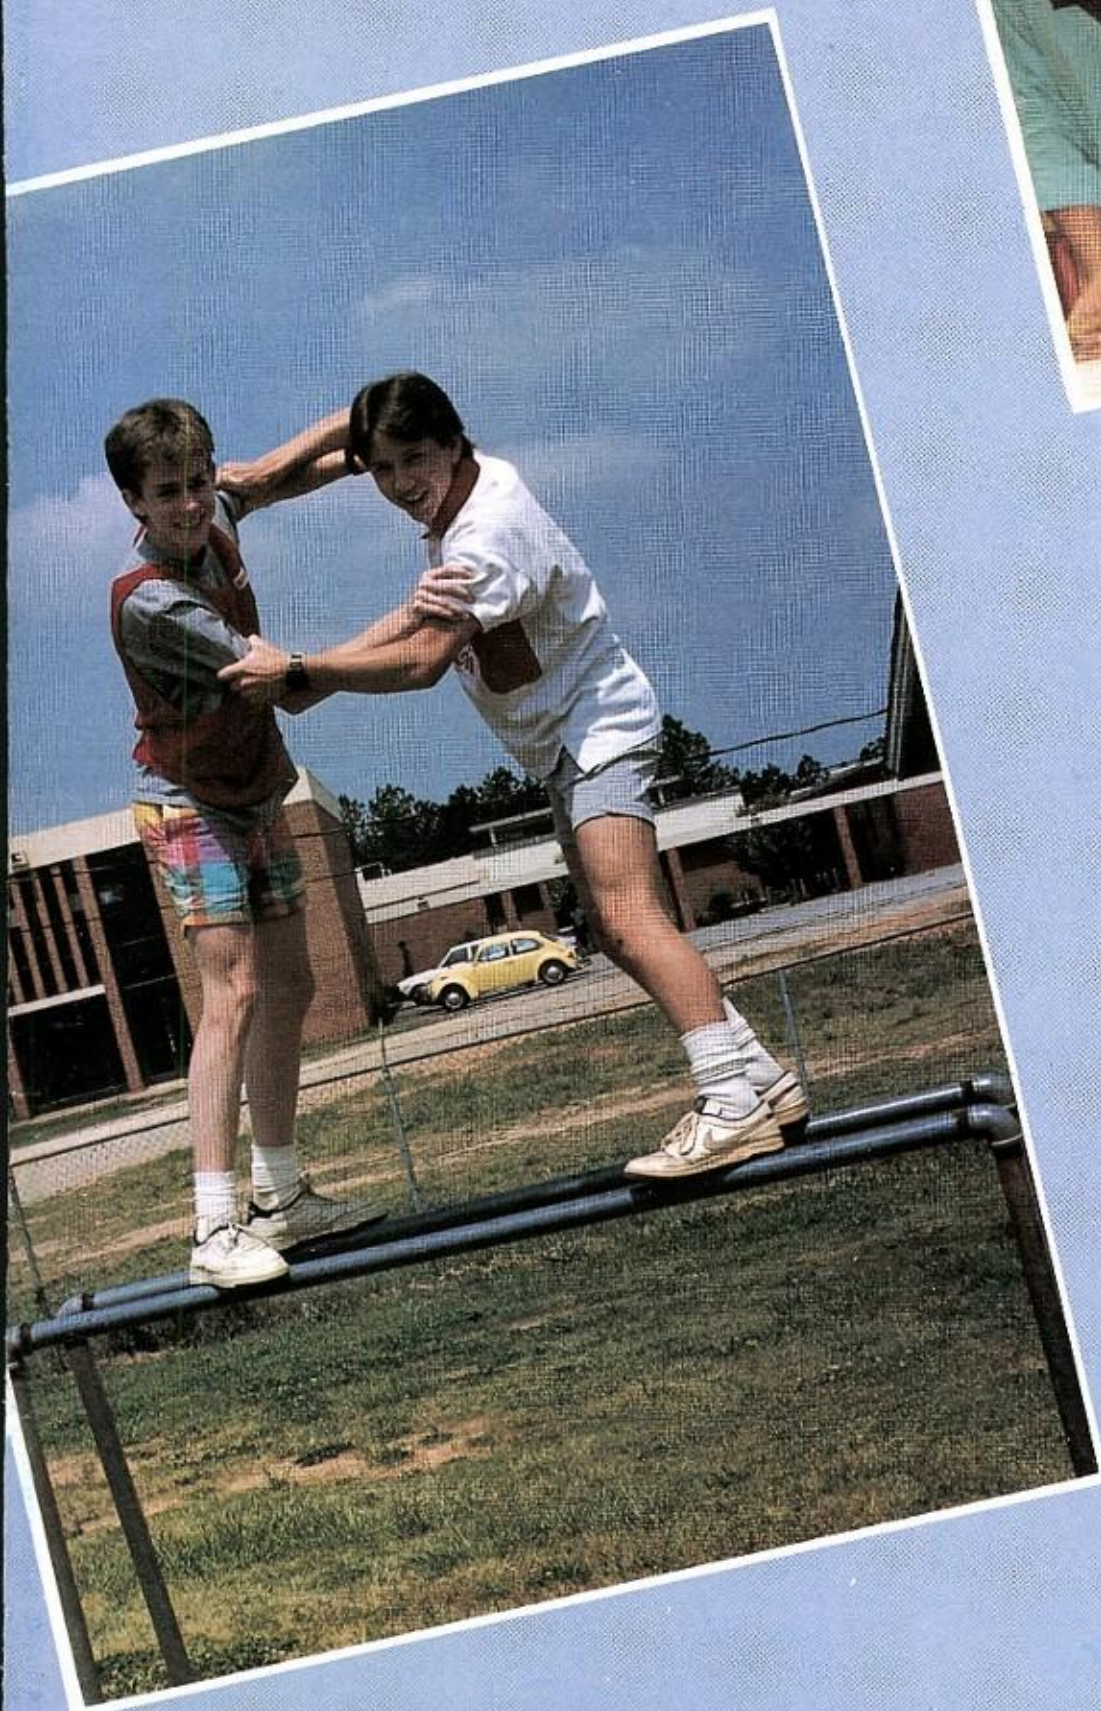

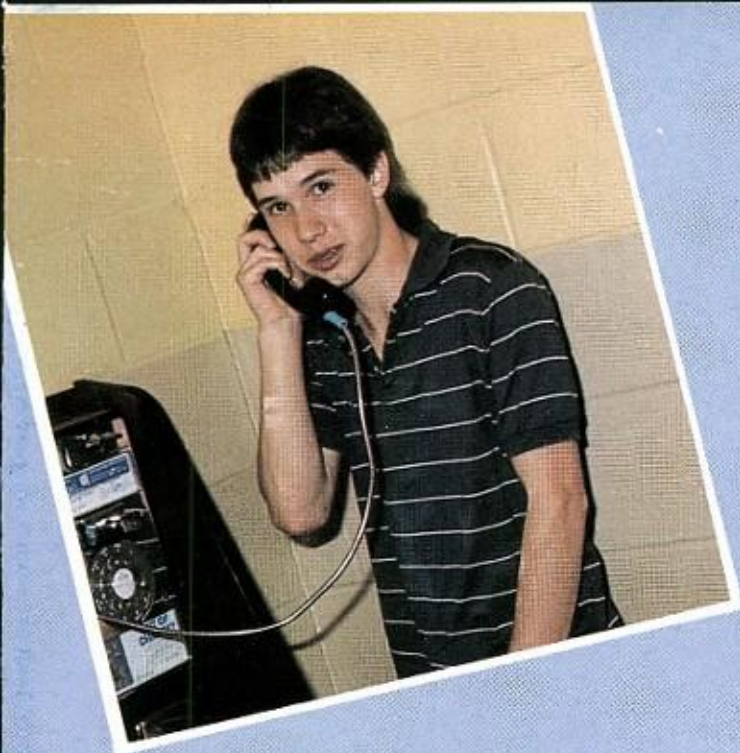

Love ya.

Tony Mallory

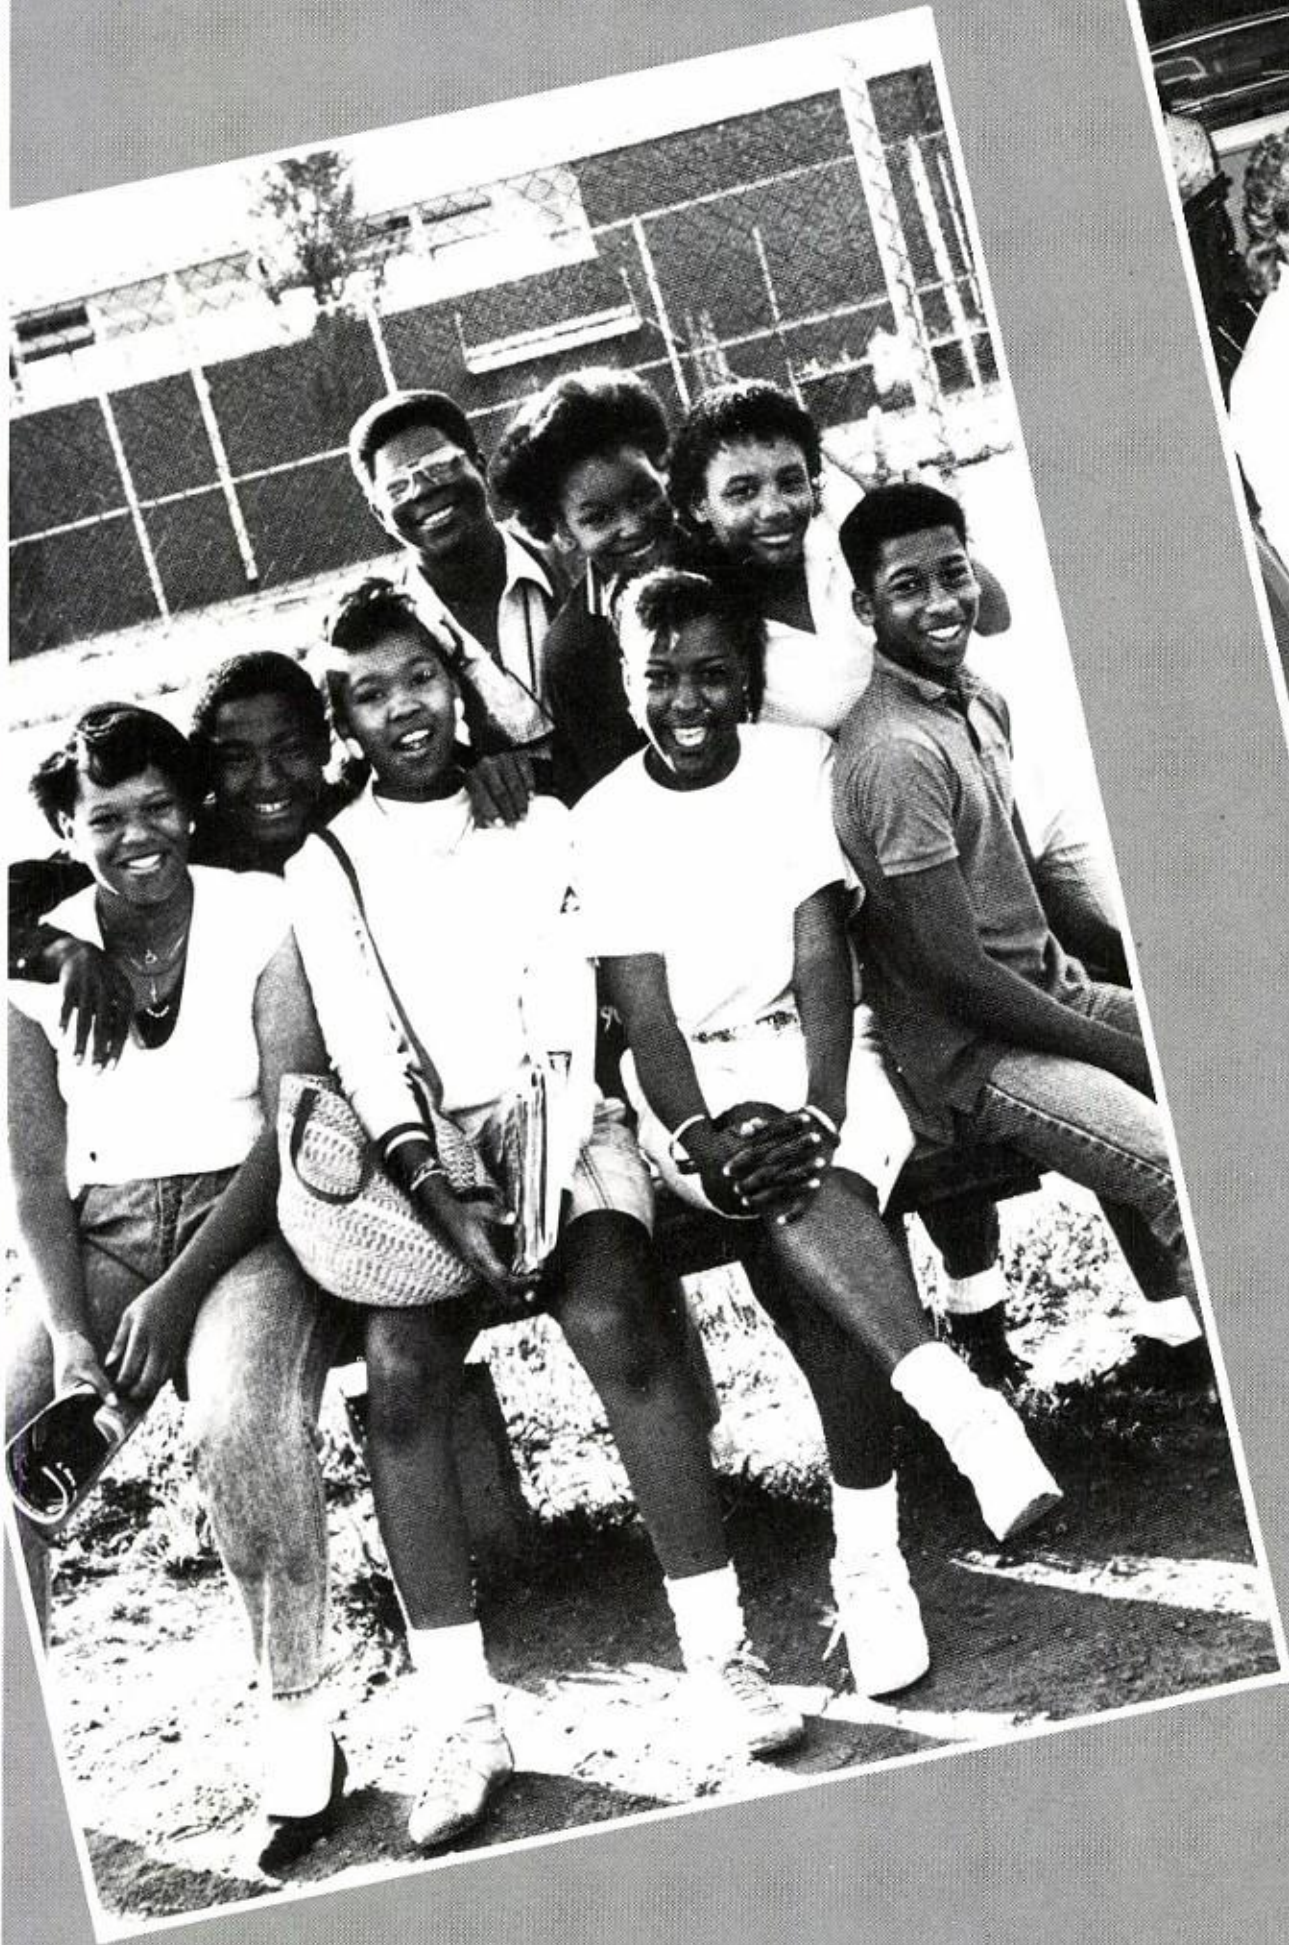

Erasing all that we have done through the years is impossible, for everything we do leaves an impression in our hearts.

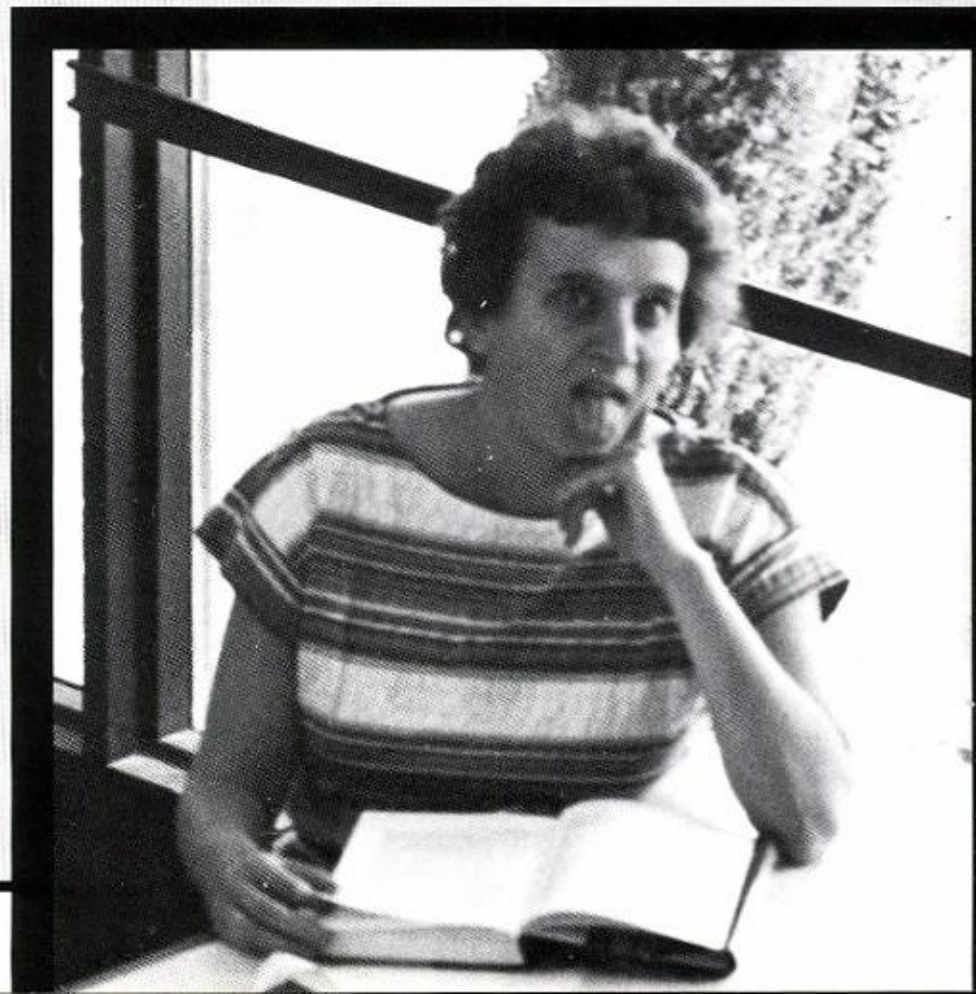

Shaping our lives and
helping us grow,
OCHS will be in our
memory forever.

Faculty

The faculty at Oconee County High School are fun and hard working people. They shape our lives with friendships and lessons that we can always remember. They strive to do their job of teaching well, and we all know that something extra is put into it when we learn and have fun at the same time. With that in mind, we owe our faculty here at OCHS much appreciation.

Dedication

Each year the Journalism Staff dedicates the annual to one of the many very deserving people that make our school years memorable.

The *1988 Legend* is being dedicated to a very special man. He has been teaching for twenty-three years, eleven of which have been spent at Oconee County. He serves as head of the English Department. Through the years he has worked with the Drama Club, Student Council, One-Act Plays, and is the Region Literary Coordinator. He has shown students and faculty alike his dedication to Oconee County High School.

This year we proudly dedicate the *1988 Legend* to **Mr. Roger Bailey** with much love and appreciation.

F a c u l t y

The Board of Education is an important group of people. They enforce the law that requires students to have a certain amount of hours of each course. The Board takes the time to solve or at least work on the problems of our school. Thinking about our school and the students in it, they try to make our campus a better place.

F a c u l t y

Nearly everyone has heard the old adage, "A picture is worth a thousand words." In the pages of the *1988 Legend* there is a pictorial record of Oconee County High School. Students are discovering new worlds of knowledge in the classroom, developing competitive spirit in athletic and academic events, achieving recognition and making friends. I hope that within these pages, you will find the photographs and words to help you recapture the spirit of this school year.

Tony Dukes
Principal

Your high school years are a time for learning and for growing. I hope that this year has provided you with many positive growth experiences — and that as you reflect on this past year, you will feel a sense of pride in what you have accomplished. I hope you have learned much about yourself and about what is really important to you in your life. And I hope you have enjoyed it!

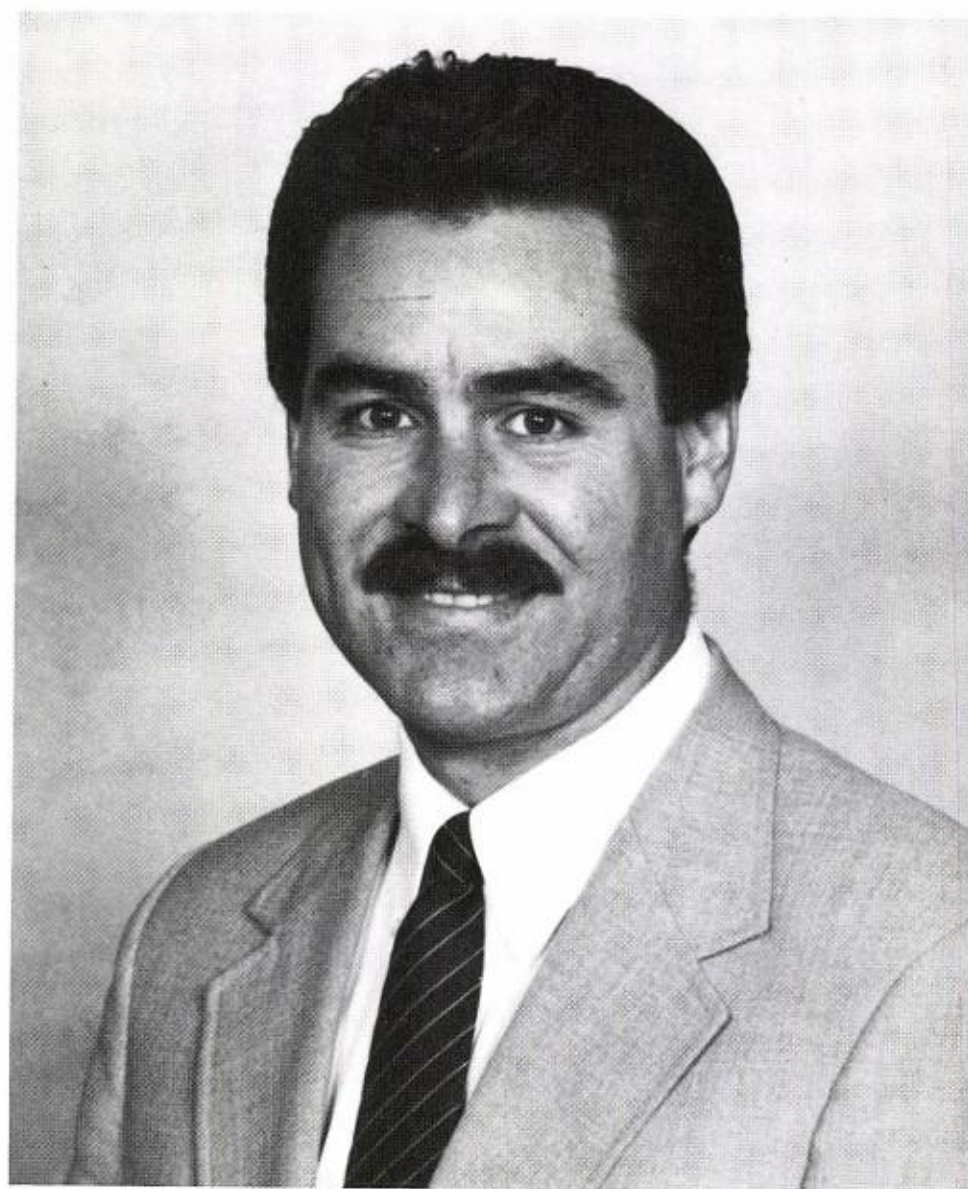

Charlee Goolsby
Assistant Principal

F a c u l t y

I trust that this has been a very special year for each of you. The part you have played in the total school experience is important and should be remembered fondly in the years to come. The pictures in this yearbook will always allow you to look back and reflect on this very special time in your life. I'm honored to be a part of this and hope each of you will succeed to a level even greater than you can envision. Remember, an open mind, a positive attitude, and a smile will carry you a long way in life.

Dennis A. Clarke
Vocational Supervisor

"To everything there is a season, and a time to every purpose under the heaven." This verse from Ecclesiastes illustrates the spirit found at Oconee County High School. I would urge each student to excel to his or her highest potential throughout this year. Time — like the sped arrow, the spoken word, and the missed opportunity — can never be recalled. It is my greatest hope that as the seasons of life unfold, each one of you will reflect on this school year with feelings of joy and accomplishment.

Do you recognize that smile?
Where have you seen these twinkling
eyes?
Who could have such a devilish air?

Look closely, and you will spy
those mischievous qualities so rare
In the counterparts of these kiddies
pictured here.

You don't believe it?
Oh, but it's true —
Gazing from these pictures so
innocently
Your OCHS Faculty — the old and the
new!

The Lunchroom ladies of Oconee High School are dedicated and much appreciated. Without them over half of the student body would go hungry. Thanks for cooking and preparing our meals!

Another thanks goes out to the custodians for their hard work and effort in keeping our school looking its best!

Seniors

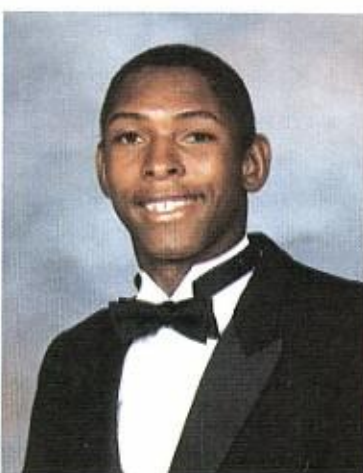

You Deserve the Best

A person will get only what he or she wants
You must choose your goals carefully
Know what you like
and what you do not like
Be critical about what you can do well
and what you cannot do well
Choose a career or lifestyle that interests you
and work hard to make it a success
Enter a relationship that is worthy of everything
physically and mentally
Be honest with people, help them if you can
but don't depend on anyone to make life easy
or happy for you
Only you can do that for yourself
Strive to achieve all that you like
Find happiness in everything you do
Love with your entire being
Make a triumph
of every aspect
of your life

Underclassmen

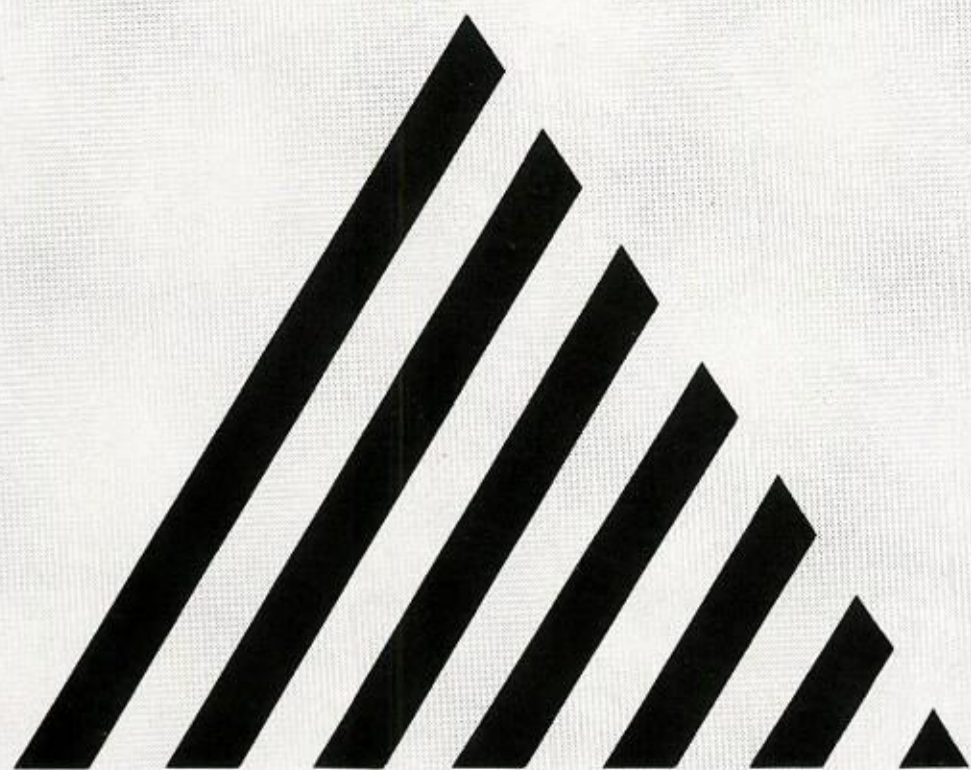

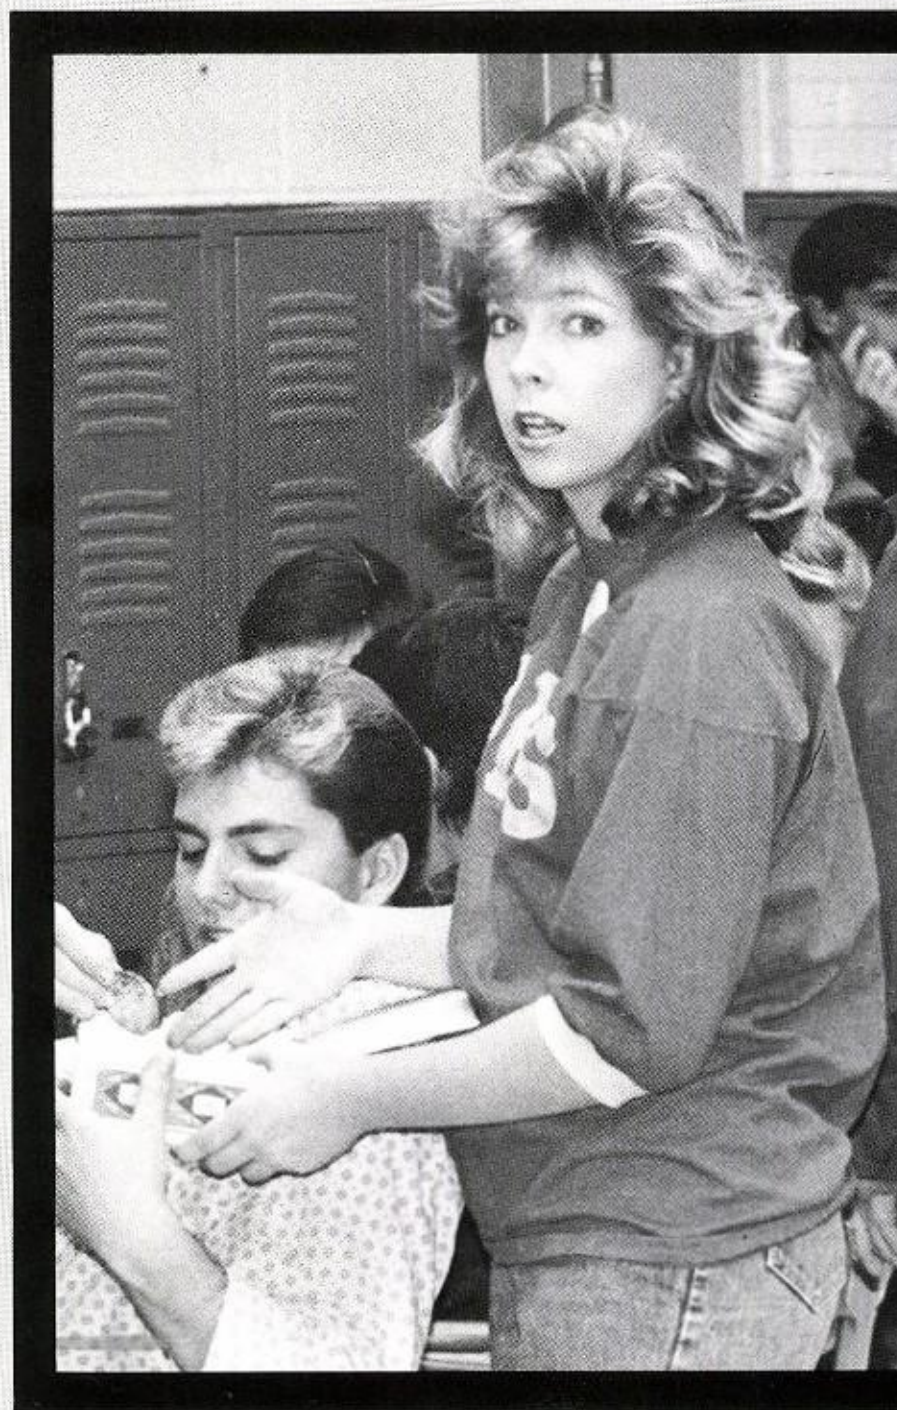

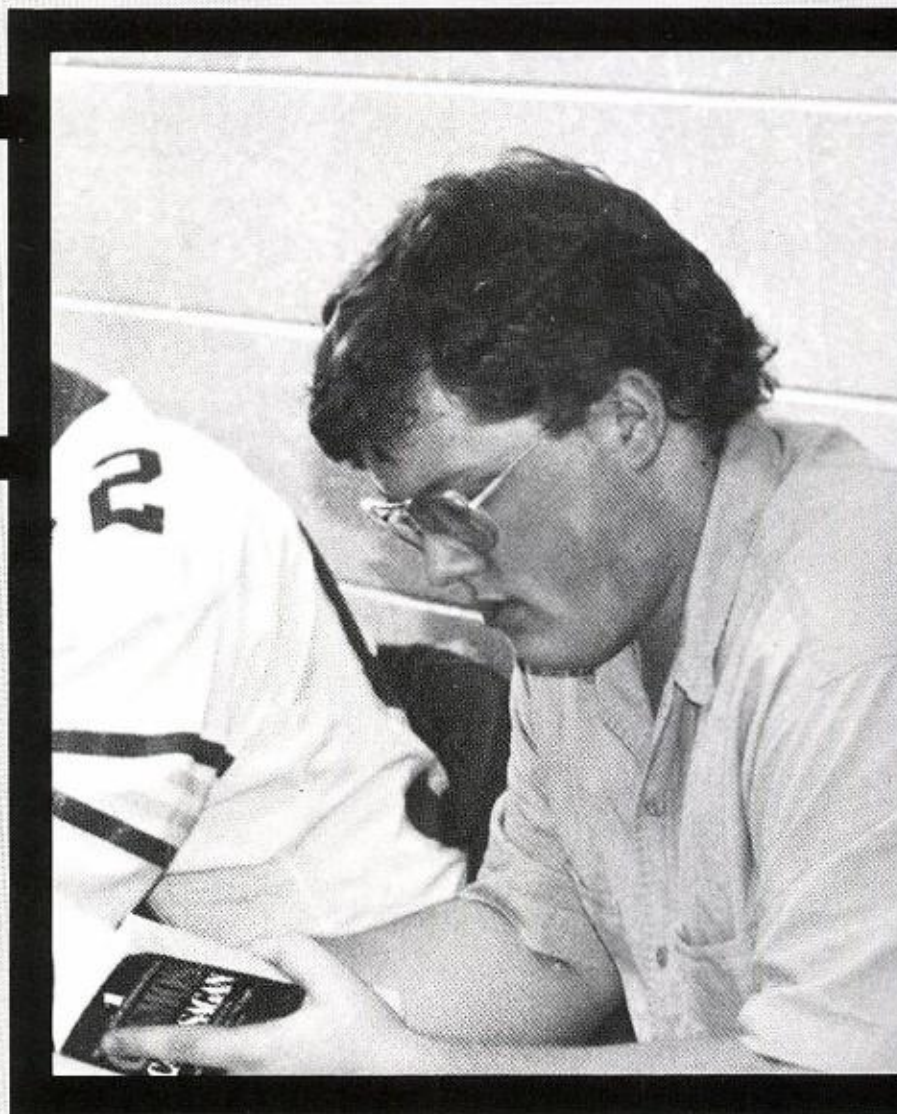

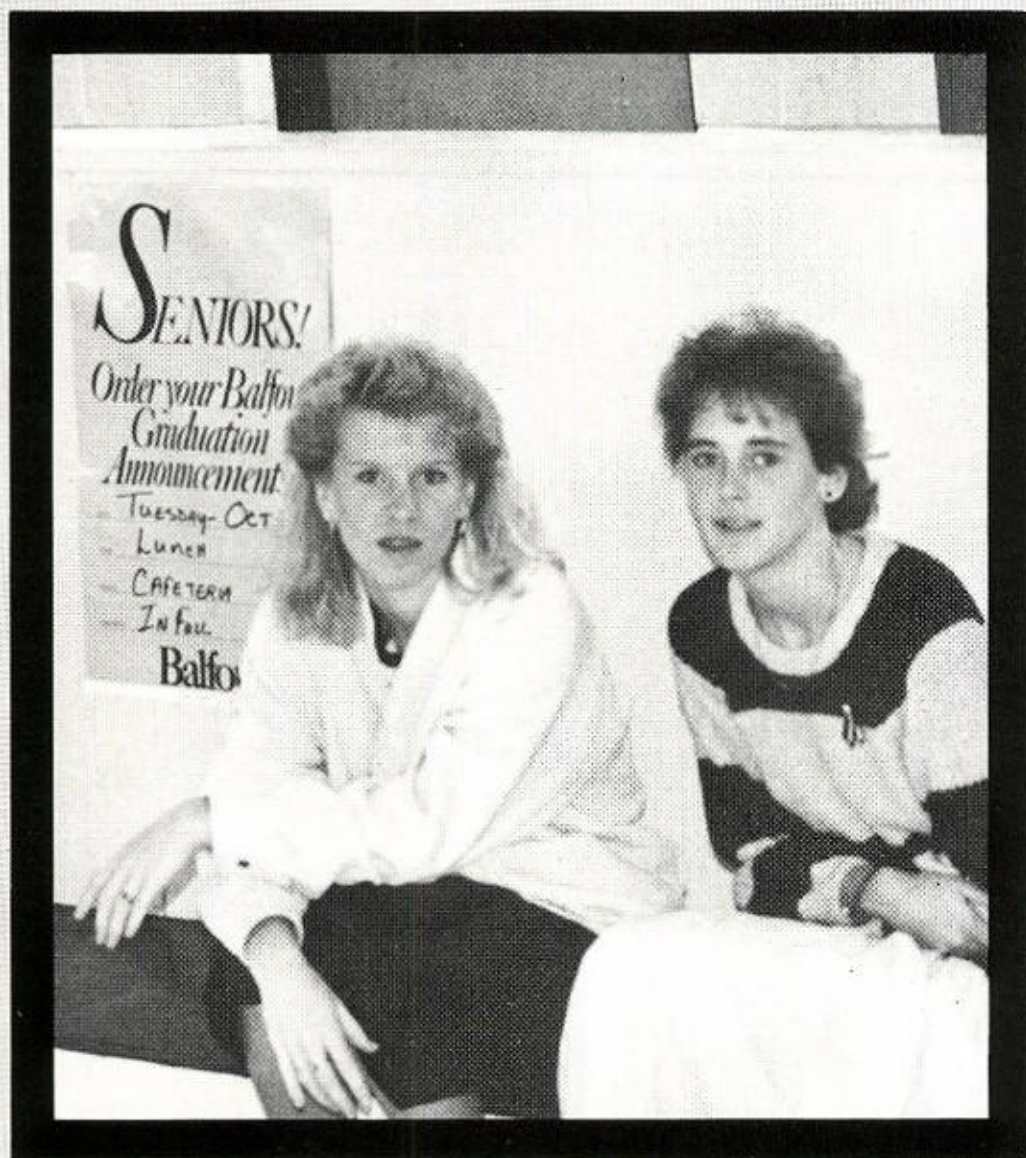

What is a Freshman? a high school student in the first year class; a beginner; a person just beginning to tackle the years of high school — new classes, new teachers, new surroundings and best of all new friends. It's just the beginning of an exciting new adventure that will shape the memories that last a lifetime.

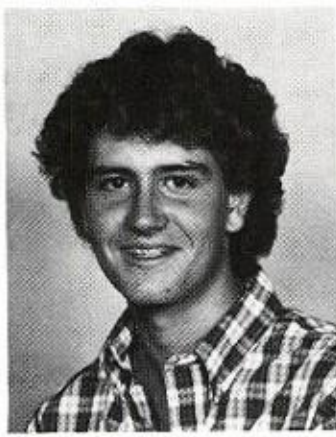

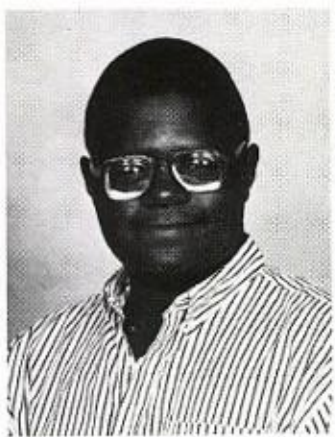

What is a Sophomore? a high school student in the second year class; a person in his second year of any endeavor ... facing another year not knowing what it will bring but knowing that your freshman year is behind you. Becoming more involved in the high school activities; shaping memories that will follow you in the years to come.

What is a Junior? any high school student in the third year class including youthful persons ... youthful in many ways ... full of life and spirit. Juniors have much experience from the past that will help them in their senior year. The juniors have the expectancy of what their last year in high school will bring ... what memories will follow.

Not now — people are looking!

What are you doing here?

What am I doing out of class?

We's friends!

You're really asking for it, Kevin!

You think we can escape from this place!

Believe me, it's not what you think!

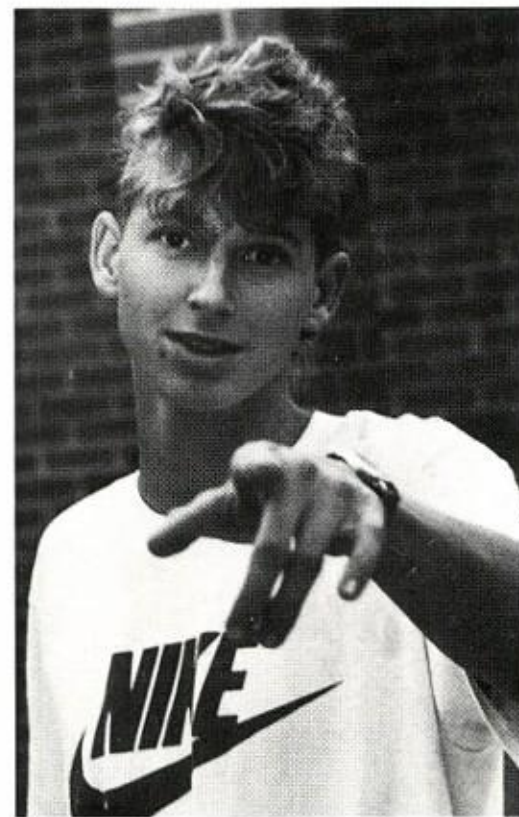

Please let me out!

Krista says, "Can you believe this group?"

Garbage Pail Kids??

We want YOU!!!

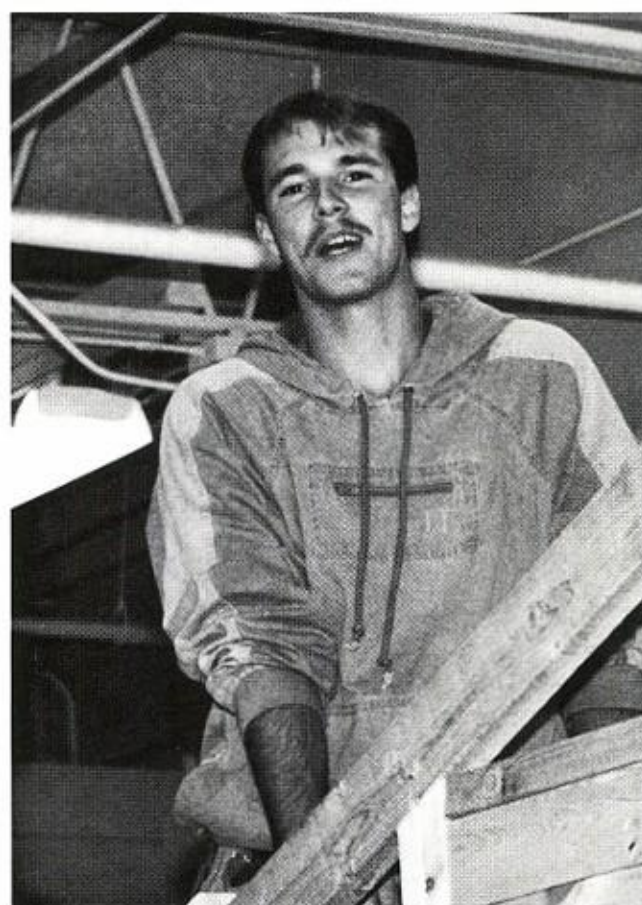

Really, you can't go in there!

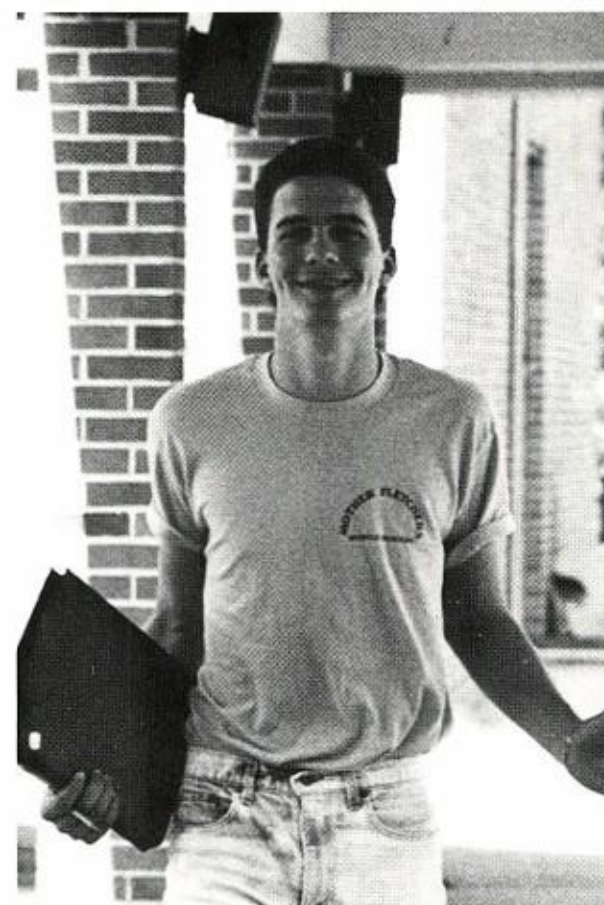

Music makes the moment.

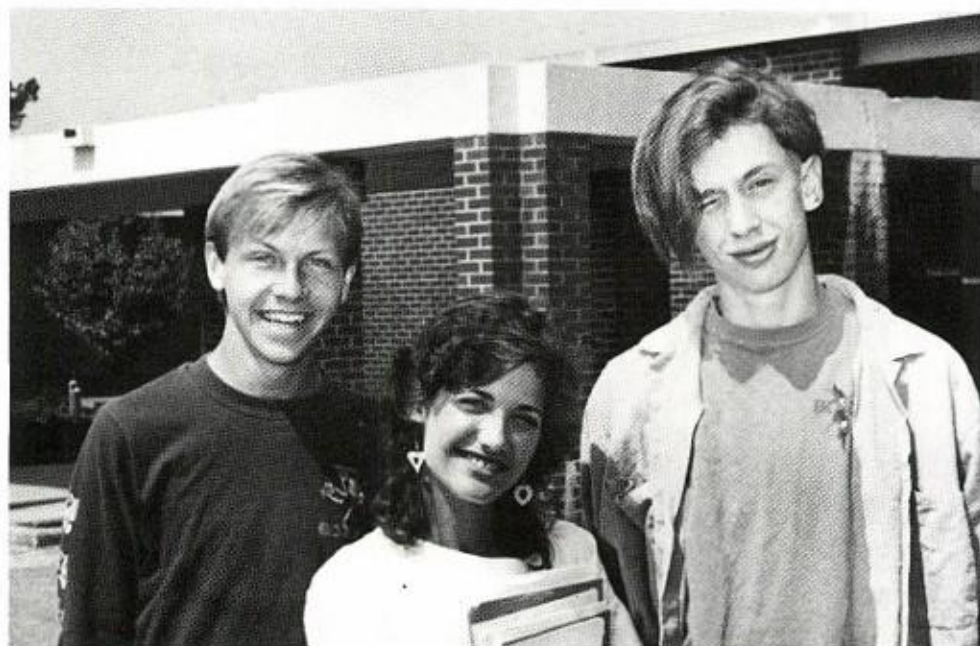

Tisha, you're such a brute!

This is mine, I built it, and it's mine.

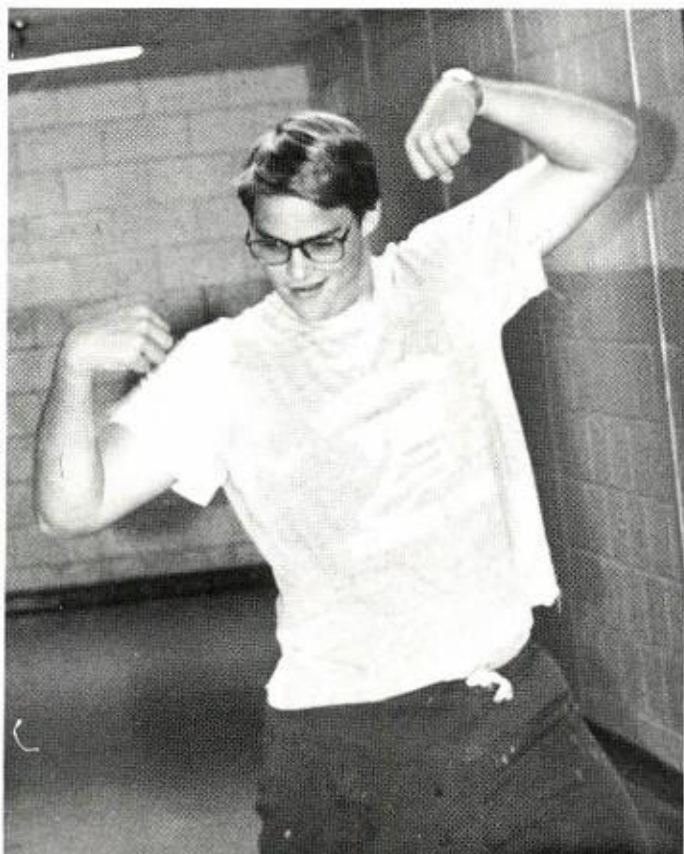

Okay, I'm here! Now what?

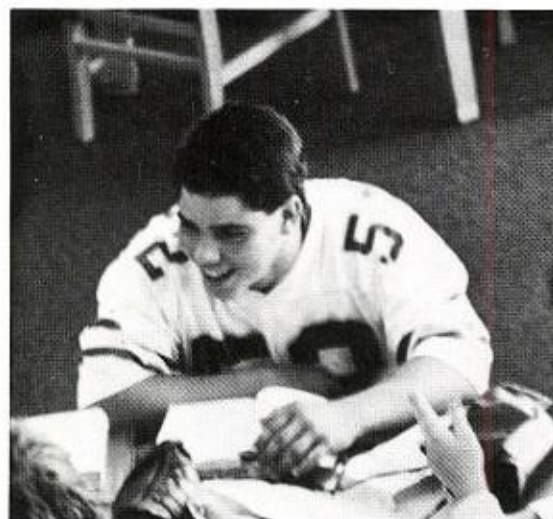

Is the sun really that bright?

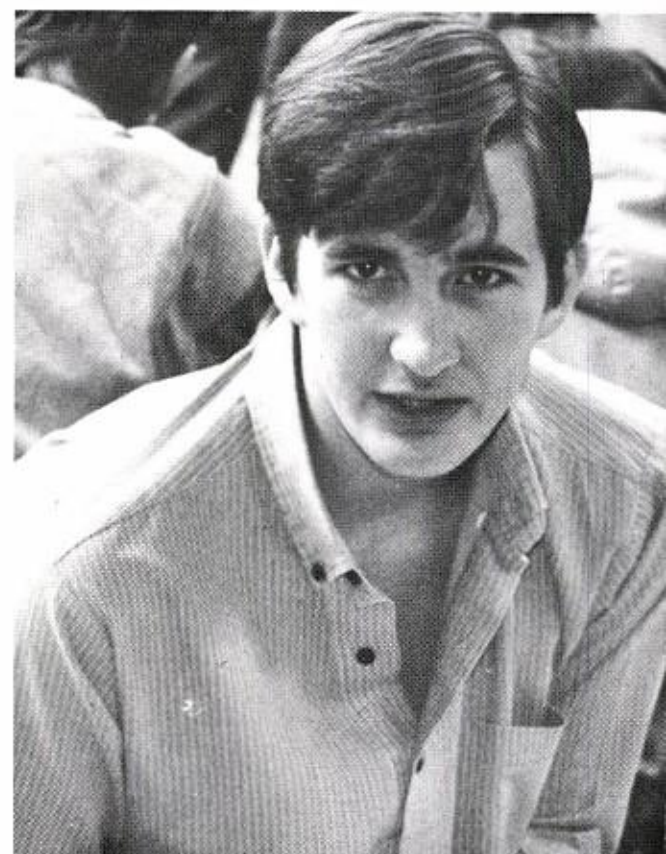

They don't usually act like this.

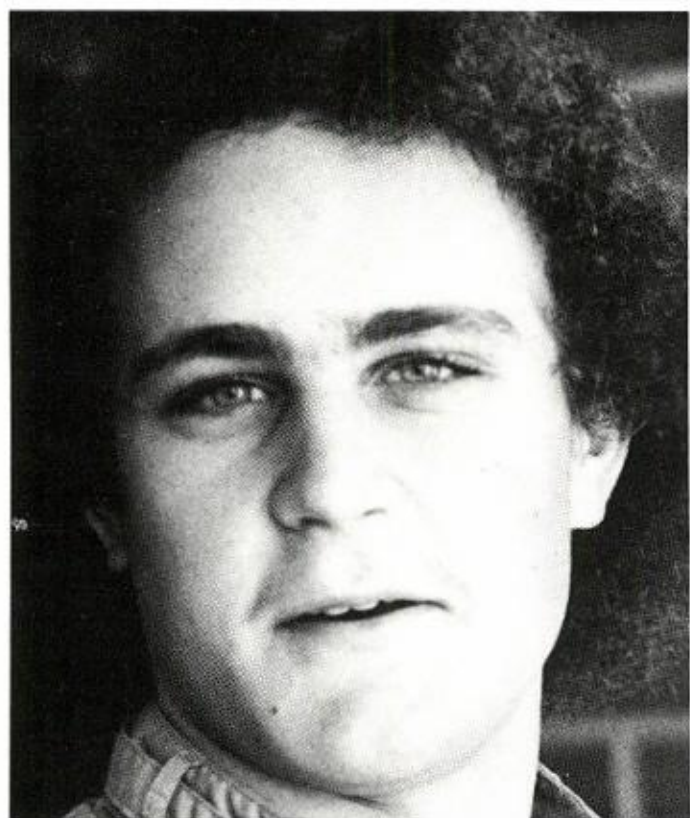

Watch out Superman!

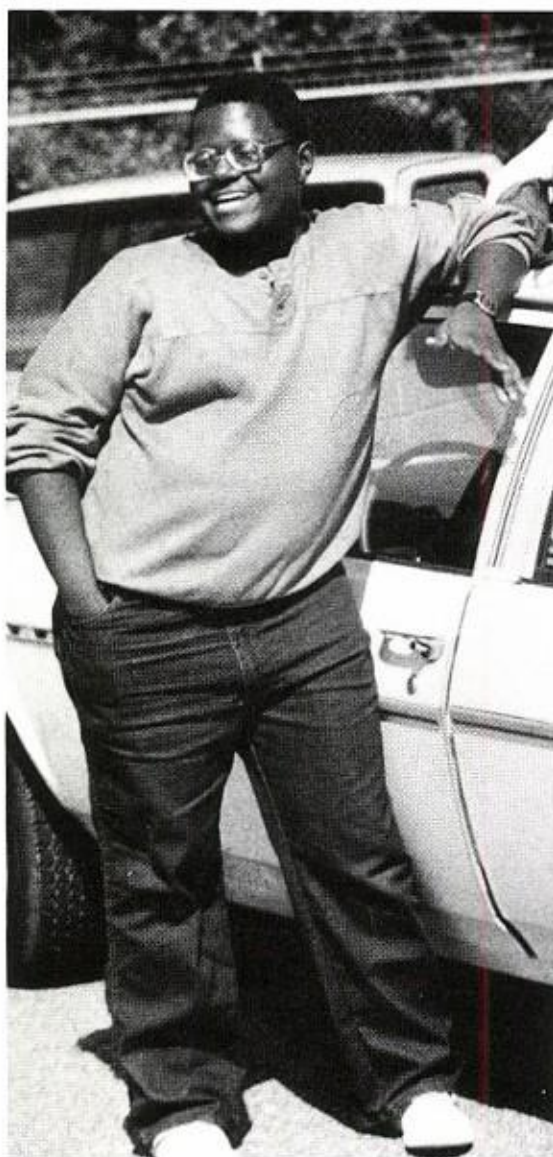

Guess what?

It's been one of those days.

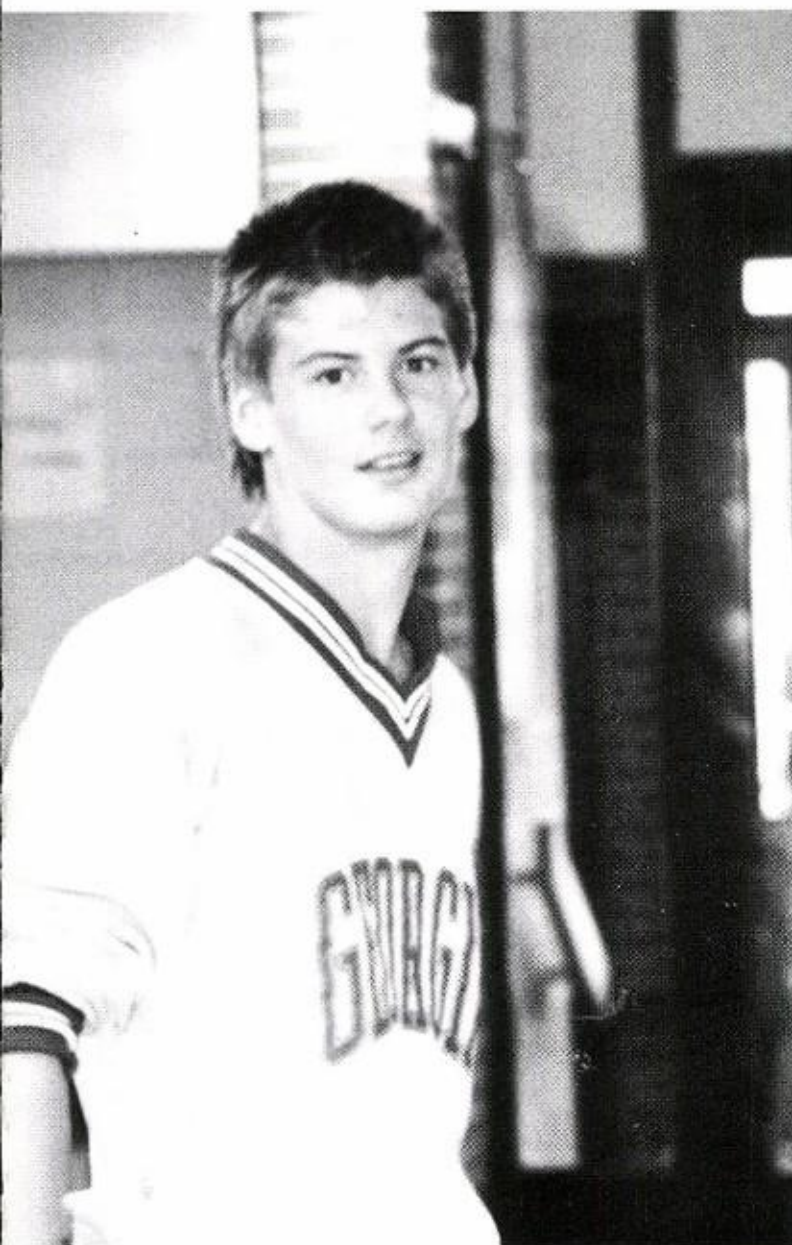

You wouldn't!

At least it's mine!

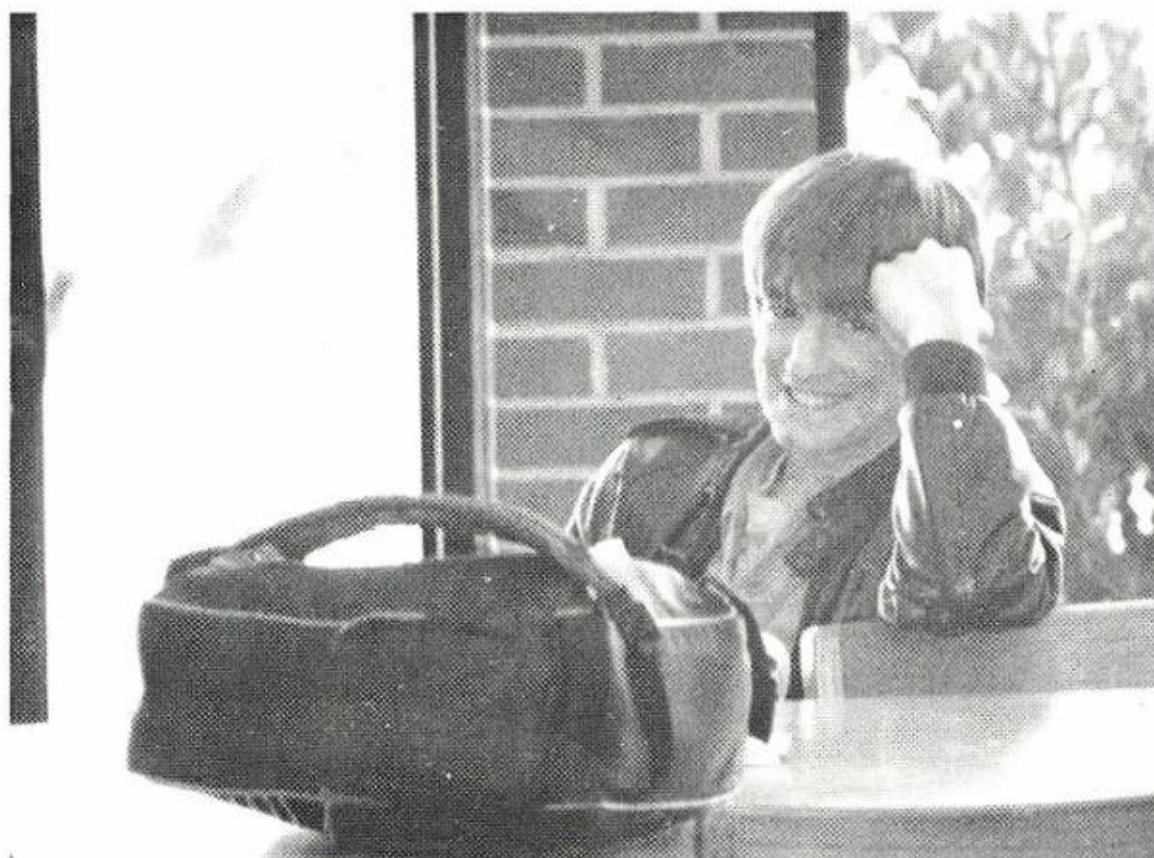

Look, Tonya! I see Dorothy!

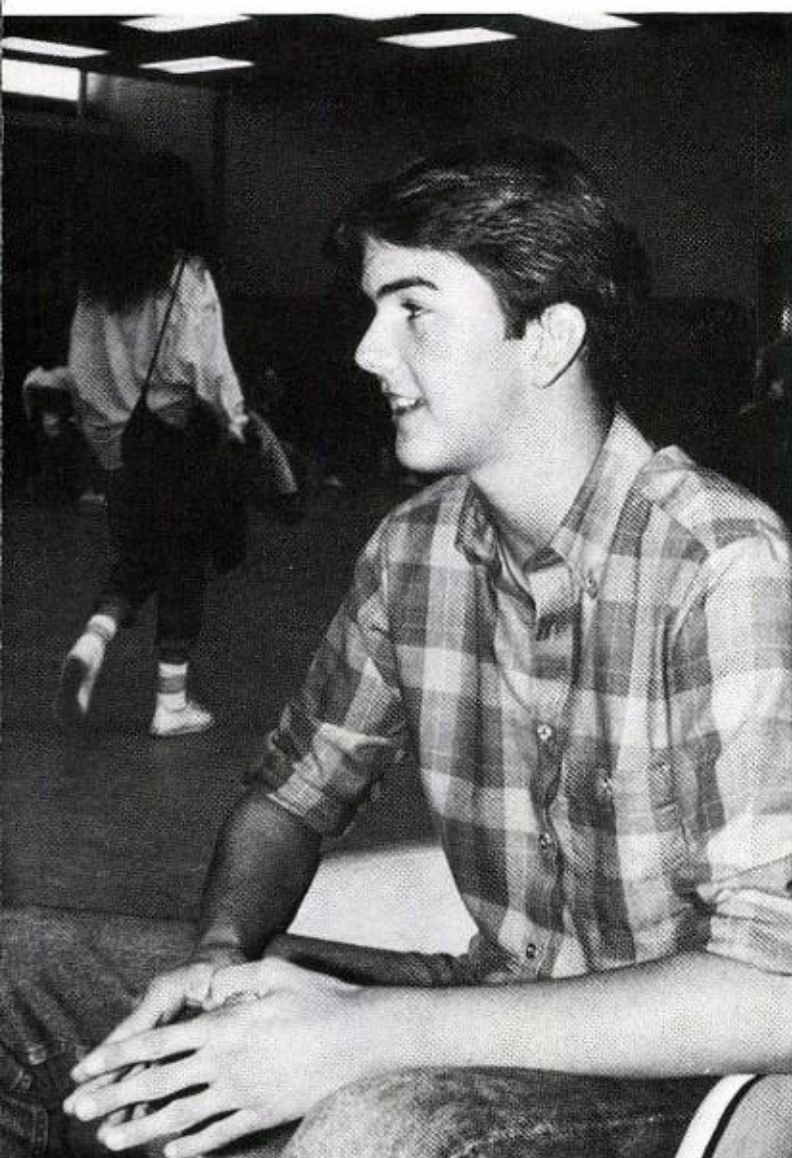

Oh, it's just you!

This class is hilarious!

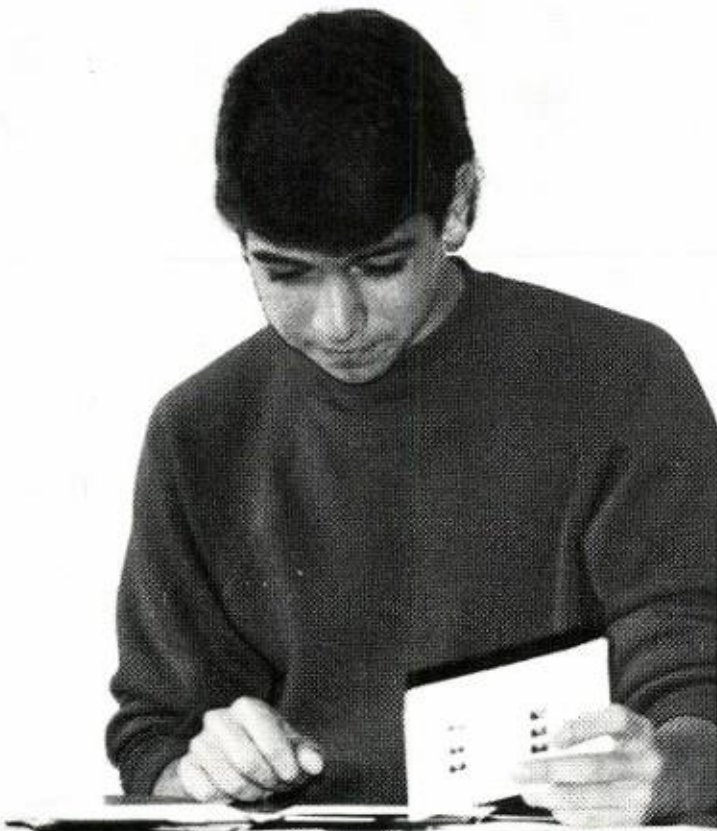

I really am studying!

You're crazy!

Poor Ms. Mansberger!

Where, oh where, has my computer disk gone?

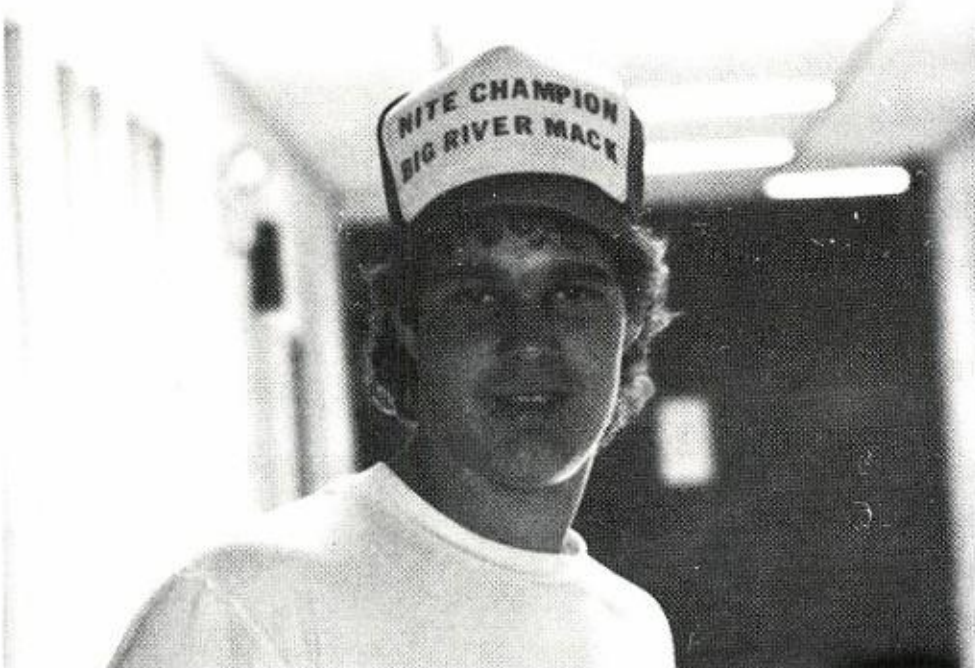

Get away from me with that camera!

Hi, Tisha! It's candid camera!

Take our picture!

It's Mr. Macho!

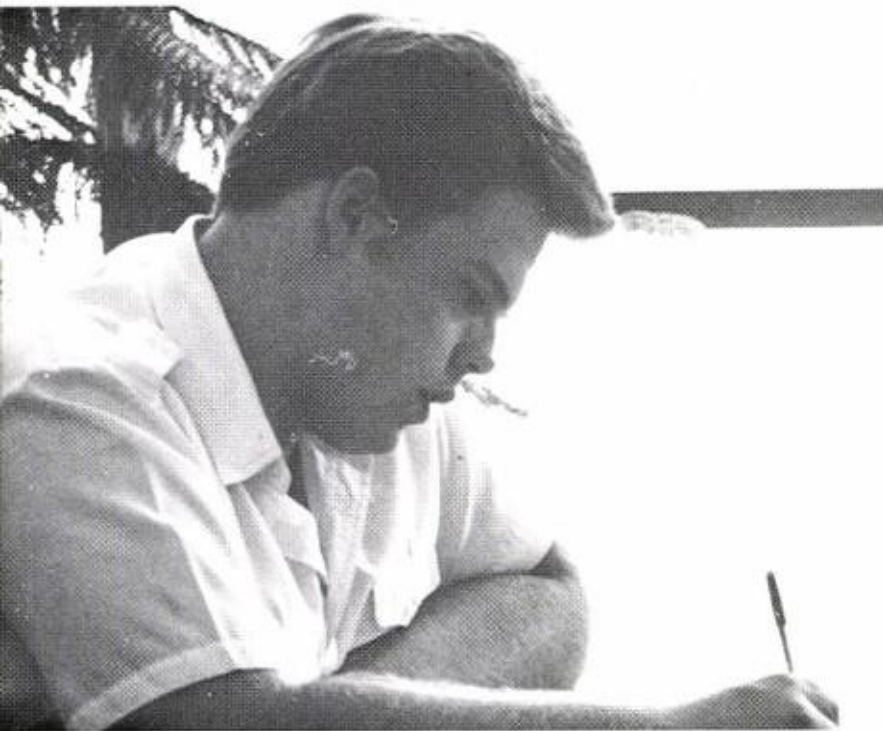

Leigh, look at the camera!

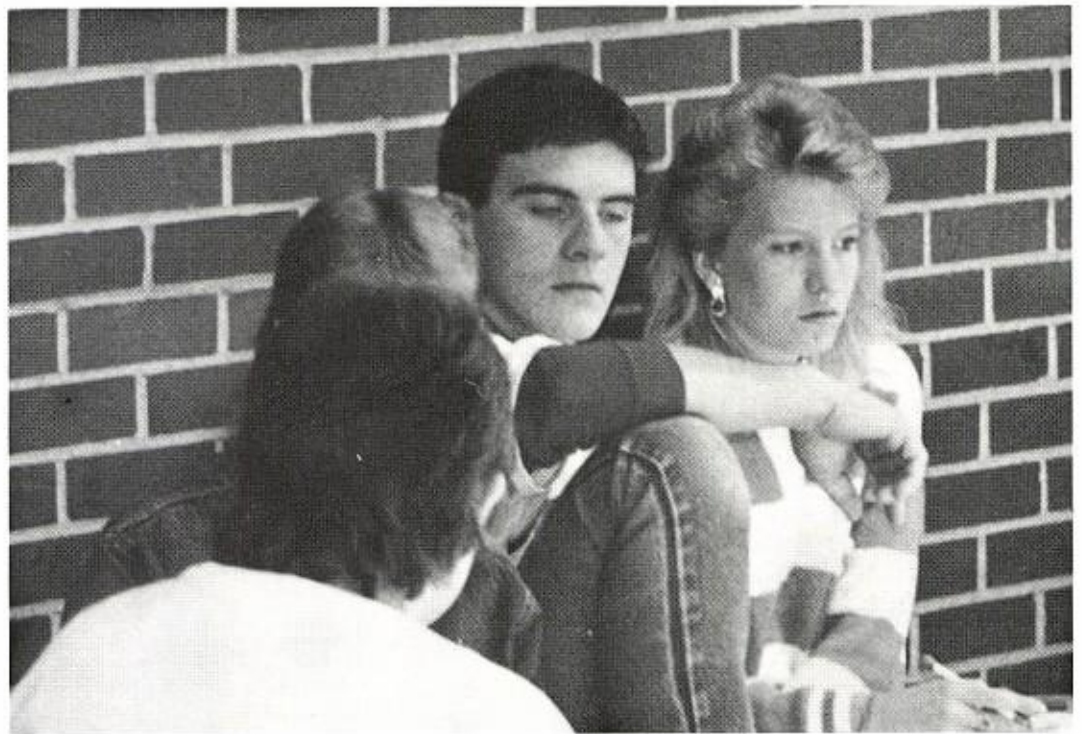

I'm slowly losing my mind . . .

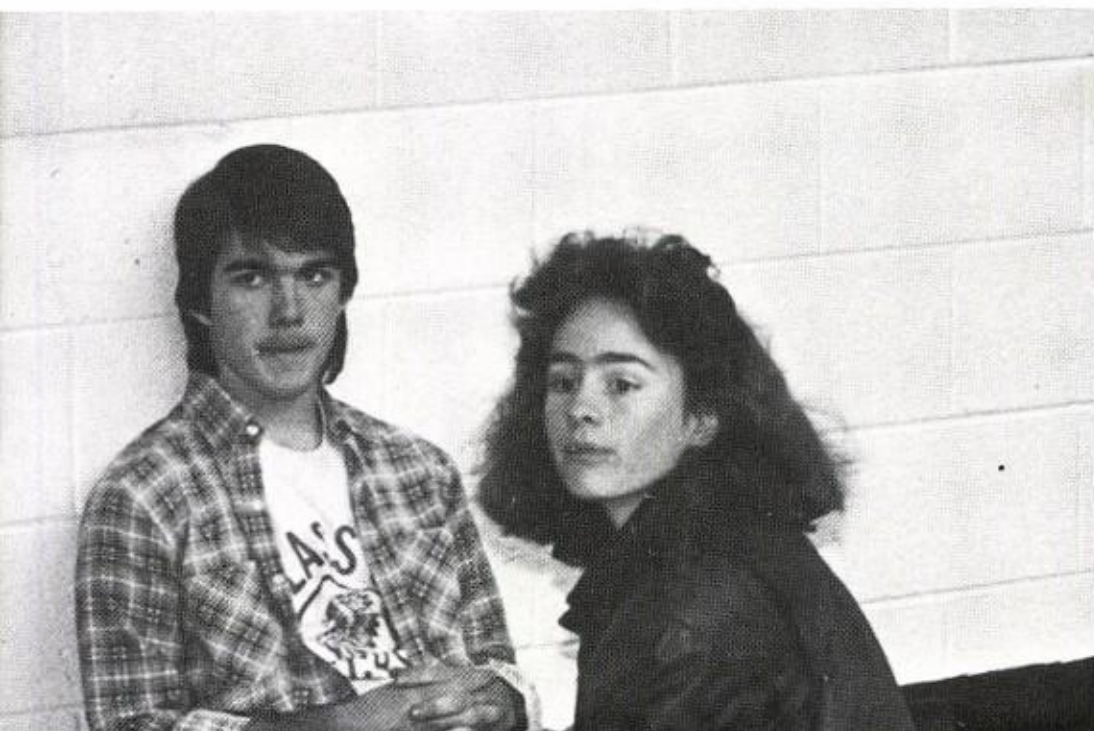

Friends always!

Steve's actually doing his homework!

We are SO bored!

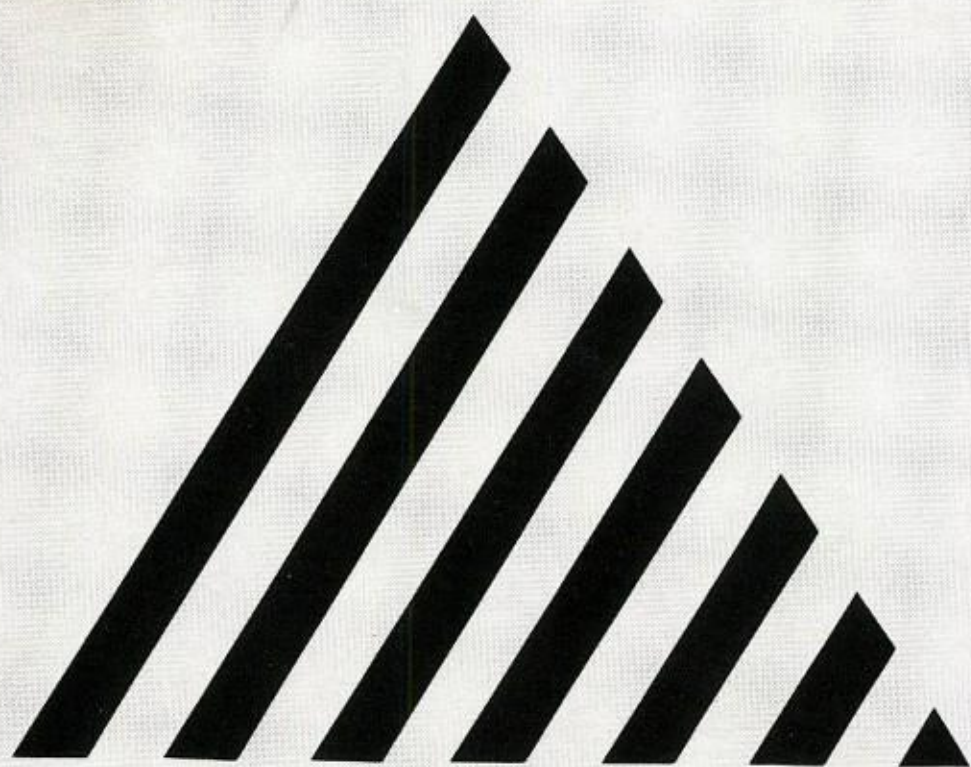

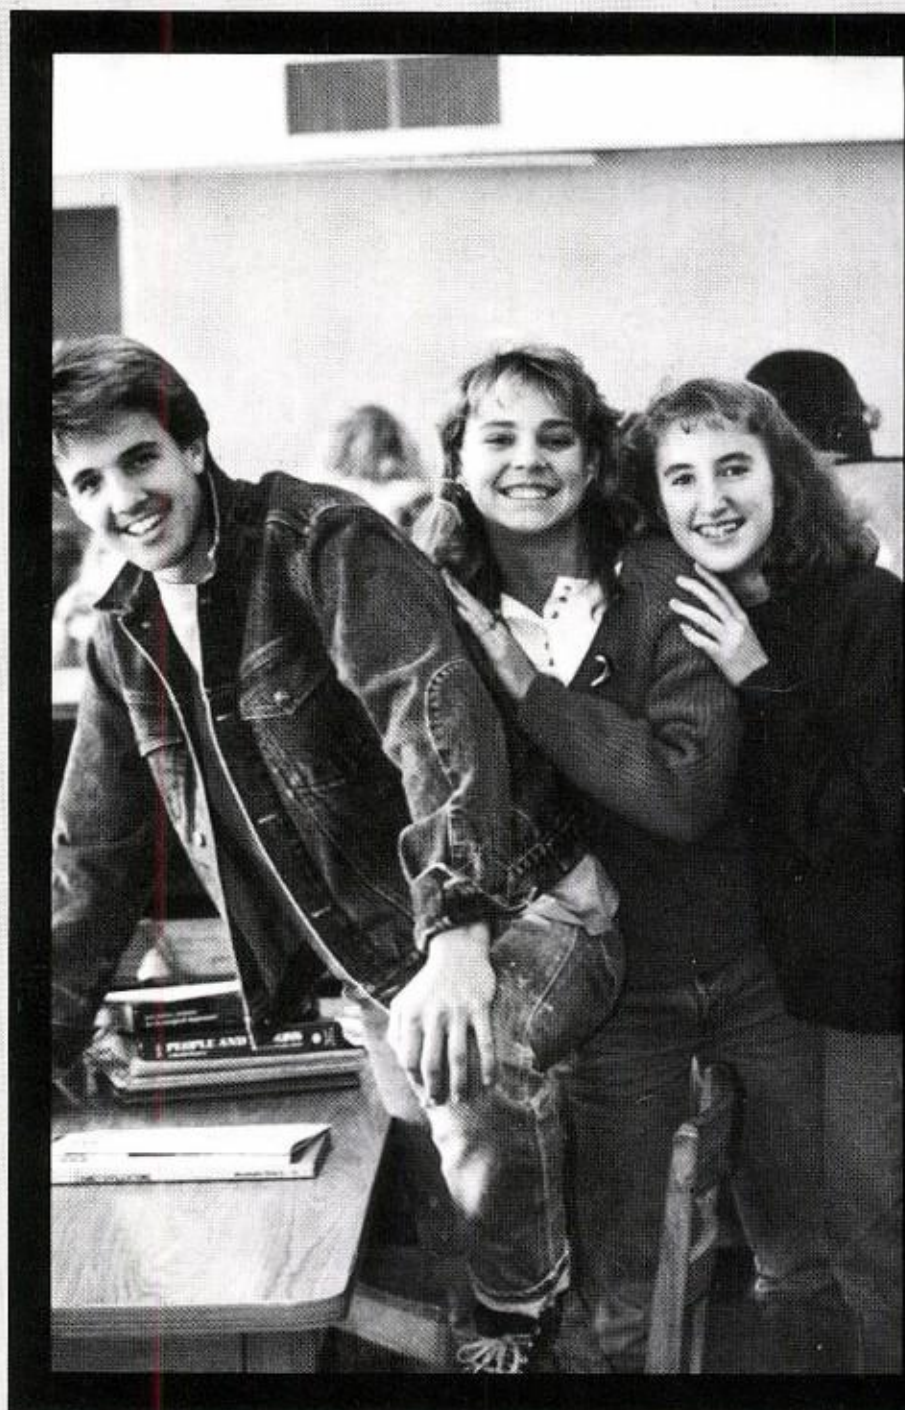

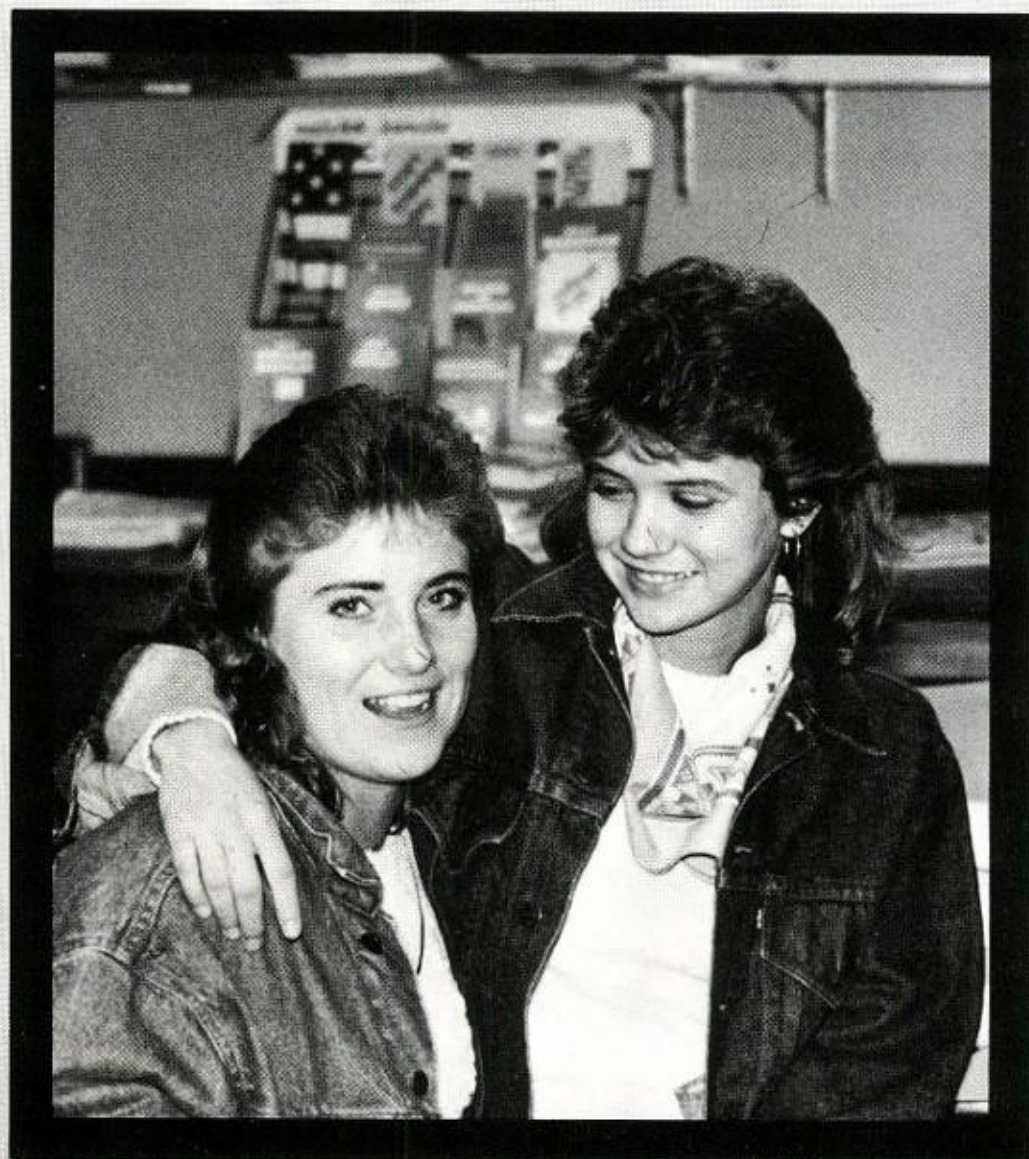

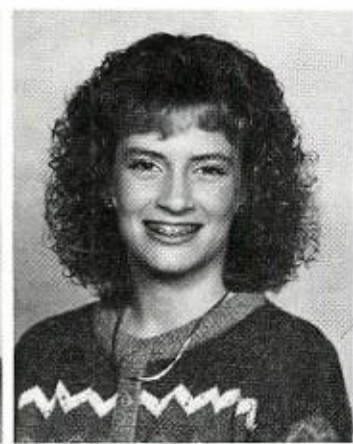

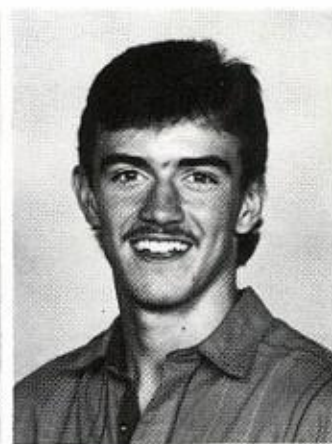

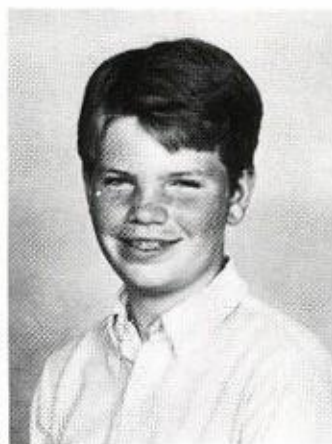

What's so interesting?

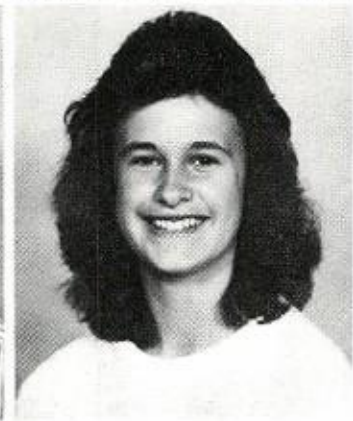

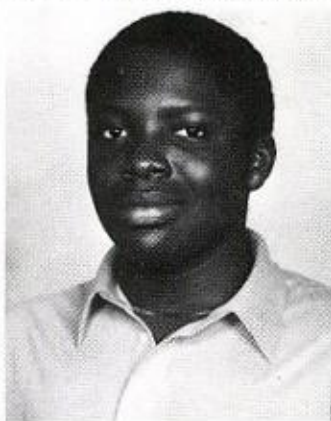

I wonder . . . is he looking at me?

Here we go again.

Annie, don't turn away now, you've got to eat this.

Why don't you go ahead and go in.

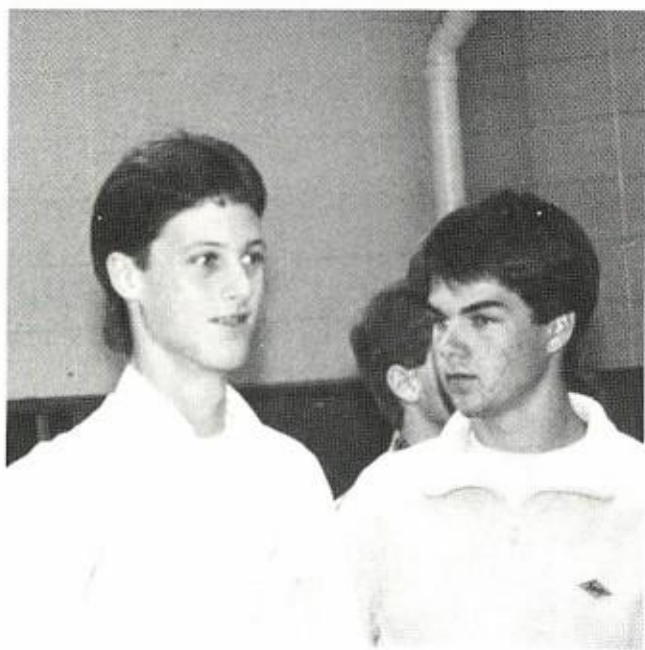

I'm not really a brute, I just act like one.

Yeah? What do you want?

Michele, I don't want to hear it.

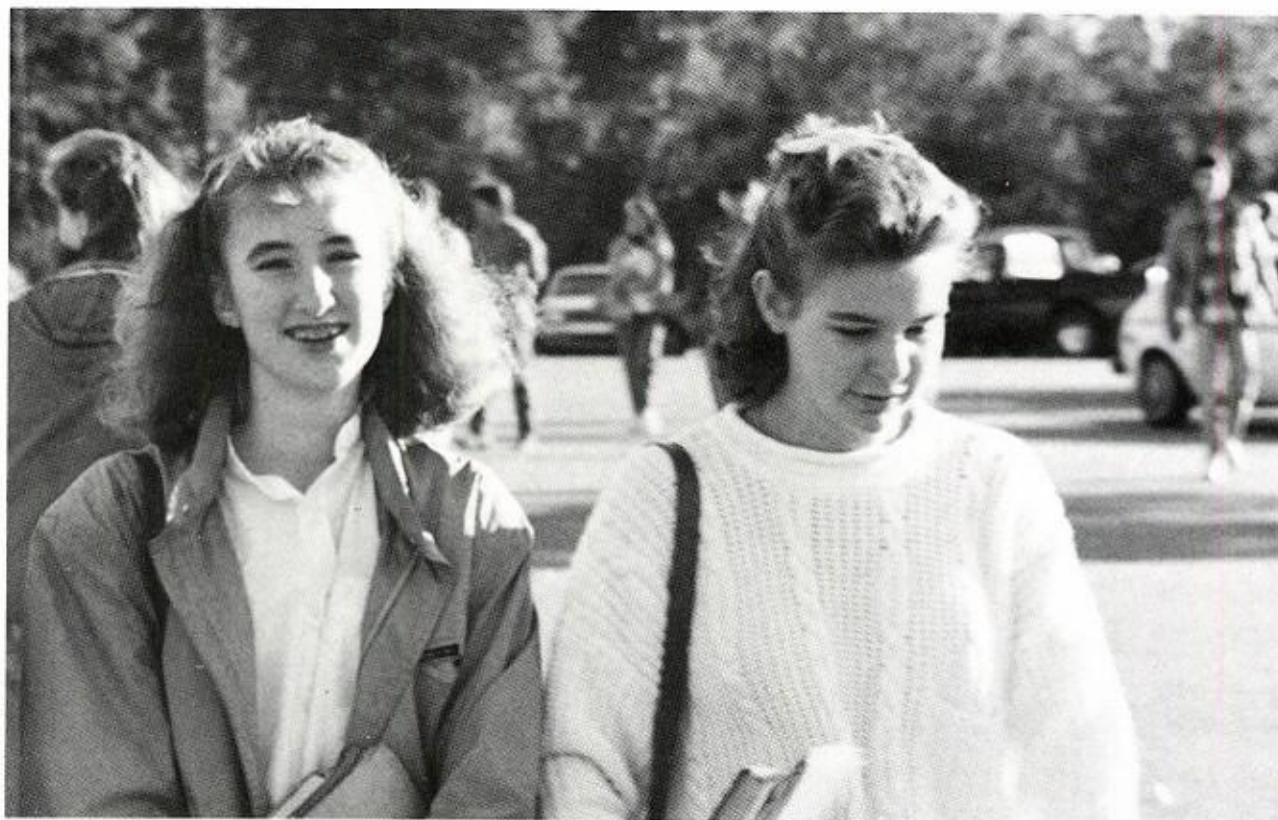

Troy, look at her . . .

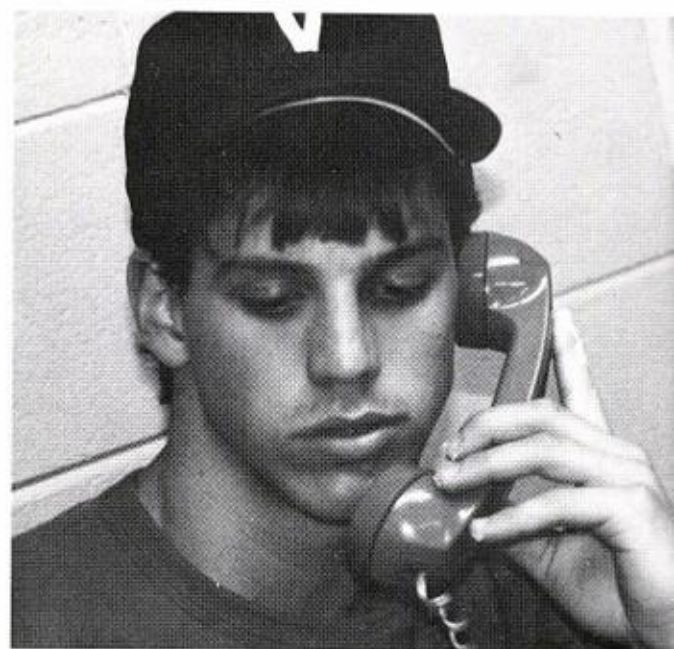

I'm my own man.

This place is getting on my nerves.

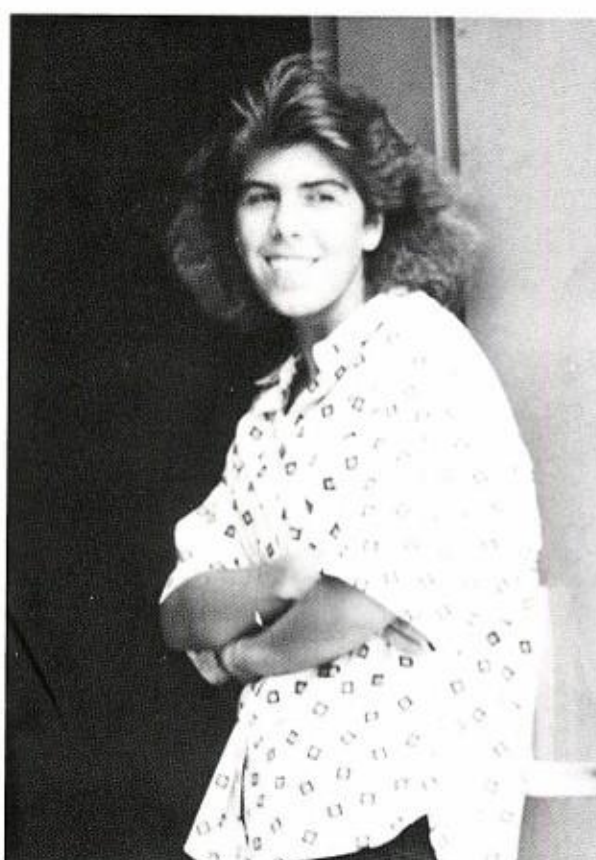

Y'all might as well take it one day at a time.

"Mom, do I have to?"

Cheer up Deana!

Thank goodness this day is almost over!!!

It's still lil' ole Kelly.

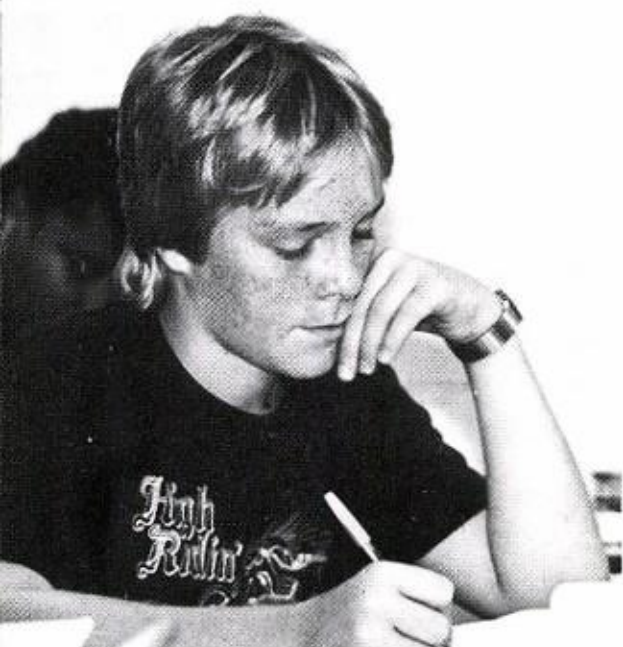

Watch out y'all, here I come.

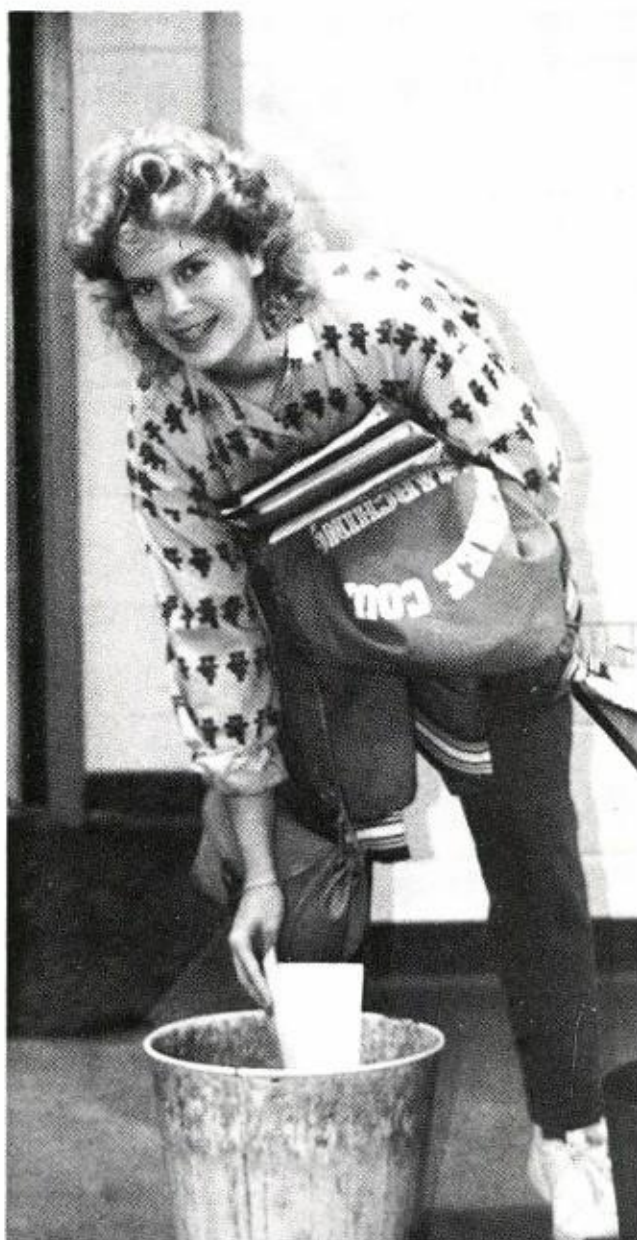

Partying is a way of life.

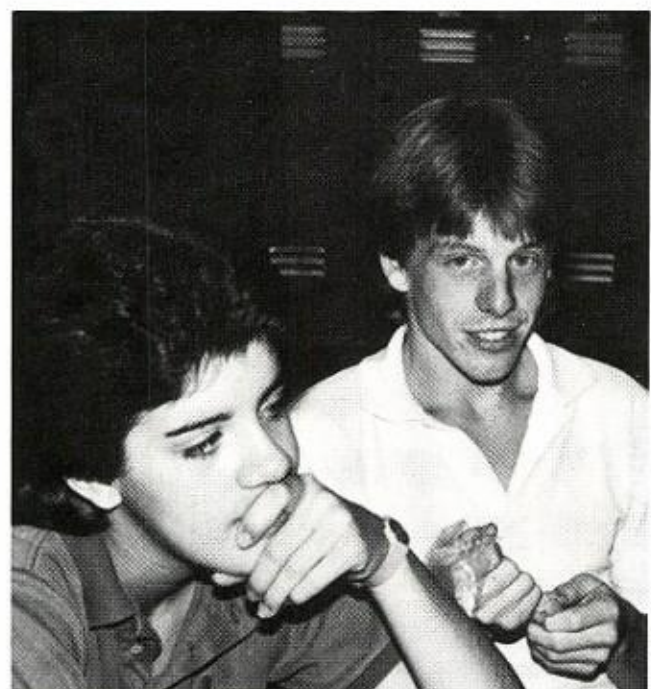

All right, who did it?

That's the way to fake it Robbie.

No, I'm not throwing away a test paper.

Some people are so ignorant.

Don't mess with me bud . . .

Don't you dare take my picture again.

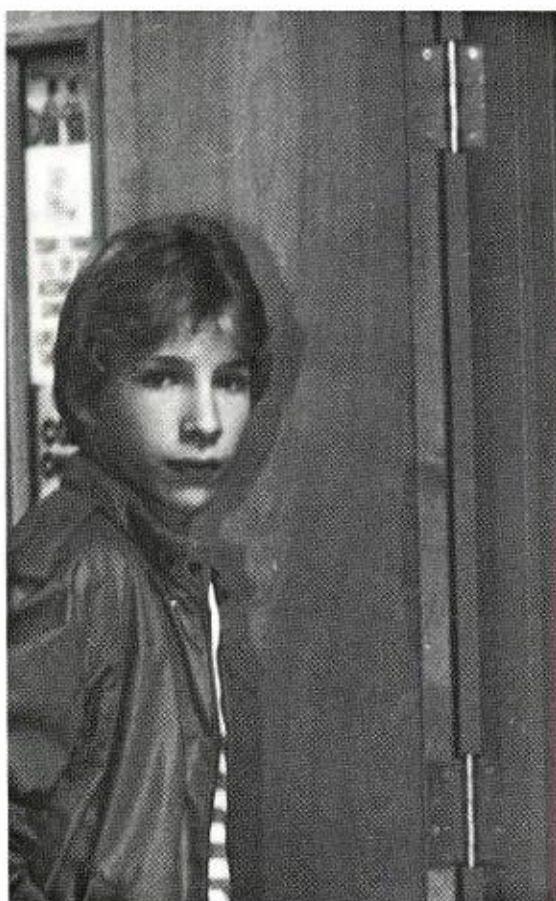

This is what I think of this class.

Does school make you this happy?

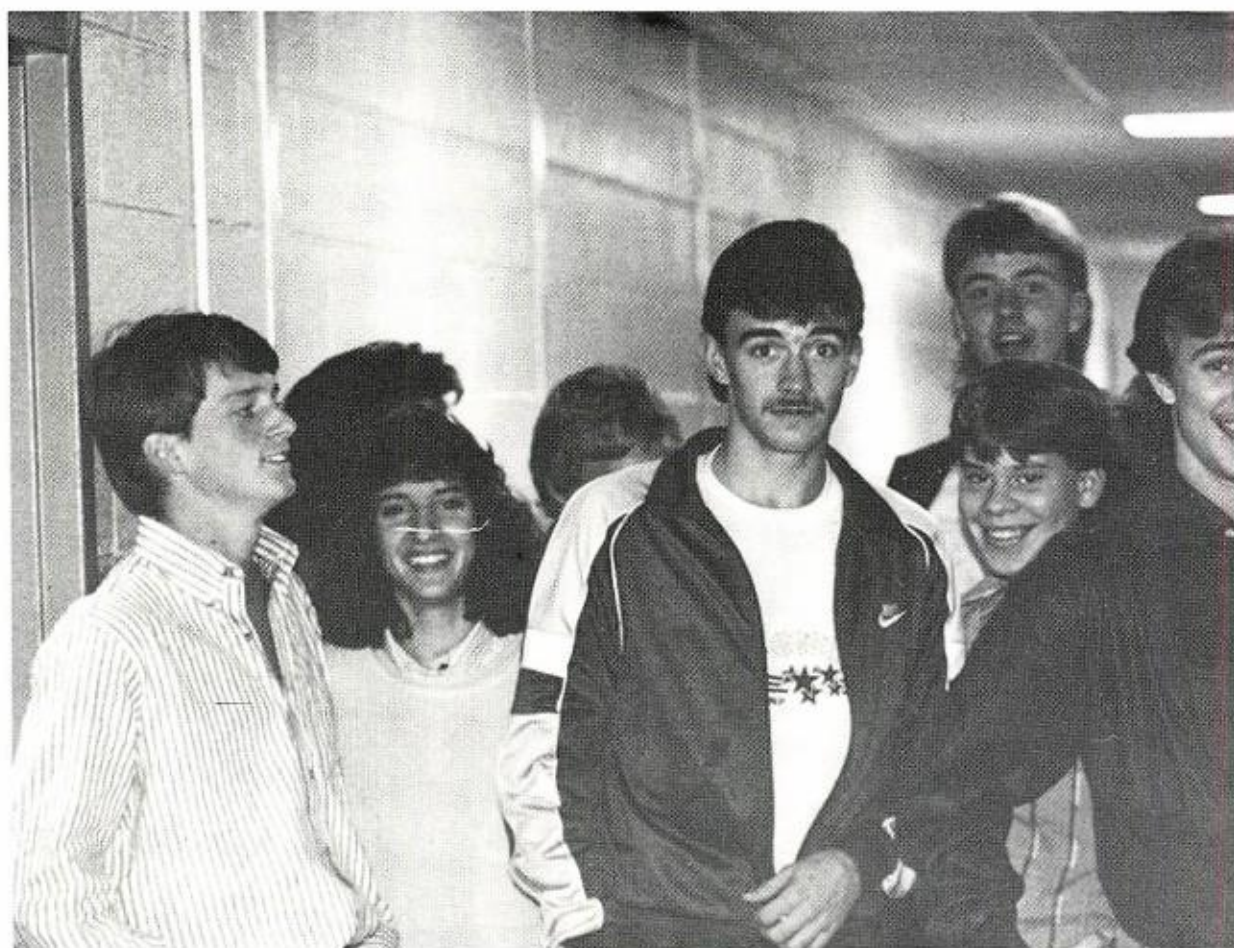

Jay, you'd better not be in trouble again.

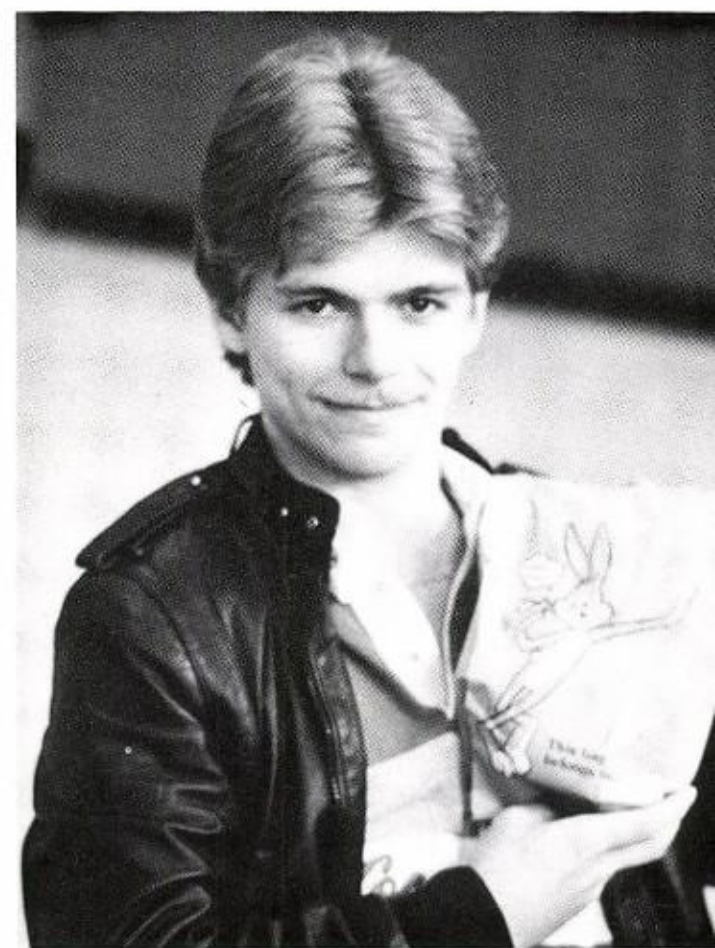

Yes, we love to pose.

What are y'all lookin' at?

Gee whiz — What is wrong with these people?

Eh — What's up Doc?

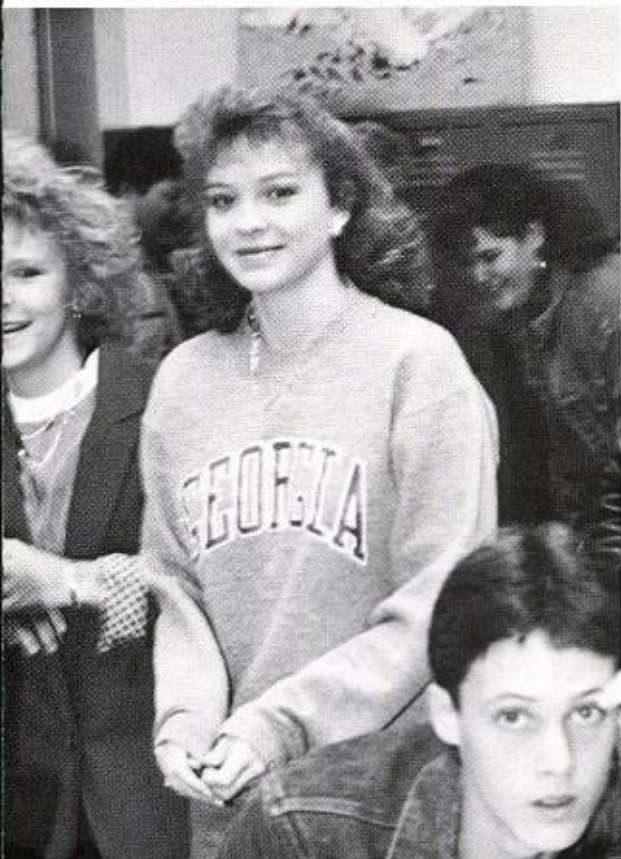

Now this is my friend.

Everybody has to look at their fingers sometimes.

Is the work really that bad?

Wendy, is it that cold?

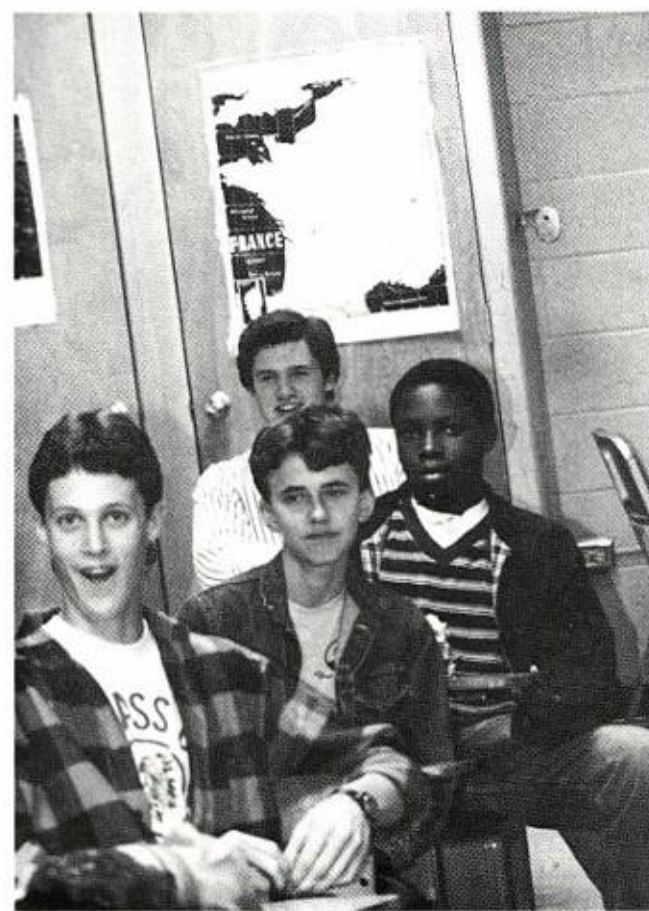

Hey teach! I have a question.

Dazed and confused, that's my life.

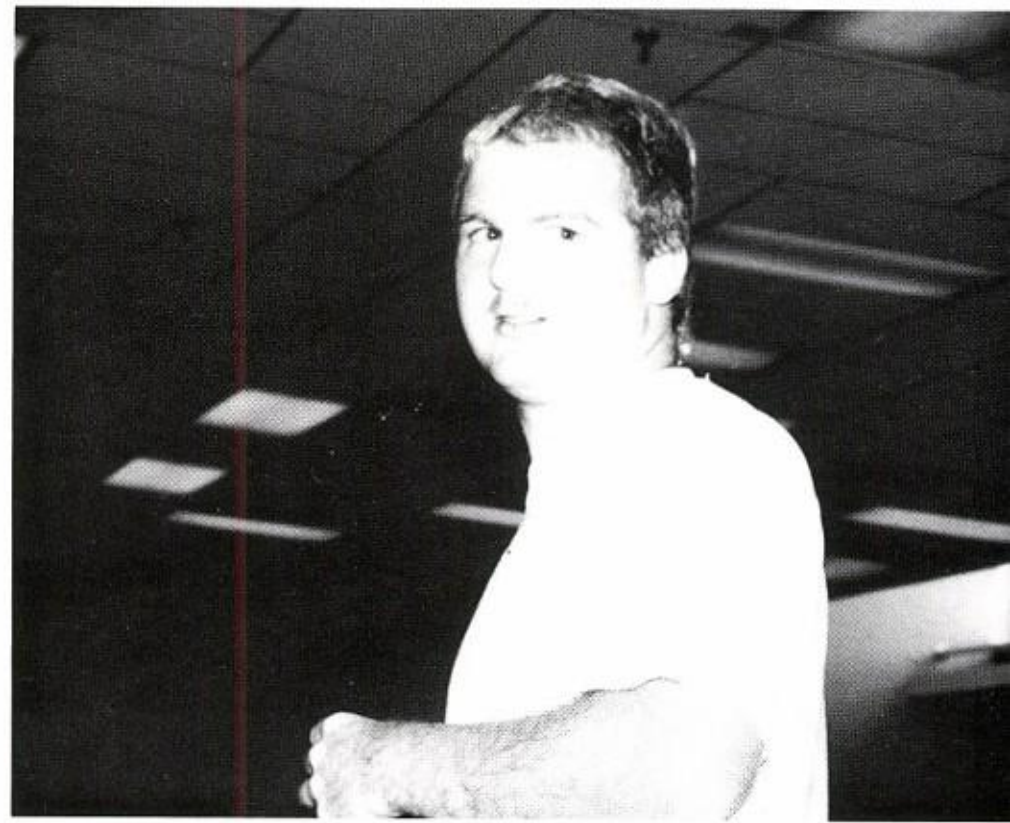

Would you please leave me alone?!

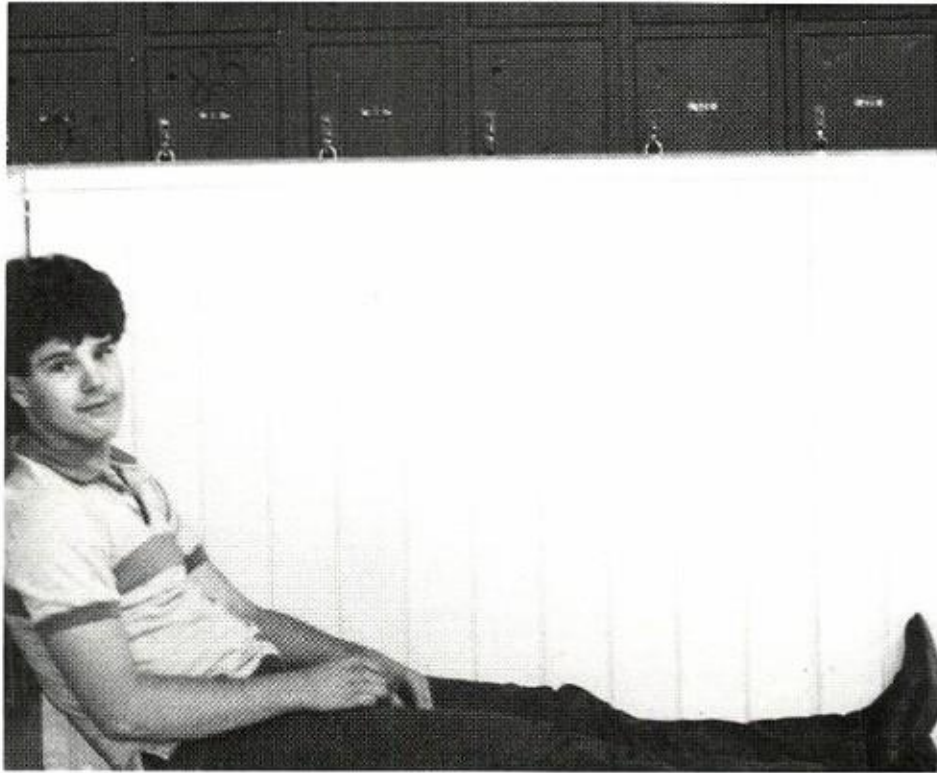

... But I wasn't talking!

Please, don't yell!

I'm really going to class this time.

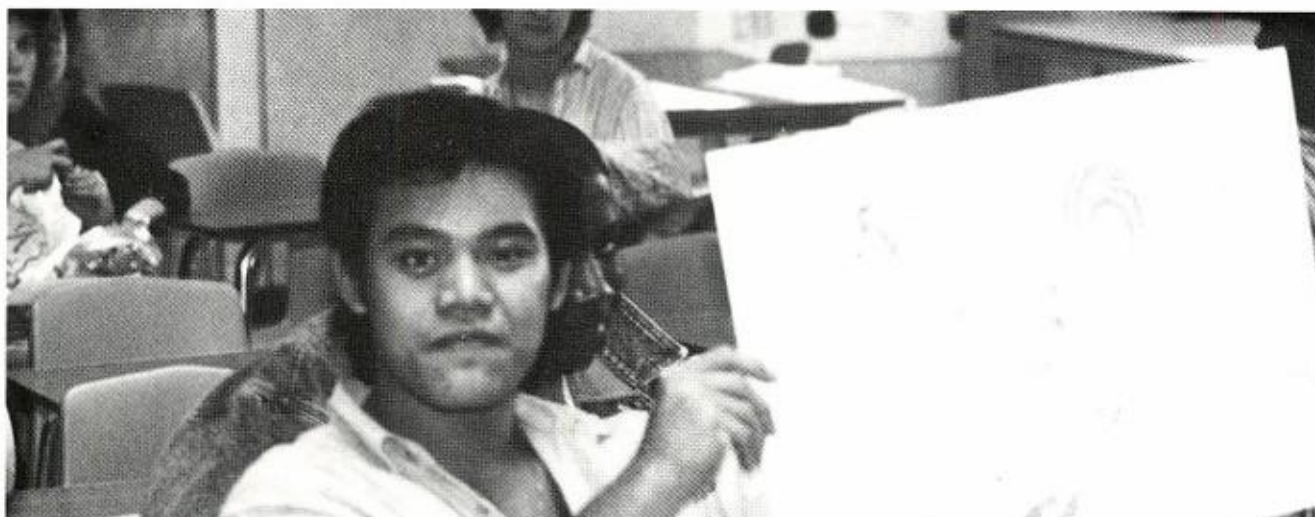

Nap time didn't end in preschool for me.

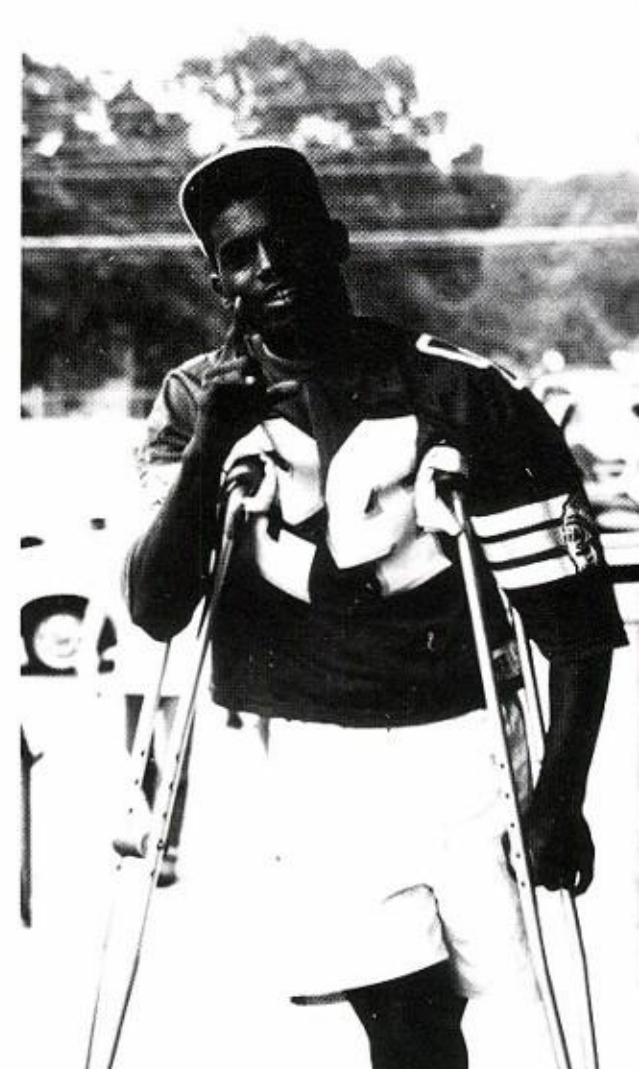

Laurie Ann, have you heard?

Go ahead and take my picture.

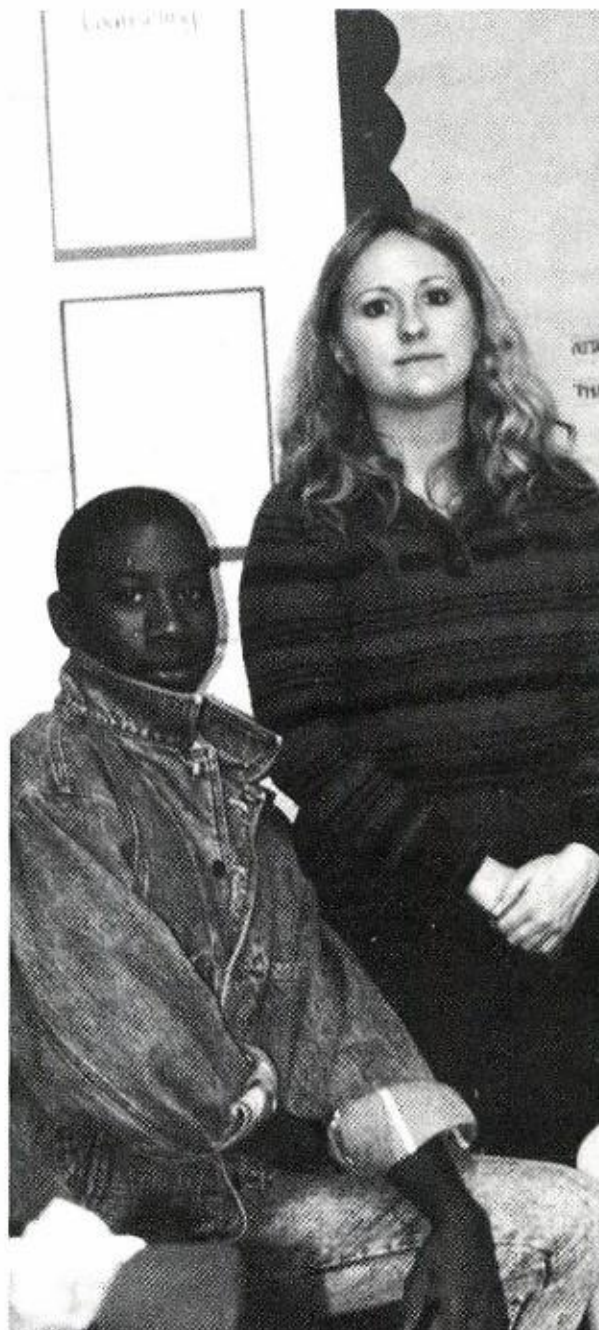

Look, I did it all by myself.

No da, I thought the crutches were just for show

Friends are friends forever.

Sometimes teachers say the weirdest things?

$1 + 1 = 2 ?$

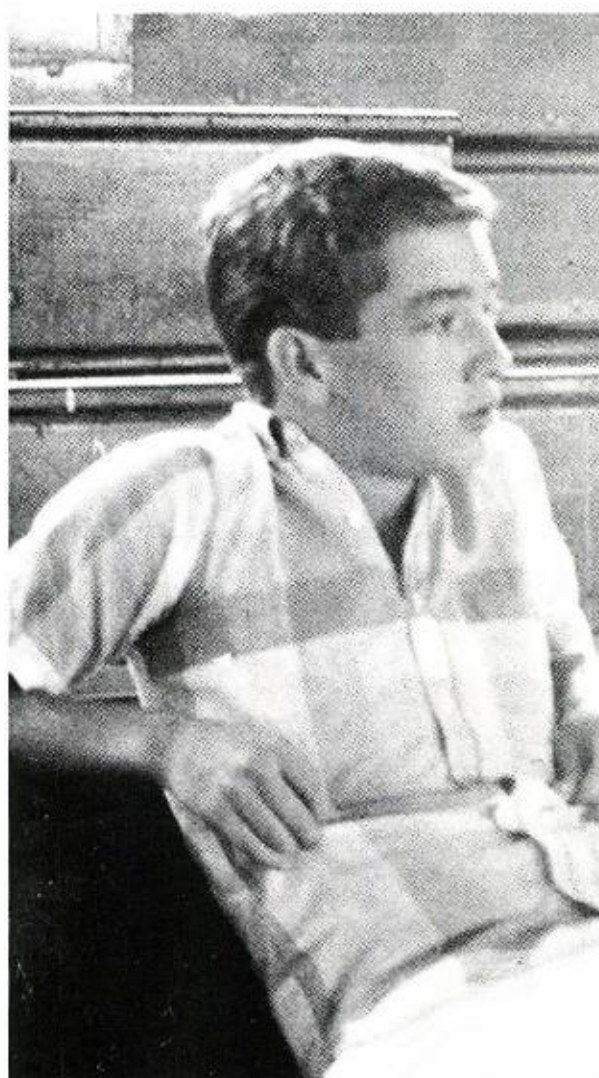

Are you for real?

STOP! Don't Shoot! I Surrender!

Thrown out of class once again, David?

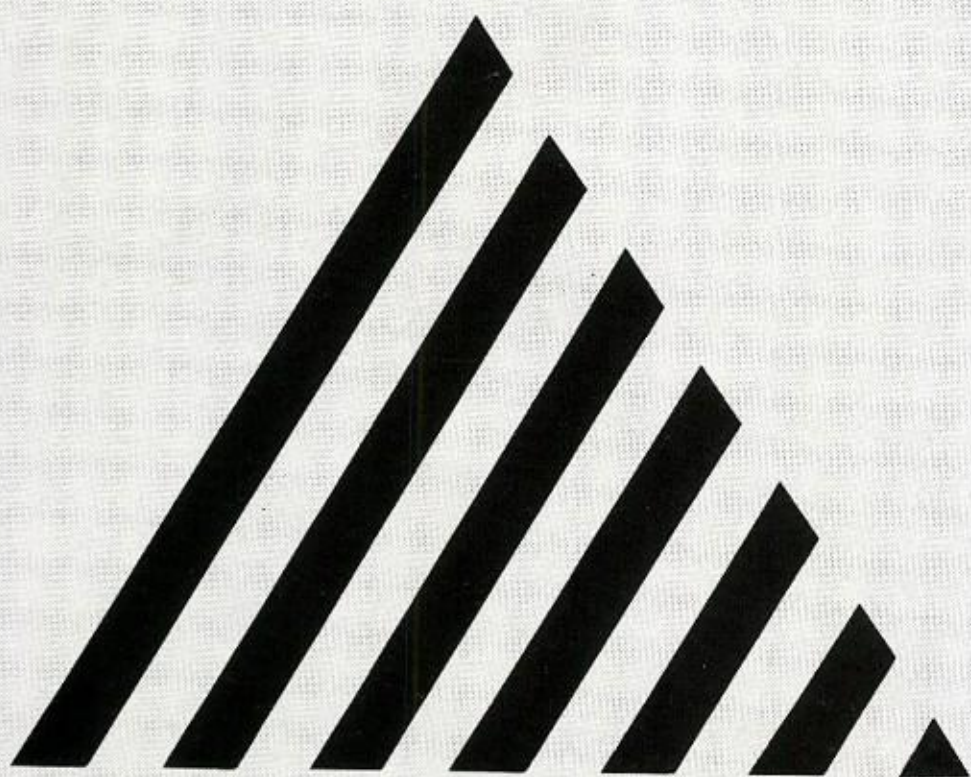

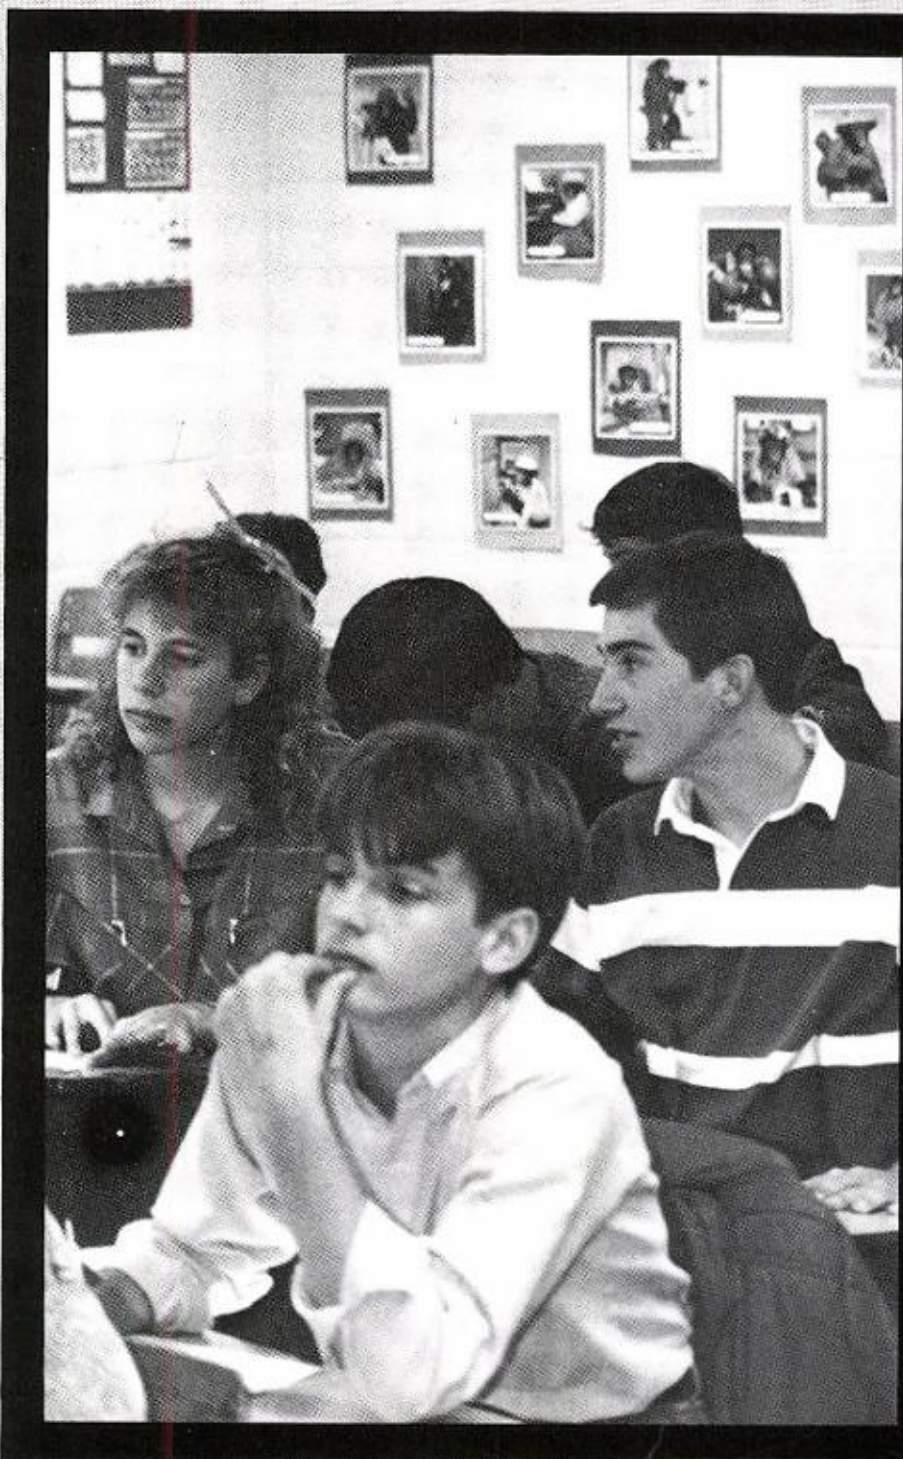

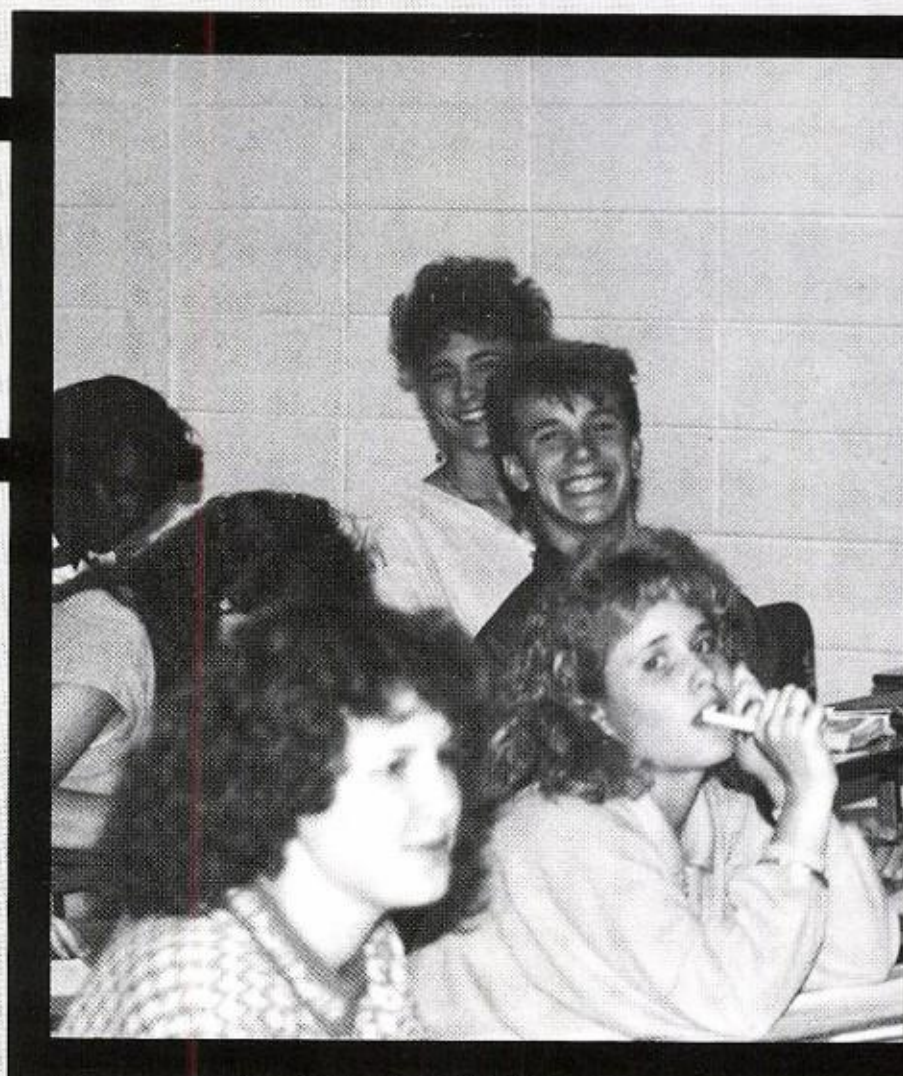

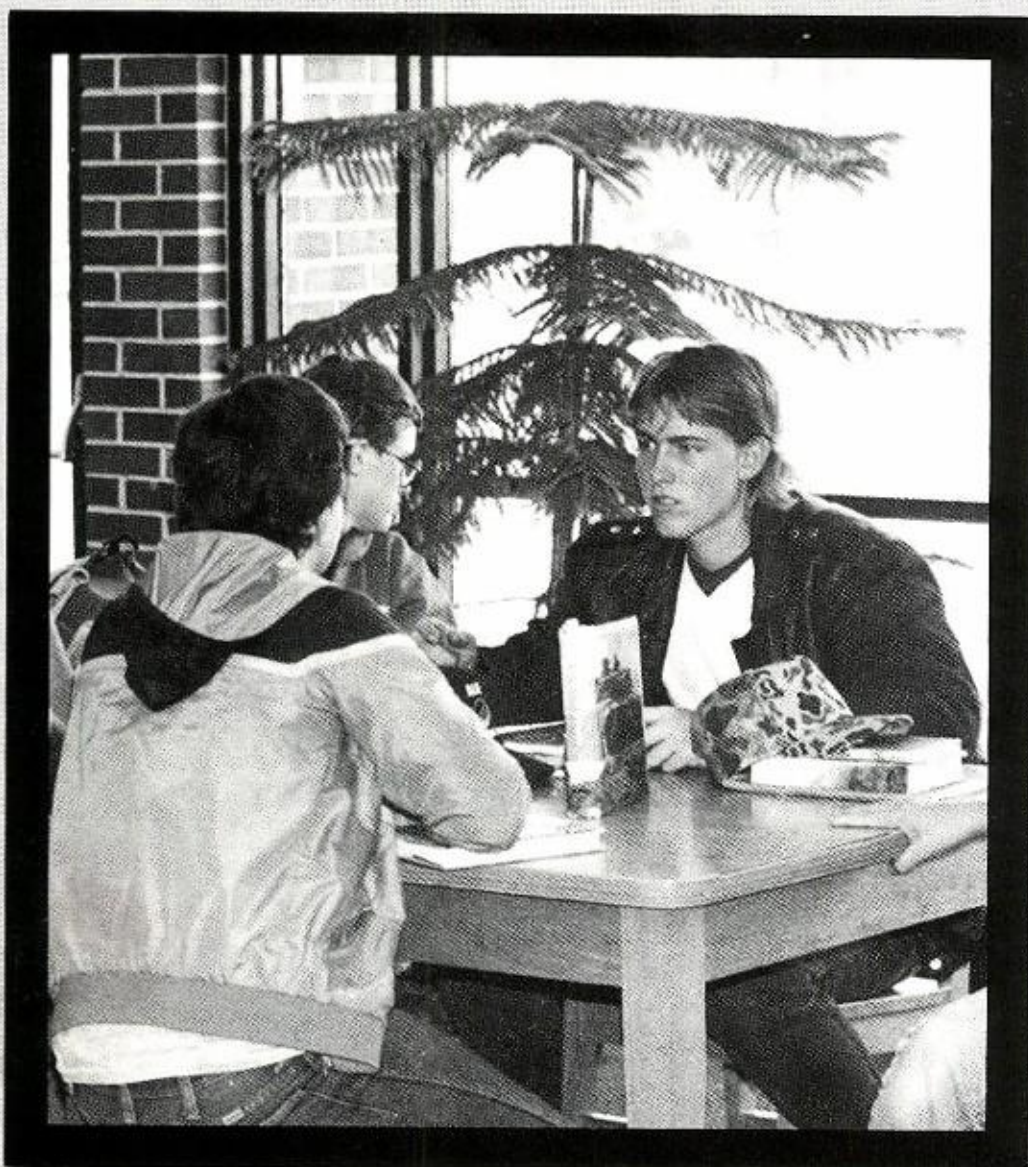

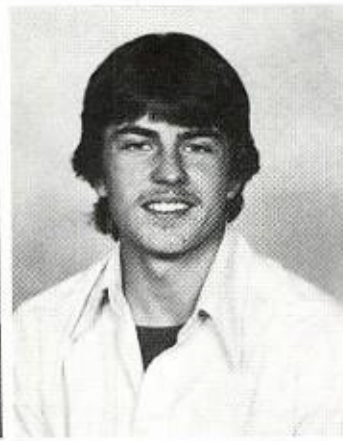

Oh, so that's the way you do it!

Boy, does it feel good to be in chorus?

WHAT?!

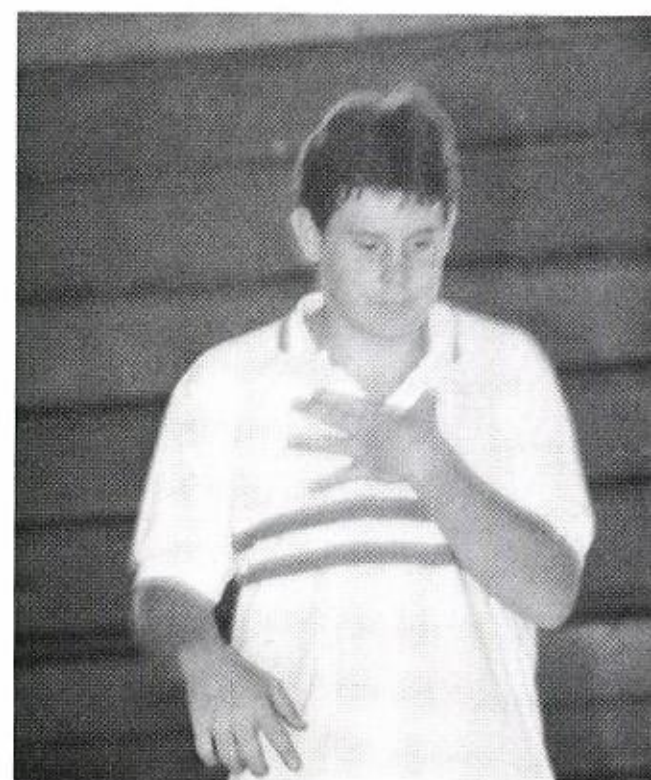

We don't feel like being physically educated today!

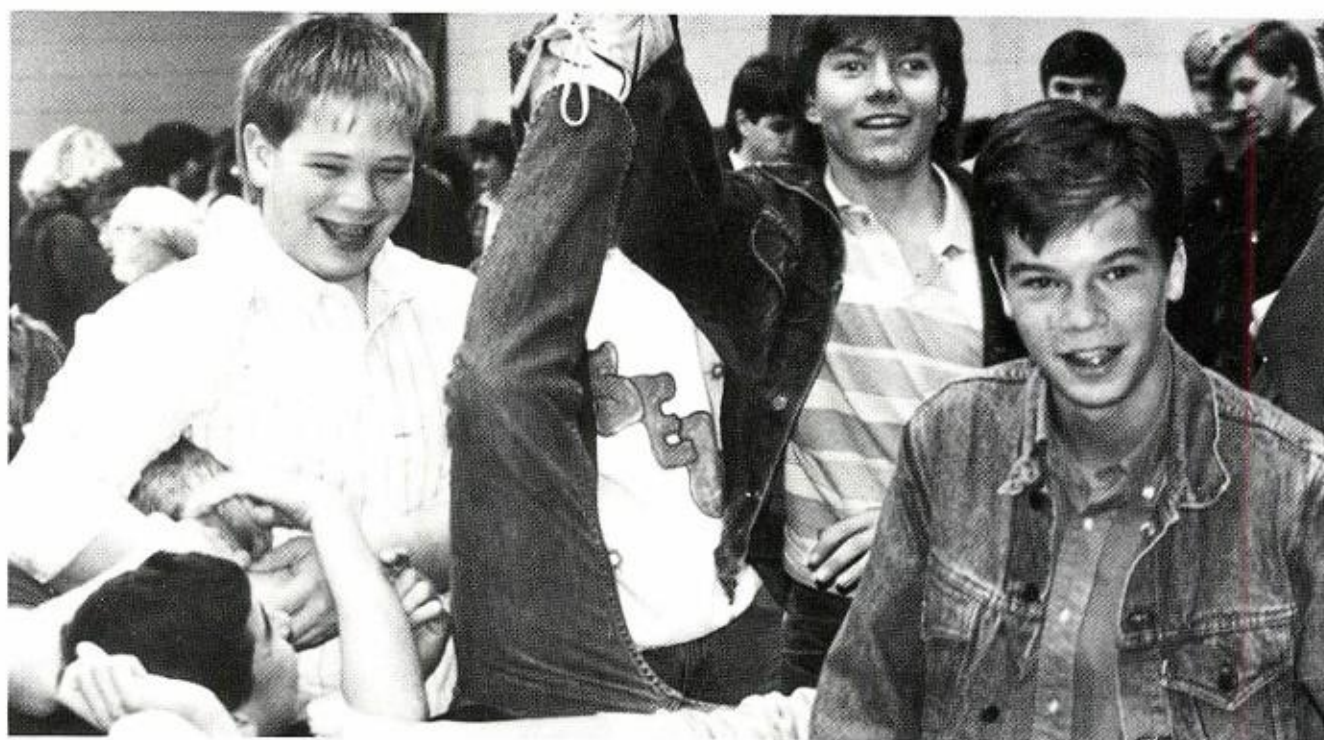

I think my tooth is coming out.

Will you look at that chic?!

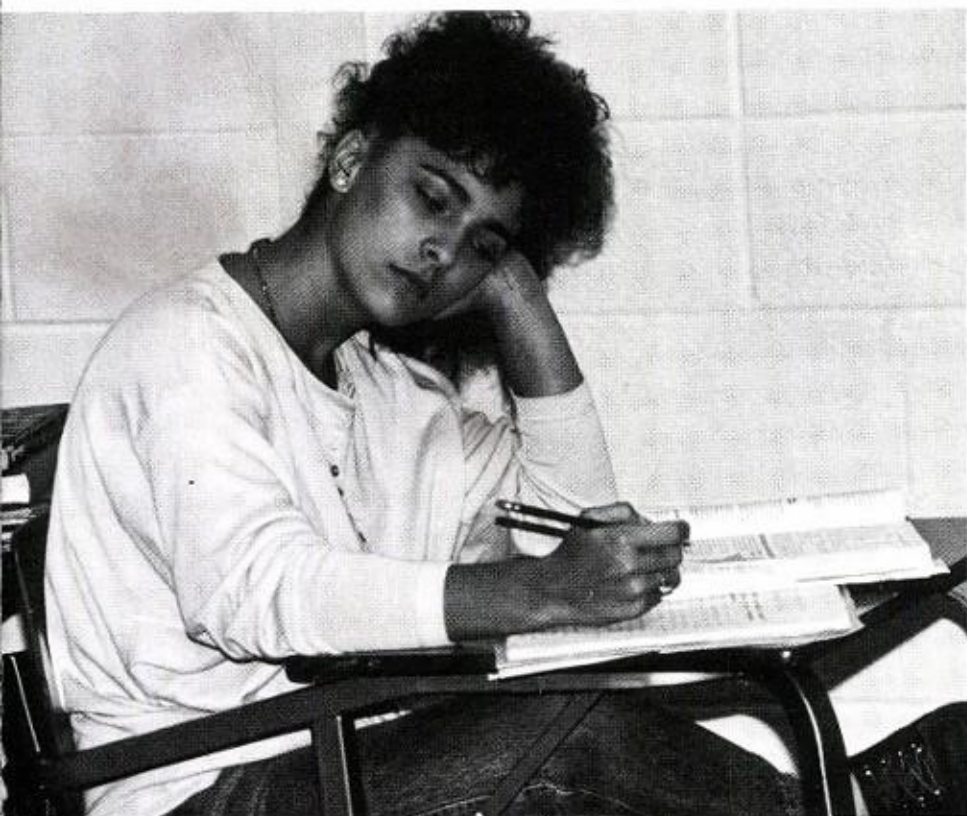

Oh my! I feel ill!

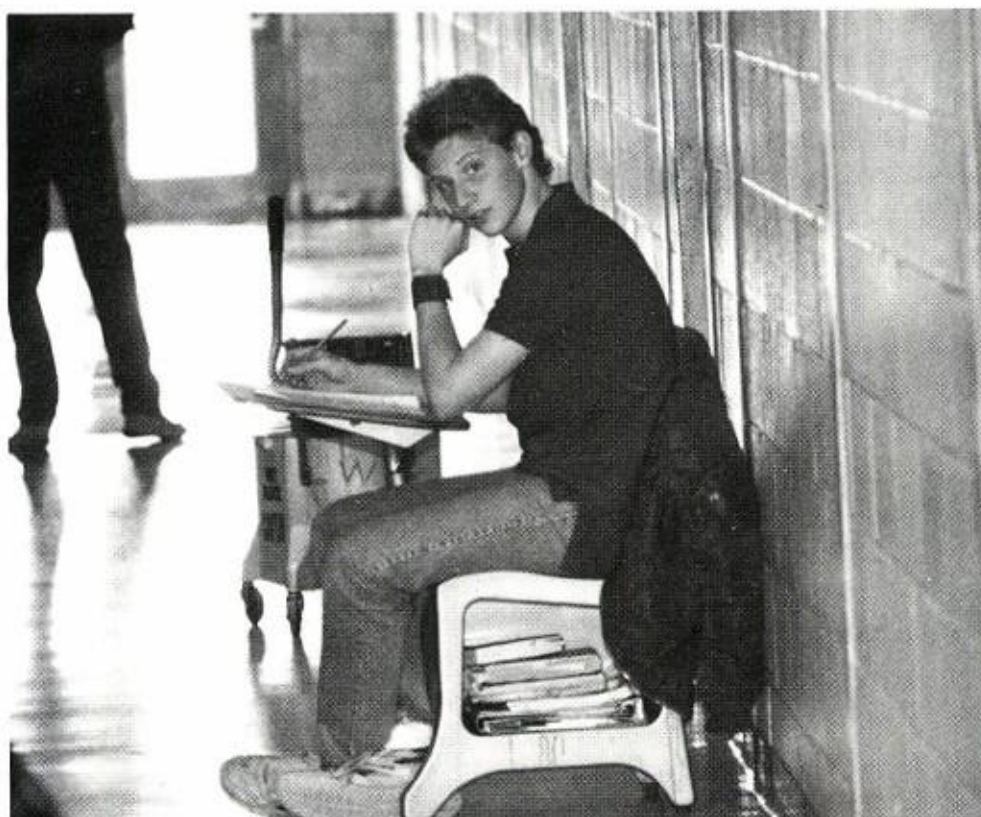

We're gonna kill 'em . . . and it's gonna hurt!

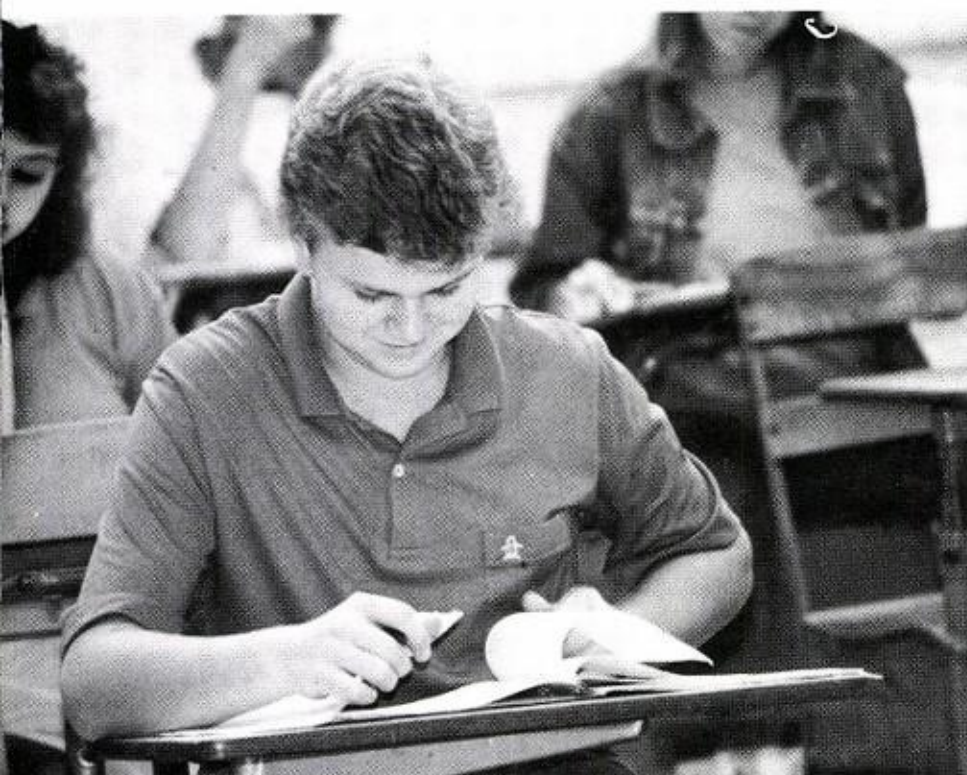

I don't know what you're talking about.

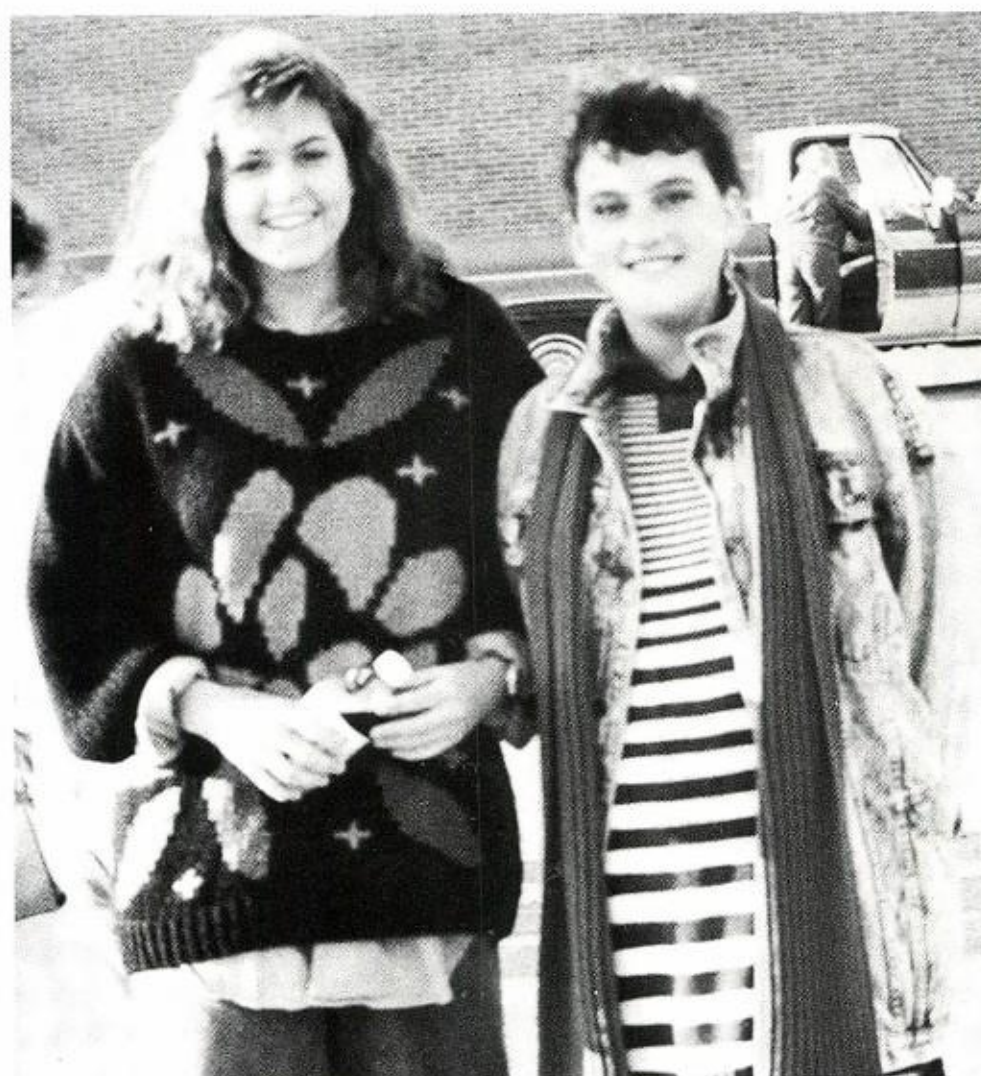

I have better things to do than Algebra!

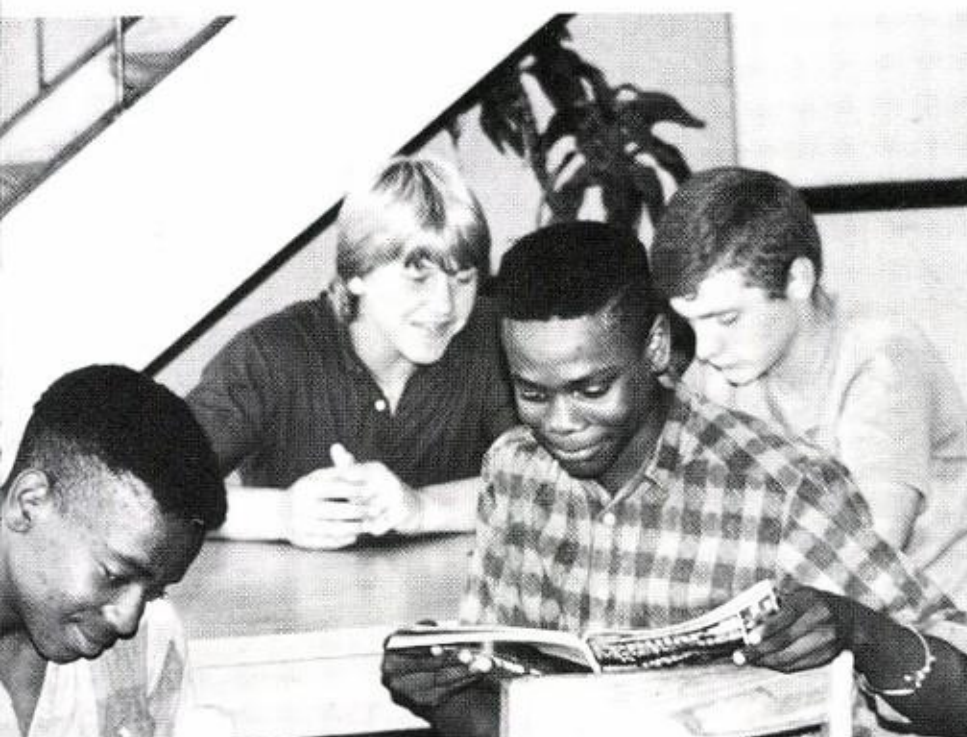

May I help you?

I love this stuff!

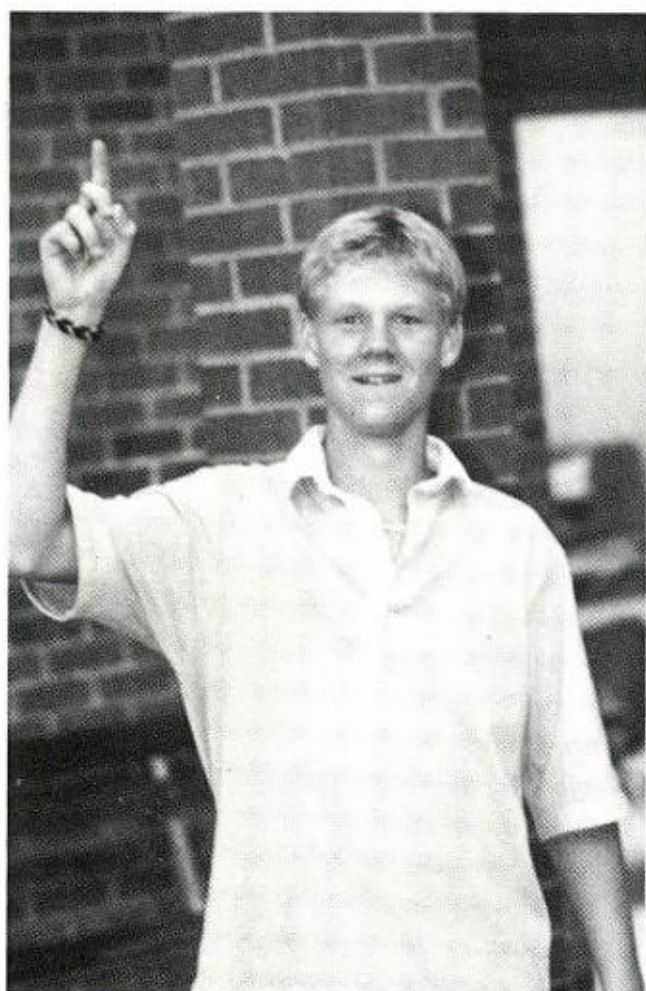

"He's not gonna take it!" "Yes he is! Laura — Smile!"

I can see me in this car!

Tara — stop making that face! He's taking a picture!

What more can I say?

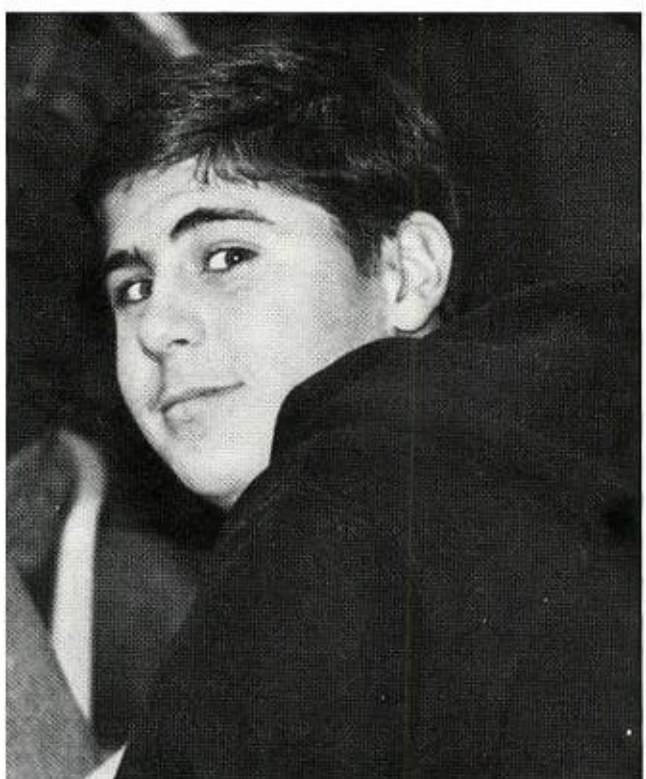

Rickey, why must you continue to do this?

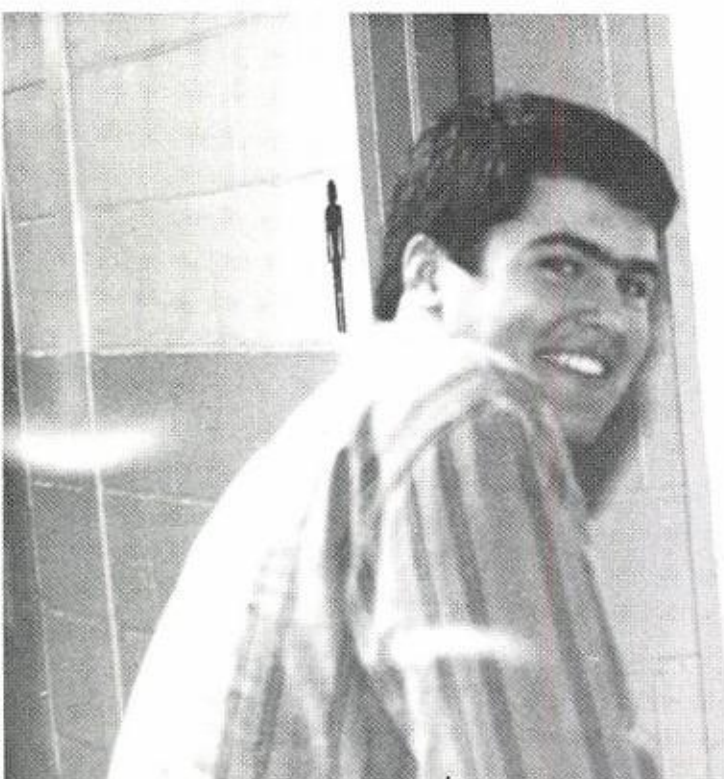

Oh wow! This is so interesting!

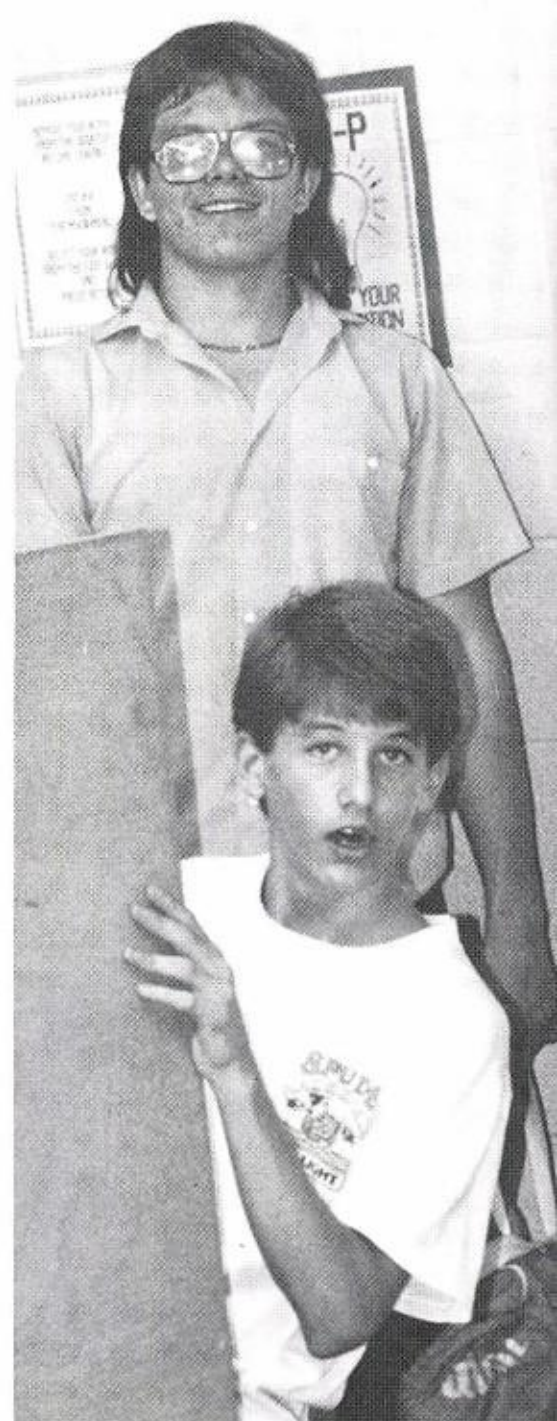

Kevin has a headache this big . . .

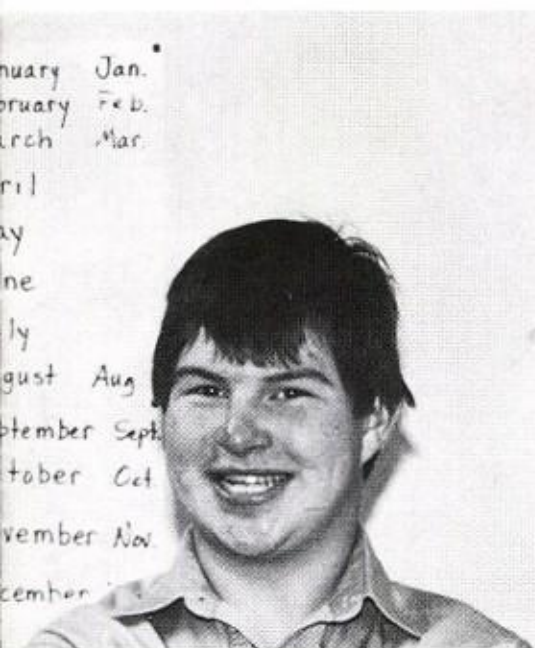

What are you lookin' at?

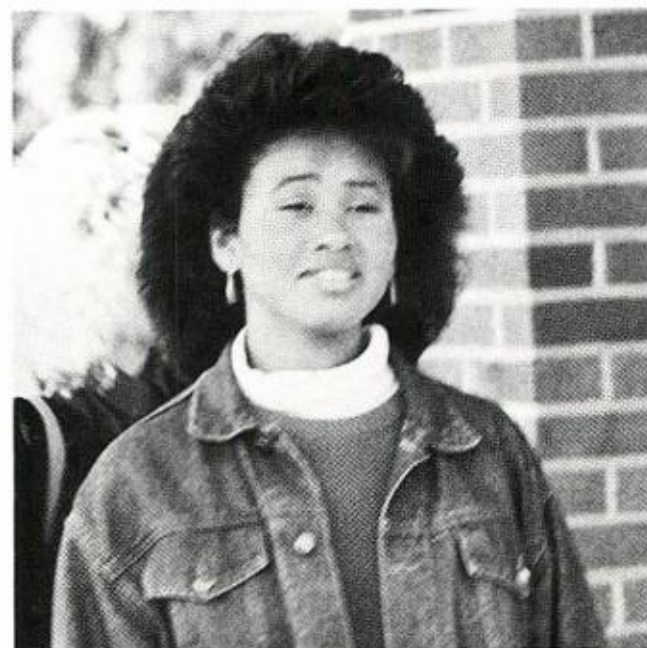

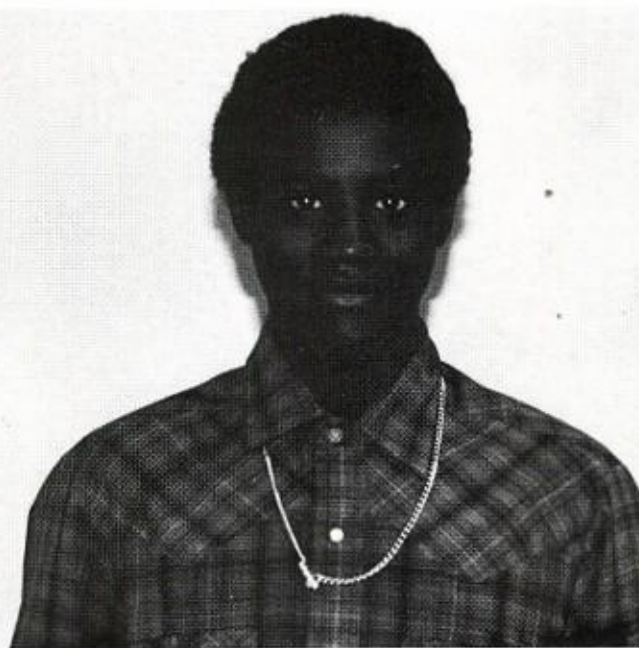

It's not what you think . . . really!

We look innocent enough . . . don't we?

We're BAD!

He has got to be the most gorgeous guy on the face of this earth.

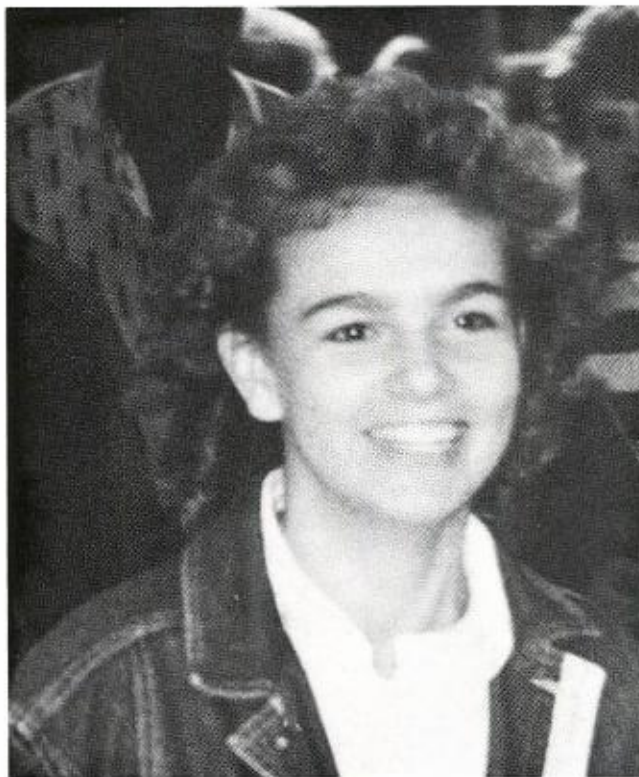

Beth, you're really embarrassing me!

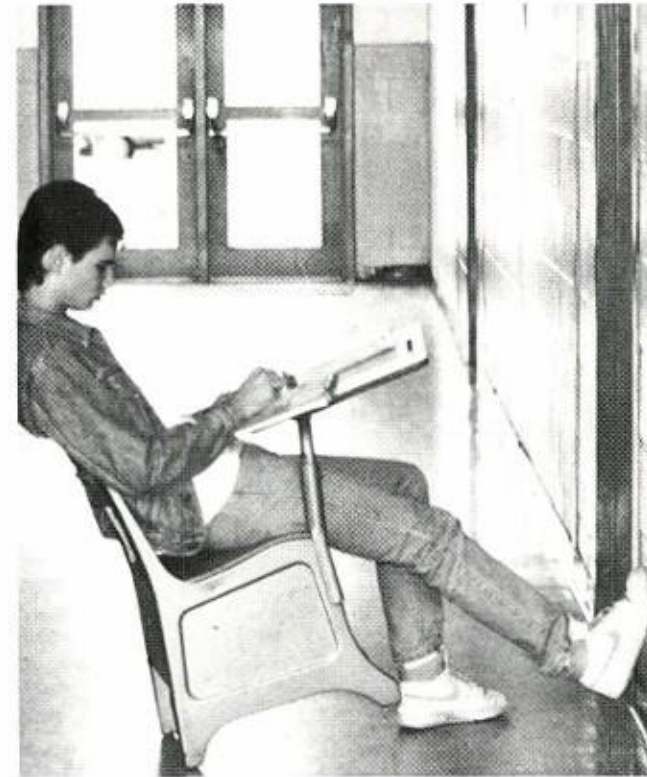

There is nothing illegal in this locker!

I know that key is here someplace!

I'm HAPPY, HAPPY, HAPPY!

I'm so bored!

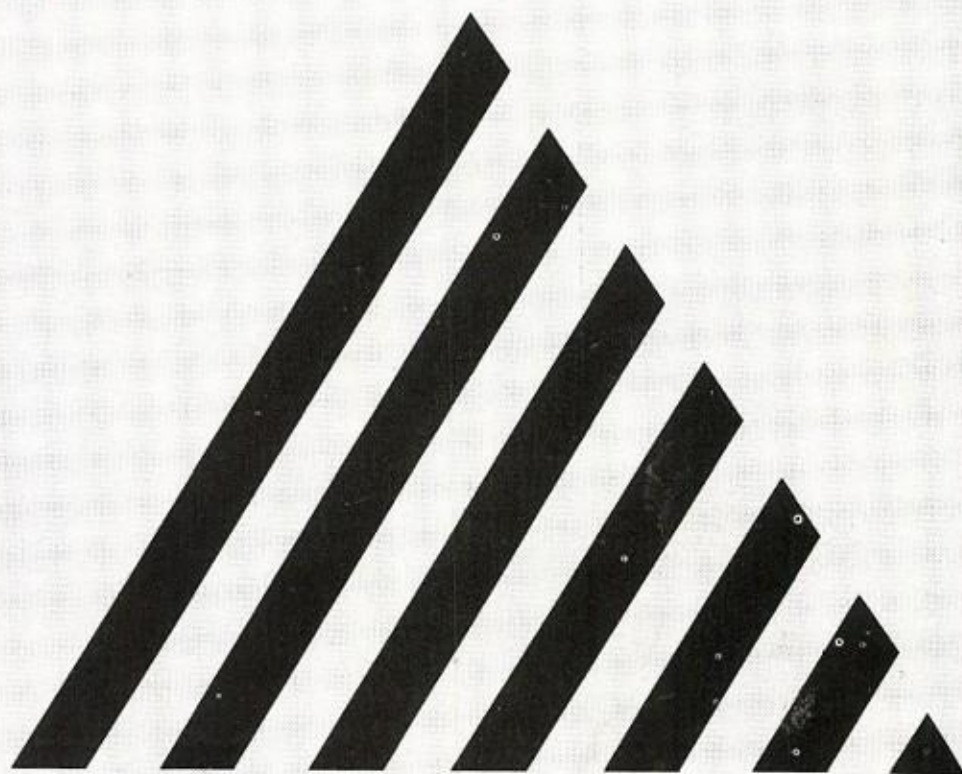

Features

School is more than classes and studying. Extracurricular activities and events add a great deal to the lives of Oconee students.

Homecoming is the most awaited event of fall quarter ending in the crowning of the queen. Miss Legend allows girls to show their talents and interests in good-natured competition. Also, many students are honored throughout the year with scholarships and awards. All of these bring out the best in each of us.

Wherever we end up we will each look back on these years and hold so many memories of Oconee dear to our hearts.

Our Day

Our Day took place on May 27, 1987. Everyone joined in on the fun. Many teachers could be found roaming the football field soaking wet. Students didn't complain about getting a chance to shaving cream a teacher, either! If you didn't get to cream a teacher, you could've always gone to the dunking booth and watched a teacher or a fellow student hit the water!

Friends talked and joked with other friends, Coca-Cola was passed around, and everyone shared a laugh or two over a hotdog. In the meantime, students crowded around to watch as a car was totally demolished, and as the wrestlers hit the mud.

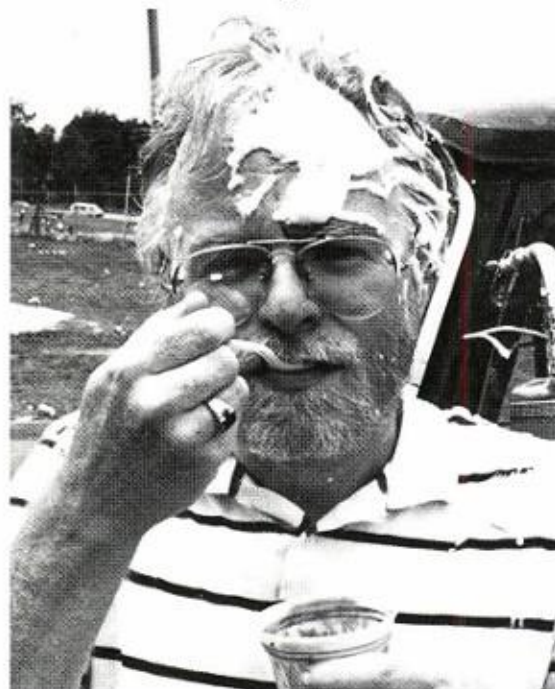

By the end of the day, it was plain to see through the dried shaving cream that everyone was tired. Of course, we'll all be ready and raring to go when the next Our Day rolls around!

After the five finalists were chosen and each girl was interviewed, it was announced that Angie Lanier was Miss Legend. All the girls crowded around to give Angie their hugs and congratulations.

Angie had performed a jazz dance to "Can You Feel the Beat?" with a smile, and had handled the interview wonderfully. Angie is the daughter of Joyce Lambert.

Miss Legend was a wonderful success. Each girl in the pageant competed in an evening gown competition and talent. Five finalists were chosen from the group of twenty-one, and each was asked to answer a question. Mike Burer was the host for the evening, and Marsha Burnette and Misty Edwards returned as former Miss Legends. While the judges made their decision, Mike Burer played the guitar and sang, Misty Edwards did a toe dance, Marsha Burnette sang, and Joseph and Carol Knapp also sang to keep the audience entertained. It was a wonderful evening, beautifully put together by the Senior Beta Club. They deserve congratulations!

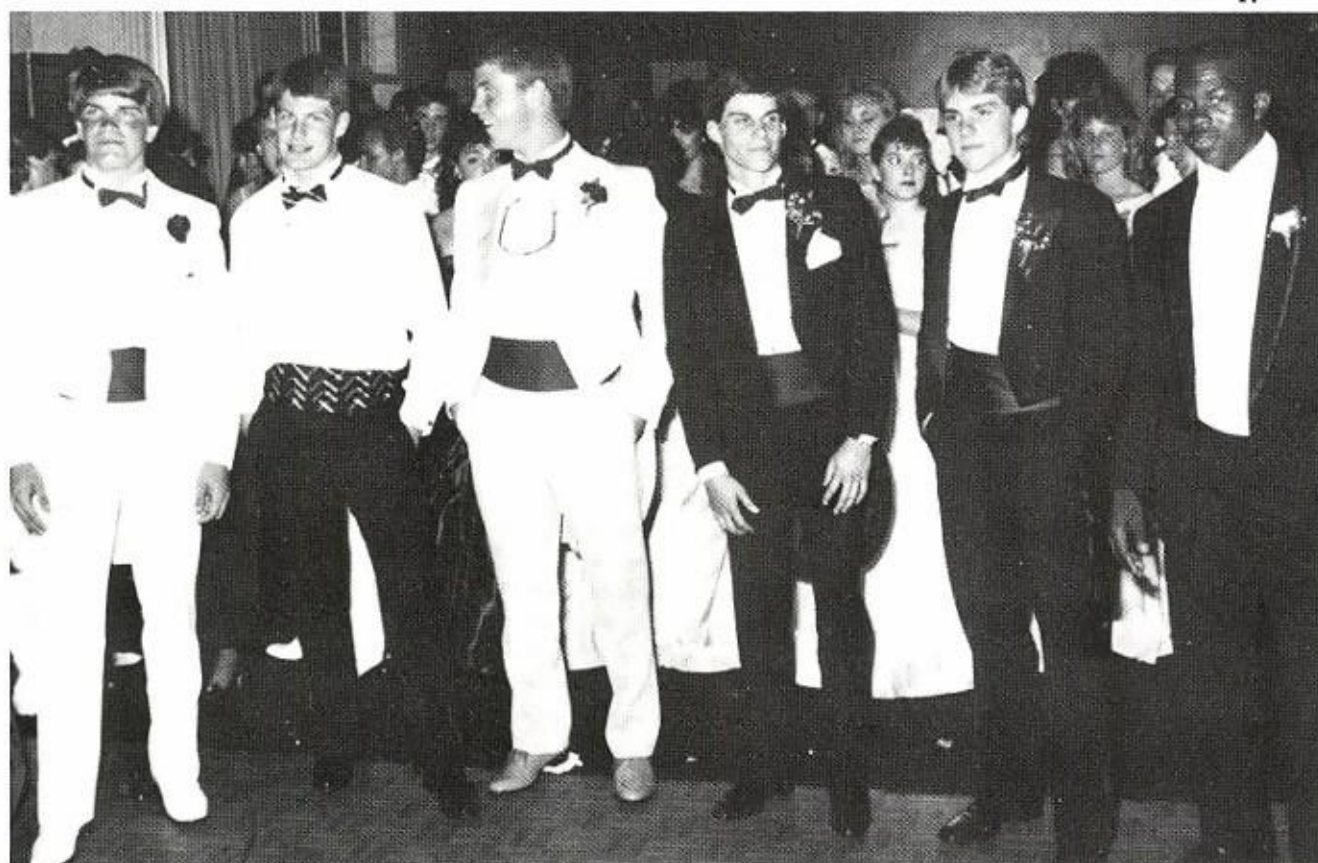

C o n t e s t a n t s

The night of the prom was magical and wonderful, especially for Wesley Thomas and Misty Edwards, who were crowned Mr. and Miss OCHS of 1987. Any of the six girls in the Prom Court could have become queen; they all looked so beautiful! Even the guys looked dashing in their tuxedos! The night went by too fast, but for Mr. and Miss OCHS and the rest of us, it will be cherished always.

Mr. / Miss OCHS

The night of the Jr./Sr. Prom was a night of dream and fantasies as couples danced their way into the night. History Village Inn was the setting and the M & M Connection provided the music. Everyone seemed to have a magical time even as Mr. and Miss OCHS were crowned. It was a night for friends to be with friends and guys to hold their girls. Memories were made and a wonderful time was had by all.

J r. / S r. P r o m

This year was a year of celebration and of scandals. Amid the events of the 200th anniversary of the Constitution, we were introduced to Donna Rice, Fawn Hall, and Tammy Faye. Each had their own story to tell.

The PTL Organization came into the spotlight when Oral Roberts announced that he needed thousands of dollars from his viewers. If the goal wasn't reached, Roberts proclaimed that the Lord would "call him home." By the middle of March, he had achieved his goal.

The PTL reappeared in the news when the brief affair between Jim Bakker and Jessica Hahn became public. Soon after this incident, PTL profits dropped drastically and the company filed for bankruptcy. Jim and Tammy Faye went to Gatlinburg, where they continue to stay.

In March 1988, Jimmy Swaggart announced that he was guilty of a moral wrongdoing. His actions were judged and a penalty was decided on. Swaggart was not allowed to preach for three months, and would be on probation for a period of two years. Presidential-hopeful Pat Robertson declared that the scandal was an idea of George Bush's that would lower Robertson's popularity. Bush denied any knowledge of the incident.

On the world scene, a Summit meeting was held in early December between Ronald Reagan and Mikhail Gorbachev. The conference led to the disarmament of four percent of the total nuclear arms population. The INF Treaty was signed, sending all missiles of range 3400 miles and below to be scrapped.

Tensions ran high this year as powers clashed. In the Persian Gulf, attacks were commonplace. The United States continued to send military craft overseas in an attempt to avoid war with the Iranians.

In Atlanta, there was an uprising at the Federal Penitentiary. Cuban detainees took hostages and demanded the promise of not being sent back to Cuba. After a period of nine days, the hostages were released. Some were sent back to Cuba, while others were transferred to other prisons.

Just recently passed this year was a new bill raising the speed limit on most highways to 65 mph. Governor Harris agreed to sign the bill only if a mandatory seat belt law was added to it. When the bill was sent to the House, the mandatory law was approved.

We lost much talent this year. Actors such as Jackie Gleason, Lee Marvin, Trevor Howard, and Lorne Greene died. With them were such celebrities as: dancers Fred Astaire and Ray Bolger, actresses Rita Hayworth and Margaret Hamilton, entertainer Liberace, and movie-maker John Houston.

In sports this past year, the Washington Redskins defeated the Denver Broncos in Superbowl XXII by a surprising score of 42-10. In the World Series, the Red Sox triumphed over the Cardinals.

However, 1987 will be best remembered as the year of the Iran-Contra scandal. For days this past summer, programs were pre-empted in order to show the hearings. Oliver North emerged as a national hero, admitting that he "was authorized to do every act." Other officials such as Robert McFarland and Admi-

ral Poindexter also went on trial. In the end it really wasn't decided who knew how much. President Reagan's popularity began to wane.

Reagan's credibility was again put on the line when he nominated Judge Bork to the Supreme Court. Debates over his nomination were long and heated. When the vote finally came, it was clear Bork wouldn't get the seat.

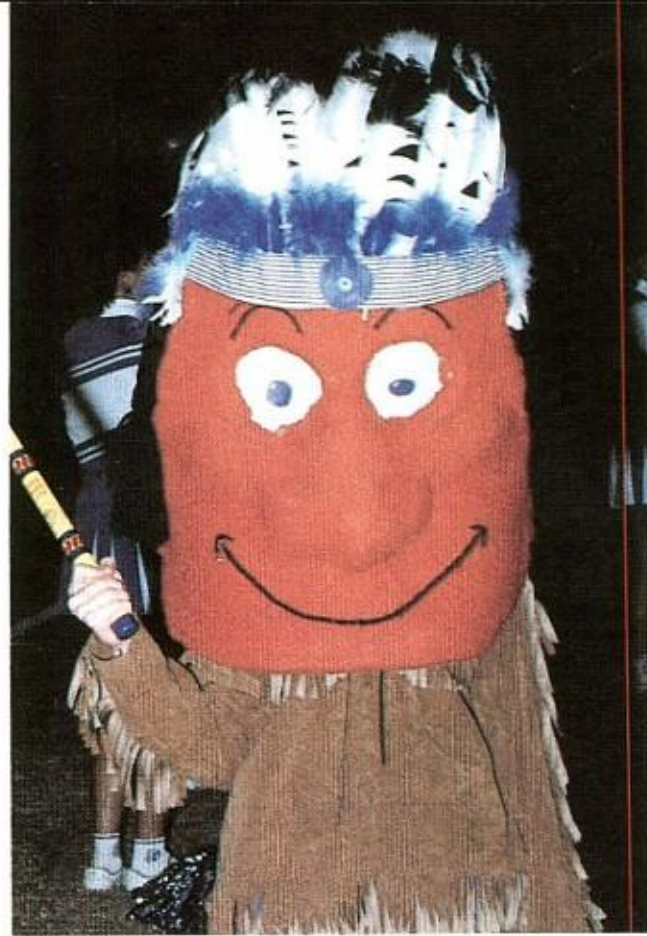

Next nominated was Judge Ginsberg. He was more respected until he admitted to having smoked marijuana while in college. Again, the seat in the Supreme Court was refused.

Campaigns for nomination to the Presidency were everywhere in 1987, but none were as focused upon as Gary Hart's. Apparently, Hart once had a brief affair with Donna Rice. It soon became public and forced Hart out of the race. Then, surprising everyone, Hart re-entered the race with all intentions of winning.

Not everything this year was scandalous or sneaky. As the year the 200th anniversary of the signing of the Constitution of the United States was celebrated, culminating on September 8. Special ceremonies were held on the Capitol grounds, and special television programs were broadcast.

Perhaps the most touching story of all was the one about a little girl in Texas who became trapped for almost two days in a well. Emergency medics were finally able to get Jessica McClure and bring her out safely.

It was a tricky and scandalous year, but fortunately there were events that made each of us proud. It was definitely a year to be remembered.

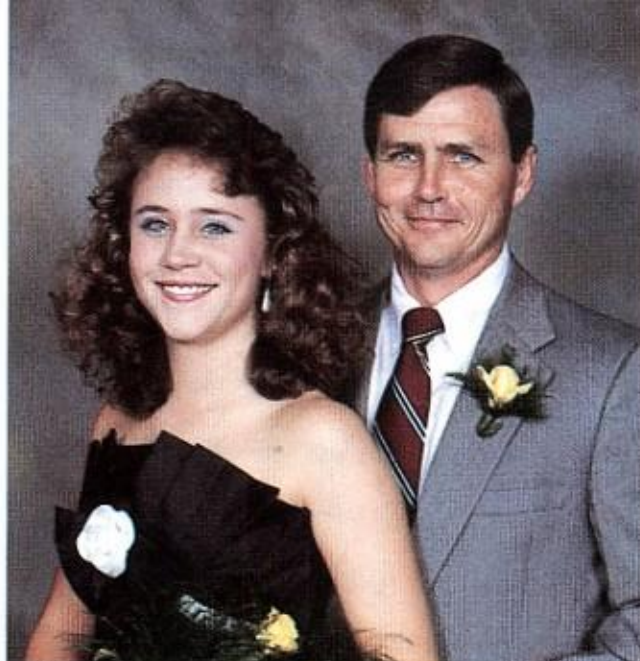

The Homecoming game between the Oconee Warriors and the Jefferson Dragons took place on October 16, 1987. The Warriors emerged victorious with a score of 21-13. Carloads of people arrived to cheer the Warriors on. After the great victory, everyone was ready for the big Homecoming weekend.

When halftime came, the band started playing "Memories" and the **Homecoming Court** took the field. Each Senior girl was escorted by her proud father, while each of the other candidates were led by the gentleman of their choice. Each looked beautiful as they stood and waited for the big announcement. After the dramatic moment came and the queen was named, smiles and hugs were exchanged by all the members of the court.

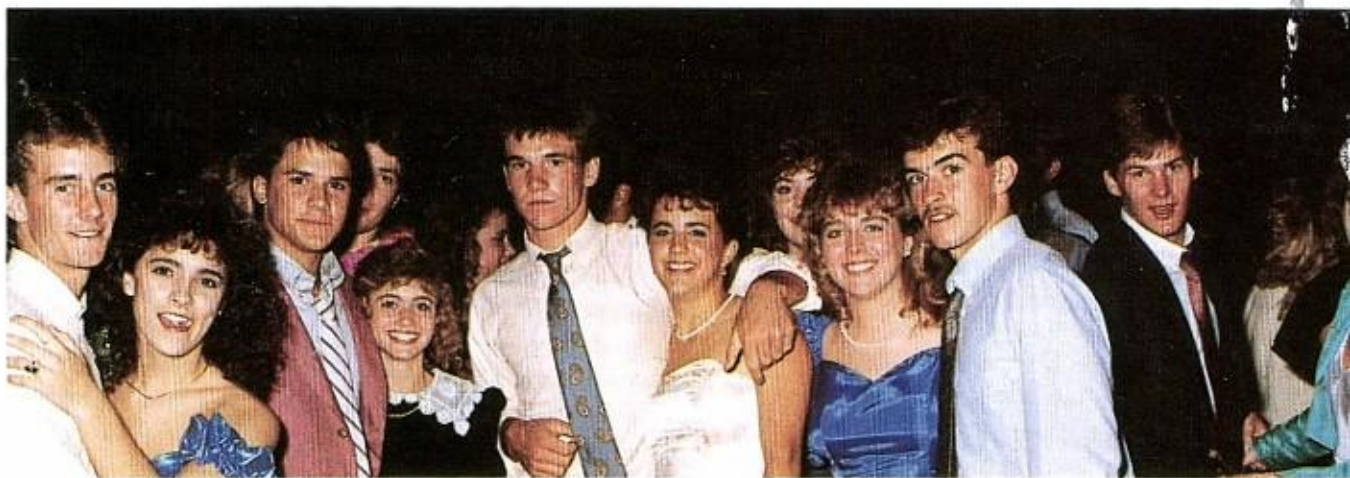

The big moment came at the 1987 Homecoming Game. Making the big announcement was Corey Doster, representing the Student Council. Stacy Shelton was the 1987 Homecoming Queen. Last year's Homecoming Queen, Misty Edwards, crowned Stacy with a smile. The other contestants then crowded around to offer hugs and congratulations.

On the night of October 17th, students gathered in the Warrior gym to dance, meet friends, and party. The M&M Connection provided couples slow music for dancing and then speeded things up for everyone to join in. The Student Council provided the gym with the theme "Sea of Love." Seagulls were suspended from helium-filled balloons, and streamers gave the effect that everyone was dancing under the waves. The gym was a mess by the night's end, but friends had fun and everyone enjoyed dancing the night away.

Keith presents the printed sweater; Stacy is more relaxed.

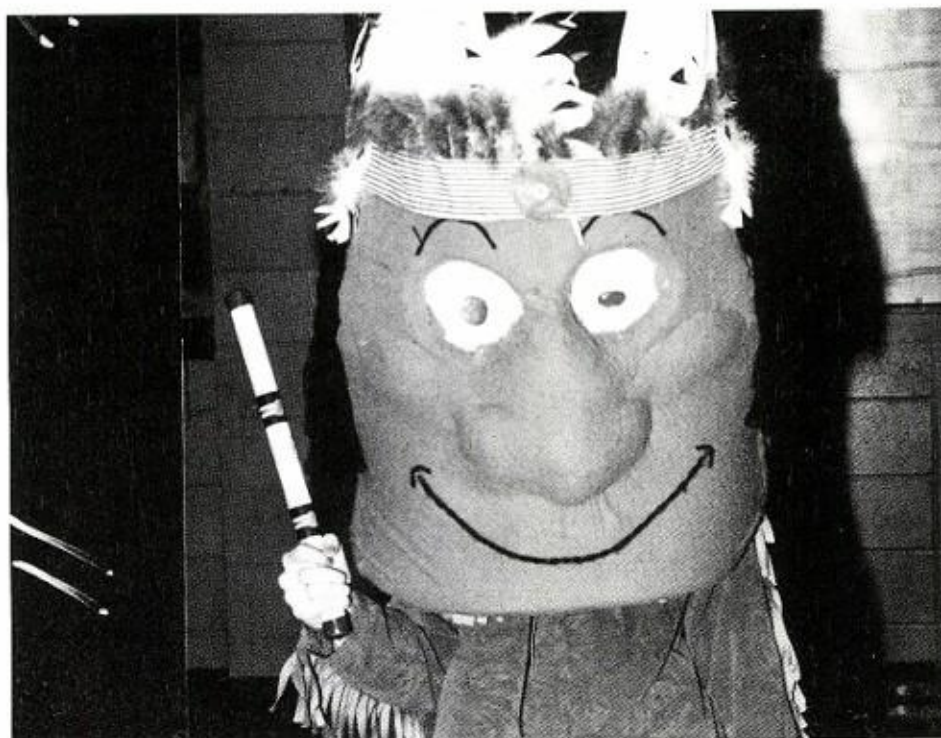

The year-round, stylish outfit.

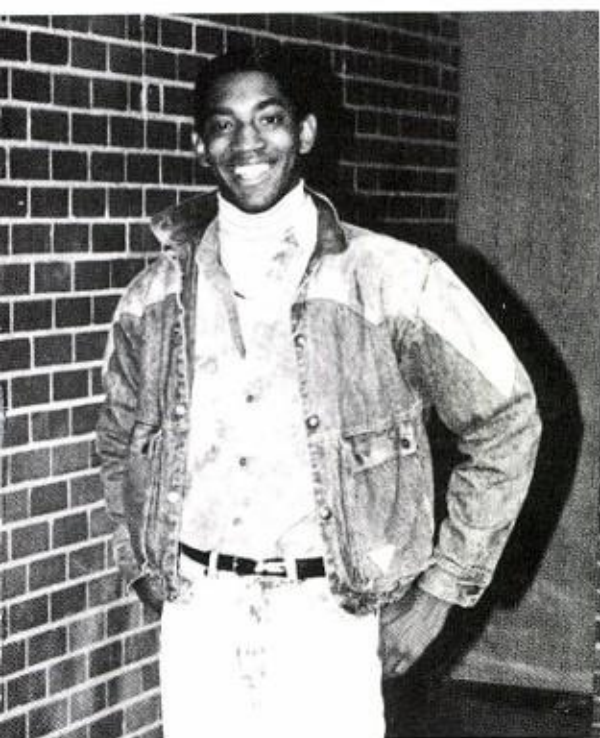

We've seen the arrival of acid wash and stone-wash jeans. Miniskirts reappeared, along with the old-fashioned shoes. The look this year was casual; you could wear Reeboks with your stone-washed jeans and thick sweater, or a miniskirt with a Spuds MacKenzie T-shirt. No matter what was worn, we Oconee students had flair this past year.

Coach Dyer shows the style of wearing a hat indoors.

Will shows off the denim look.

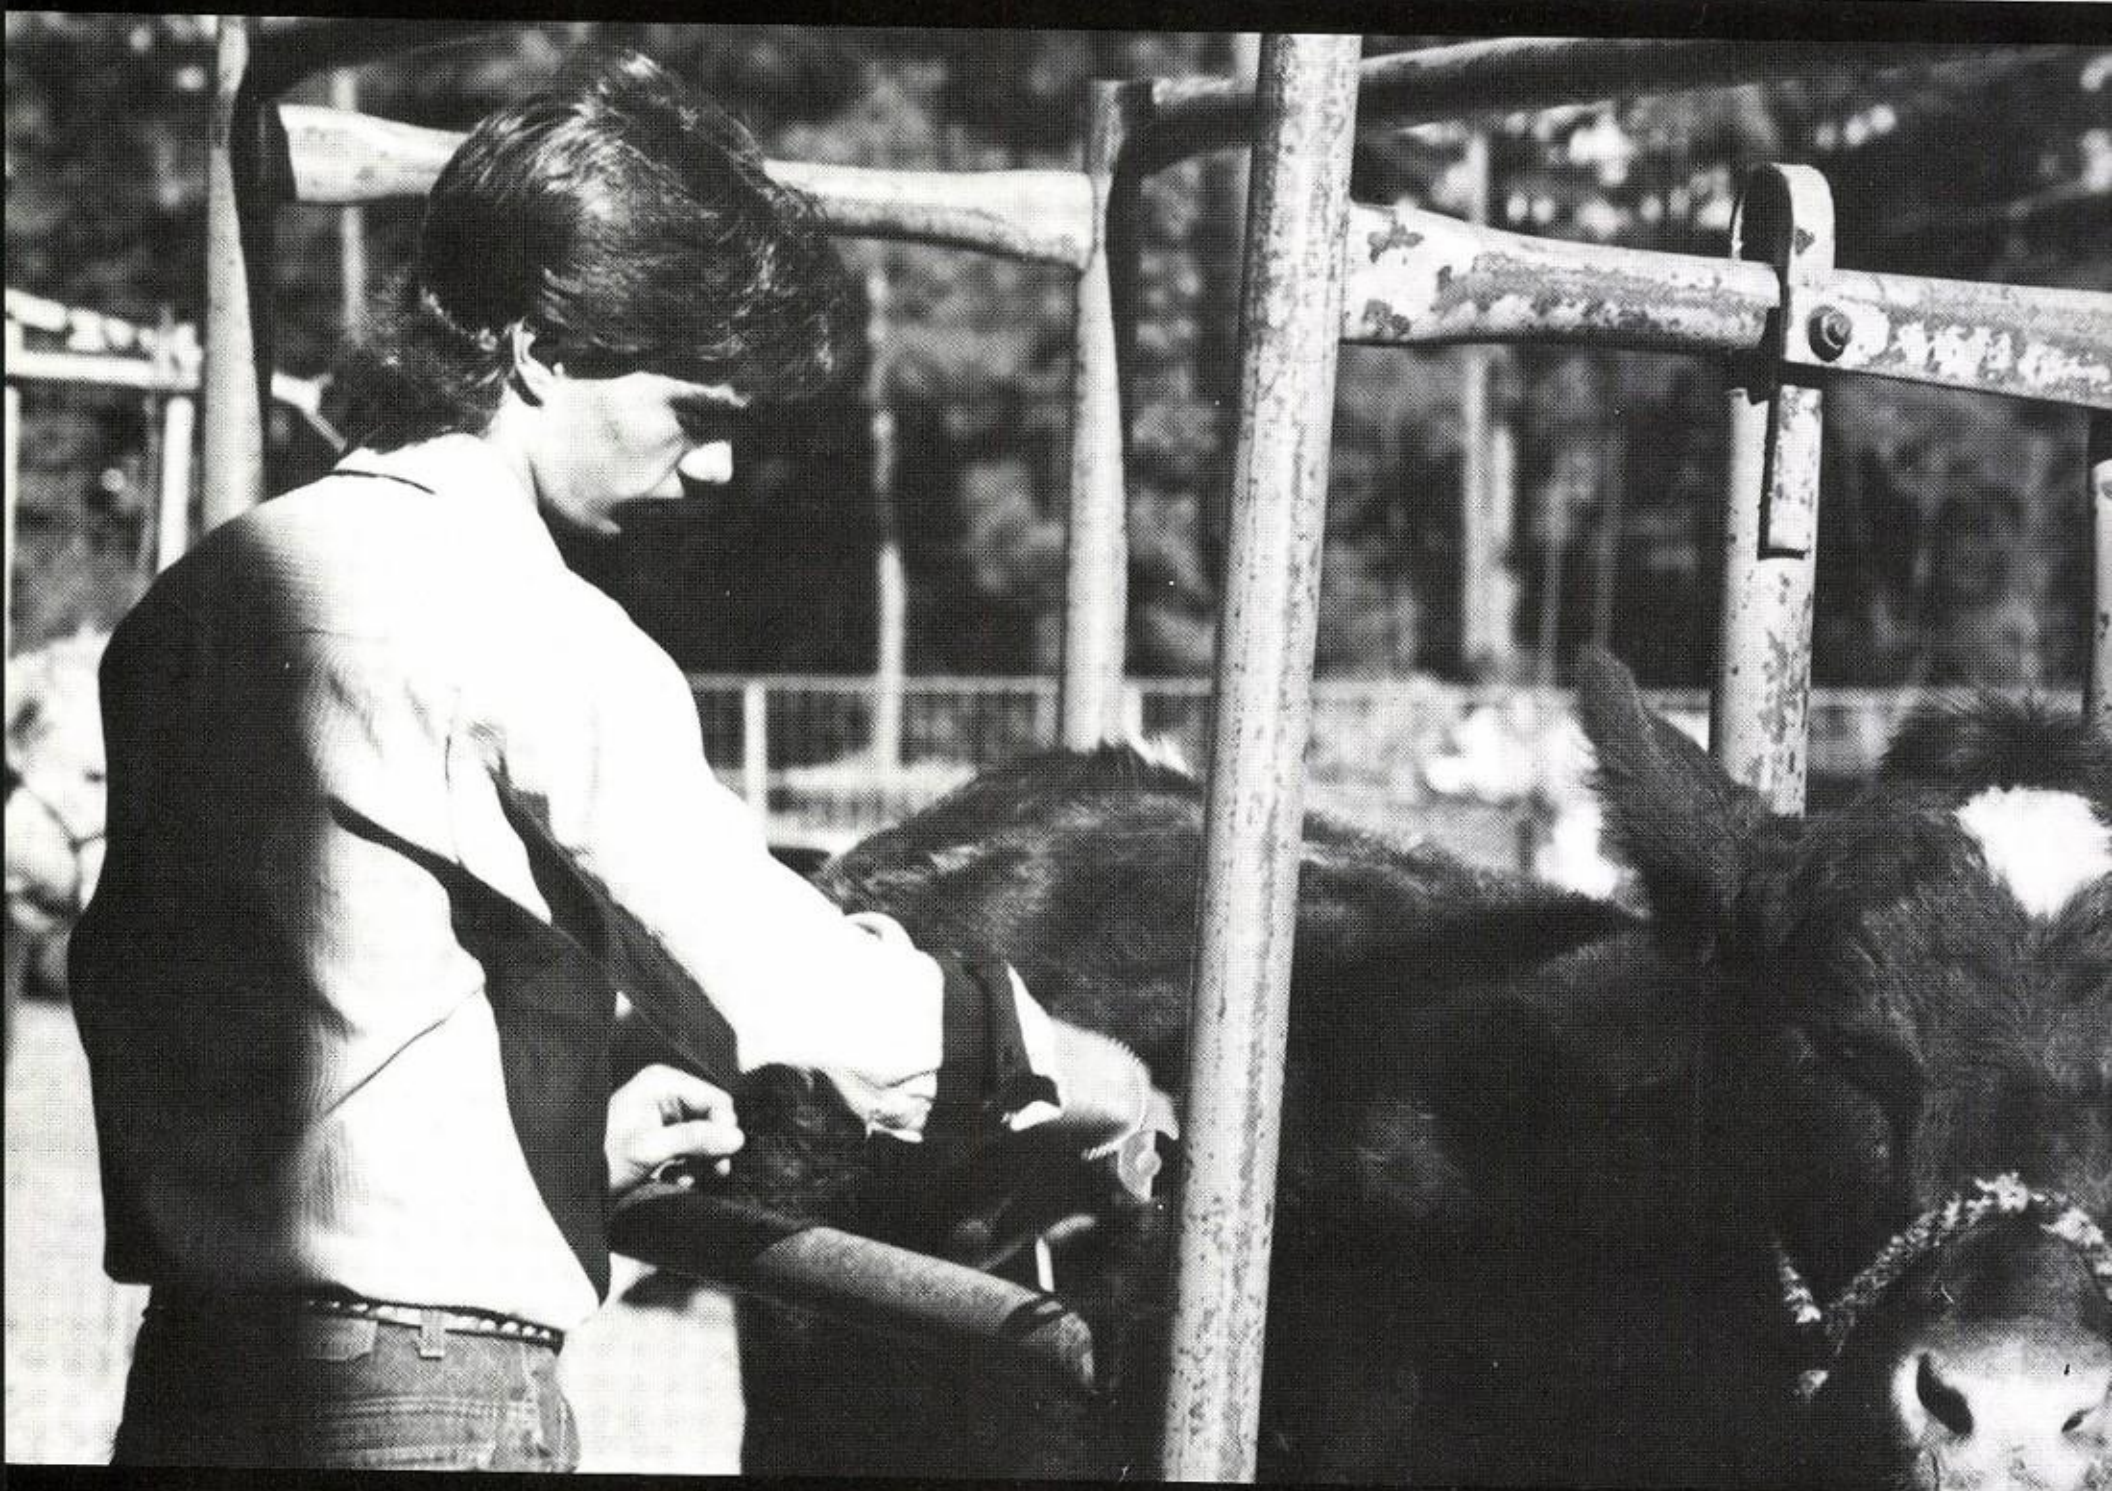

Warriors are always in style!

Of course, it's always fashionable to have fun!

F a s h i o n s

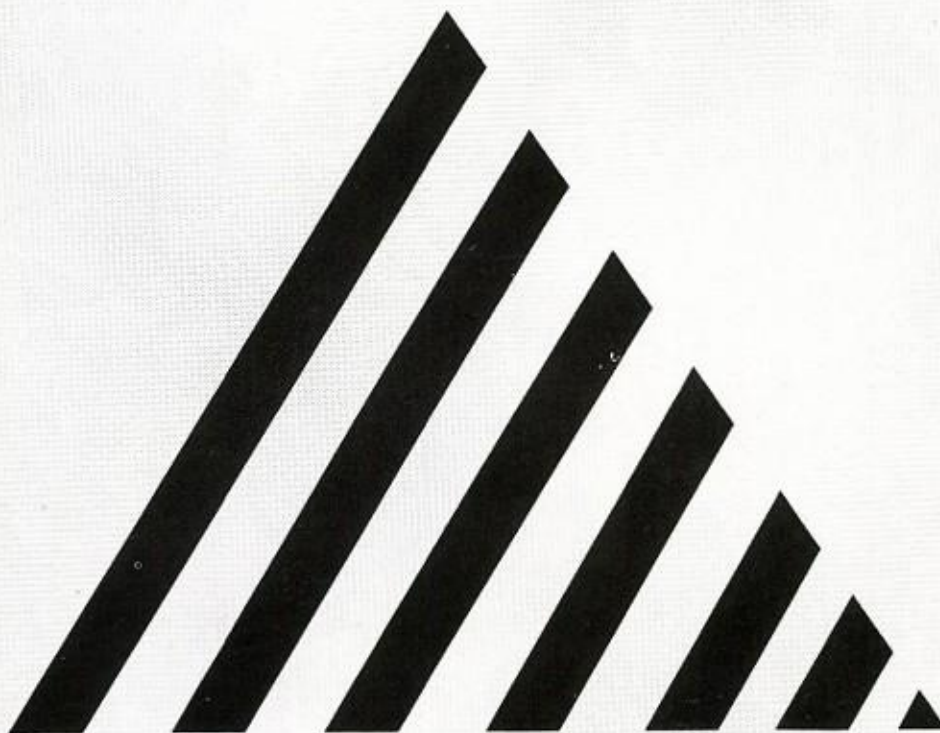

Clubs

Free time. The phrase sounds foreign to many Oconee students. However, many are able to locate this valuable commodity and invest it in a group sharing their same interests.

The clubs range from a special interest to many dedicated community service activities. The purpose of each club is to fulfill the desired expectations and having fun at the same time.

Journalism Staff

The Journalism Staff is a group of students that work long and hard hours to put the yearbook together. There are many days of drawing pages, cropping pictures, typing on the computer and most importantly, selling ads. If it were not for the advertisers, *The Legend* would not be possible.

The advisor and editor hold a lot of responsibility. All the pages and pictures must be checked and rechecked by the advisor and editor before going to the plant in Texas, where the book is printed.

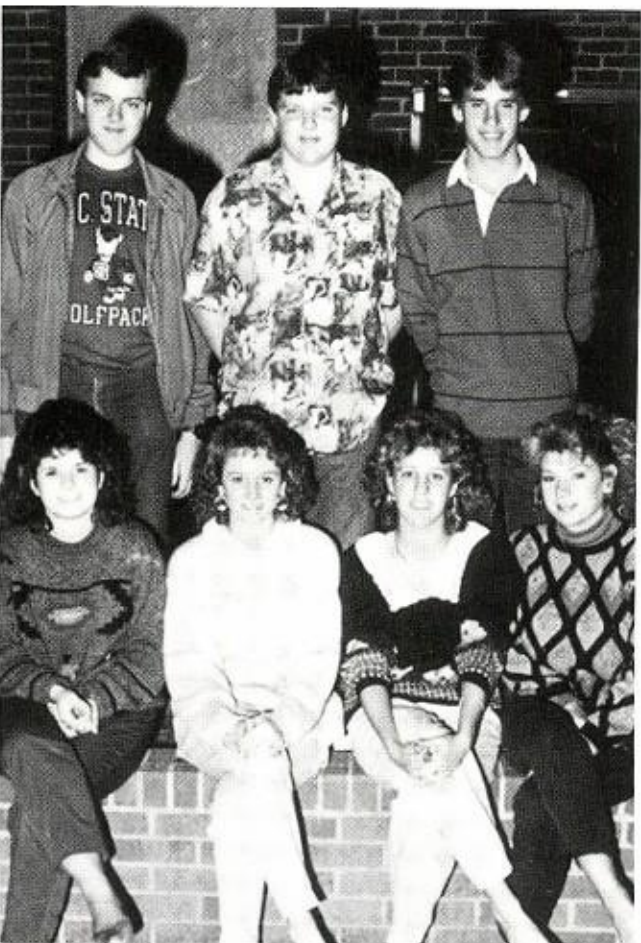

As you can see, putting a yearbook together is not as easy as you think.

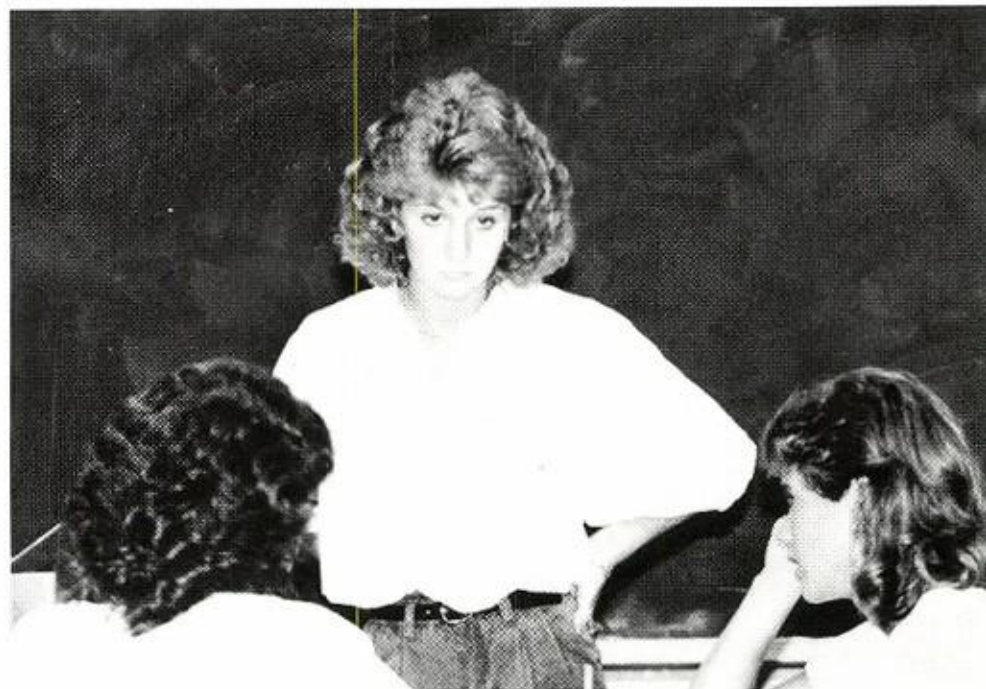

When you are looking at and enjoying your yearbook you should think about all of the hard work and dedication each staff member performs.

As editor of the *1988 Legend*, I have enjoyed putting this book of memories together for you. I have been a part of the annual staff for three years and each year has brought on new and exciting challenges. This year has brought on the most challenges yet, and hopefully you can see the ways we have tried to make this yearbook different for you.

Spring quarter students were excited to get their 1987 annuals they had been waiting for all year. However, at the same time, the staff and Mrs. Hellums had already started on the *1988 Legend*. Unless a person has been on the annual staff he/she cannot know how much hard work actually goes into putting a yearbook together. The theme and cover have to be decided, layouts drawn, copy written, and deadlines always have to be met. It seemed like every time this year staff members finished a page, another one was waiting for them. I just want to thank each member for all the work inside as well as outside the class. Without your dedication this annual would have never been possible.

Mrs. Hellums is the one person who kept the staff going all year. She gave encouragement to each staff member and especially to me. Each time we had to stay late working on a deadline she was there. Every time we had to come in early she was also there. Thank you Mrs. Hellums for the guidance and support you have given me. Without you this yearbook would have never become a reality.

For the students, I hope the staff has captured your school year in a way you can remember it best. When you look through the pages of the *1988 Legend* in the years to come, I hope you can have the best Memories of 1988!

Competition is a basic part of Oconee County High School. The challenge of competing and showing spirit is what makes an **Oconee Warrior**. The athletics have provided a challenge to make this year exciting! The sportsmanship of everyone has yet to prove the pride of OCHS. Winning not only brings enlightenment to the players, but to the students, teachers, parents, and community as well.

The Varsity Cheerleaders had a wonderful year. Their cheering added life to the football and basketball games. They cheered our teams on to victory. When the crowd became uninterested in the game, it was the cheerleaders who supported the players and recaptured the crowds' attention. We had an excellent group of cheerleaders this year, and it would not have been the same without them. 1. *Sponsors and Captains:* **1st Row:** Johnna Arnold, Jennifer Maxey. **2nd Row:** Beverly Sosbee, Becki Peterson.

Ads

The staff of the *1988 Legend* would like to express our thanks to the advertisers of our yearbook.

In reality, looking through this yearbook is like starting the year over. It is as if we are beginning from the first day and traveling until present. Our students will enjoy it today and it will serve as a record of our memories at OCHS.

The yearbook takes a lot of hard work from our staff and our advisor. This yearbook would not be possible without the continued effort from our community through advertisements.

John T. Brannen

Mr. John T. Brannen, our beloved friend, was respected and admired for his faithful service to all. He spent quality time and effort with the 4-H, the school, and the community. He was always out to make the best better, in all ways of life.

He had a personal interest in all of us, and he shared our triumphs as well as our failures. Mr. Brannen guided us in our many achievements, and he had a great loyalty to Oconee County, which he so ably served.

He, a great leader in Oconee County's 4-H program, spent many hours, days, weeks, and years helping 4-H members better themselves in their area of competition. He cared about what he was doing so he always put forth all effort possible.

Mr. Brannen was a greatly admired citizen of Oconee and our memory of him will never fade.

Thank You . . .

Friendship is a handclasp
Warm and sincere,
A smile that says plainly,
"I'm glad that you're here!"
It's knowing there's someone
Who's always true-blue,
No matter what others
May say about you.

Friendship is sharing
The good and the bad.
It's laughing together
When life's bright and glad.
Sometimes it's sharing
Our hurts and fears,
Sharing a prayer,
And sharing our tears.

Friendship is giving
Our heart-gifts away.
It's helping another
And wanting no pay.
It's giving a compliment,
Encouragement, too,
Making the sky
A little more blue.
More precious than mountains
Of silver and gold,
Friendship is a gift
That brings blessings untold!

— Kay Hoffman

How quickly pass the days and years.
Time never waits for man.

Unceasingly the minutes fly
To fill a waiting span.

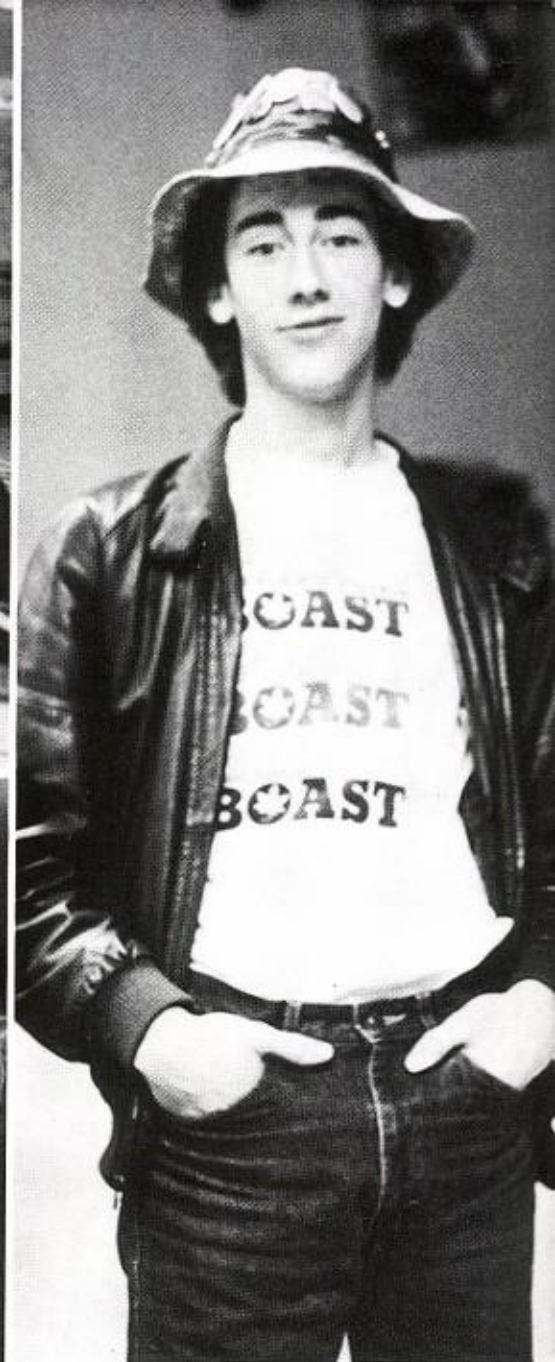

How happy he who may look back,
With pleasure and content,

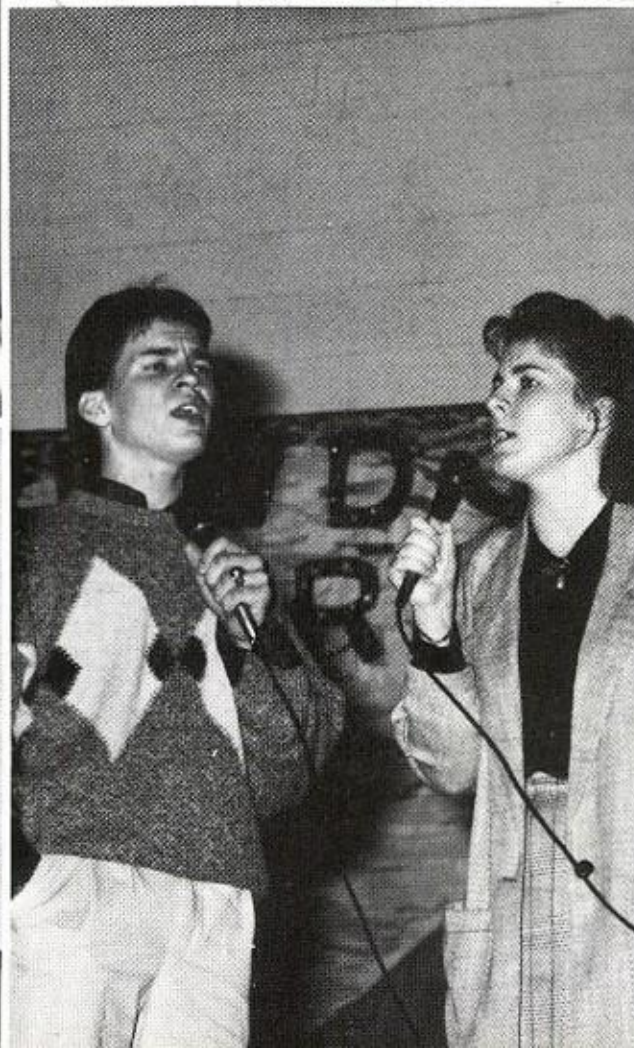

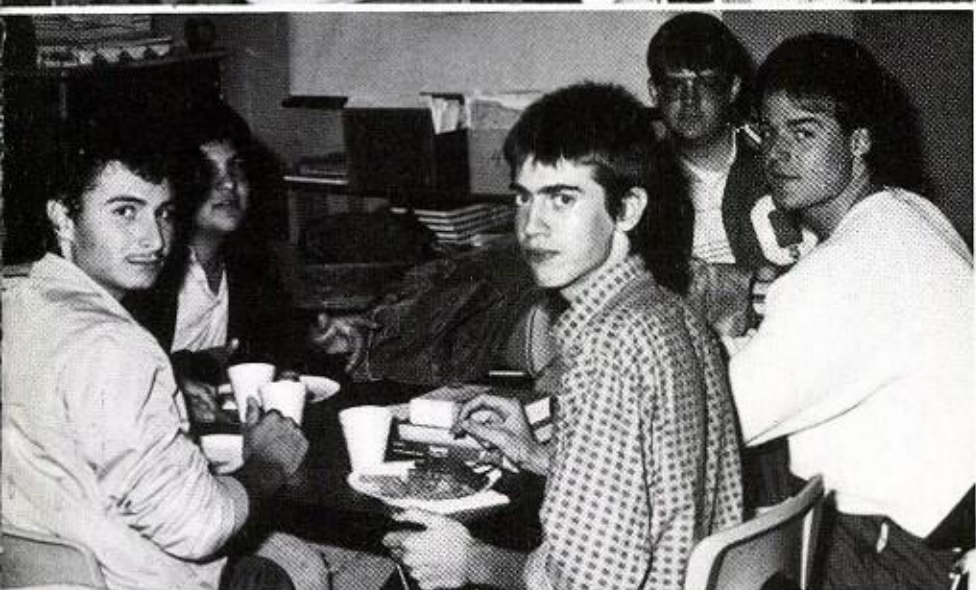

Upon the years forever gone
And feel they were well spent;

And still remember present time
Will only shortly last,

And then will be, however lived,
A *memory* of the past.

— Agnes Davenport Bond

Each silent square, a time machine
Transporting to the past.
What joy to live that day once more
First moment to the last.
Nostalgically we turn each leaf;
It's true we never age
As long as we remain between
The *first* and *final* page.
— Gloria A. Truitt

Congratulations Class of '88!

Through the years we've spent in
High School
Friendships dear and true,
Shall remain and not be broken
Though we're far from you.
* Hail to thee our Alma Mater
Highest in our sight.
We will ever love and honor
Oconee Blue and White

High School days are swiftly passing
Soon its sands are run,
While we live we'll ever cherish
Friendships here begun.
We are sad with thoughts of leaving
And our eyes are filled,
But we know we can return
And be welcome still.
